その7　クジラ

鹿を絶滅させると、狼はいなくなりますし、狼がいなくなれば鹿が増え、木々を食いつくし、結局は鹿もいなくなります。このように、自然界ではバランスというものが非常に重要です。

実際に狼がいなくなった日本でも、鹿による樹木の被害がひどくなり、狼の代わりに人が鹿を殺して、そのバランスをとらざるをえなくなっています。

クジラも同じです。人間が他の魚を捕らないなら、クジラも捕るべきではありませんが、そうでないならクジラも捕ってバランスをとらなければなりません。科学的根拠に基づく規制をした捕鯨再開が望まれます。

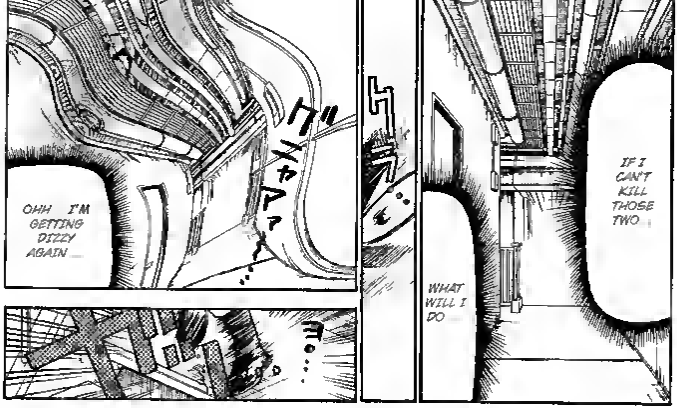
CHAPTER 51: REASON TO SAVE LIFE

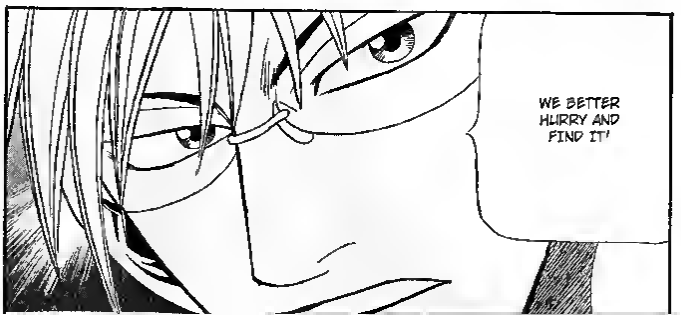
IS SOME-THING WRONG ?
NO NO-THING
WELL THEN, GET READY TO SAIL
YOU GOTTA BE KIDDING ME
I GOT ONBOARD AFTER HEARING THAT WHALES A GOOD SOURCE OF MONEY BUT
NEVER HEARD THAT MURDERING SOMEONE IS A PART OF IT!

SHI SHI SHI SHI SHI
.....
ONCE WE RE IN THE MIDDLE OF THE OCEAN, THEY WON'T BE ABLE TO RELAX.
I'M WEAK
THAT GUY'S SE-RIOUS

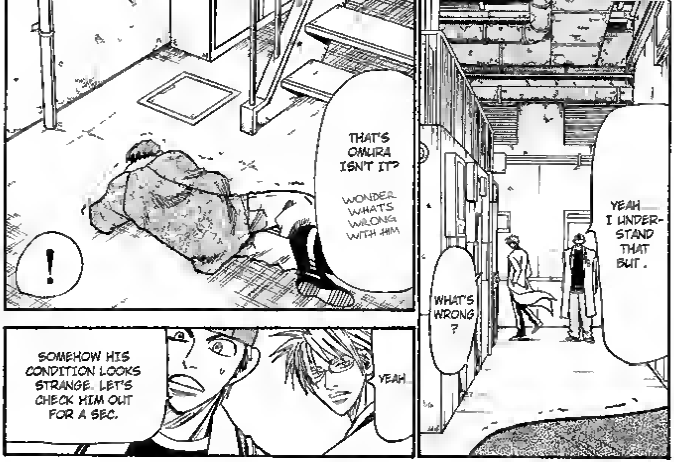


IF I CAN'T KILL THOSE TWO...
WHAT WILL I DO...
OHH I'M GETTING DIZZY AGAIN...

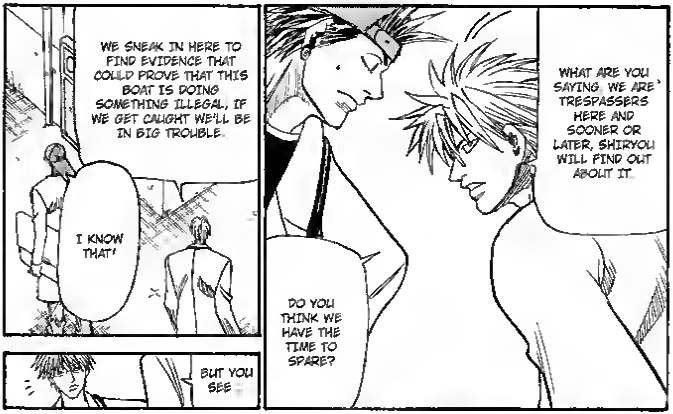
OWAAAAA!!
THE REAL BATTLE BEGINS HERE TESSHO!
IF THE ASHORE WHALE INCIDENTS ARE INDEED MAN MADE----
WE'LL DEFINITELY FIND SOME EVIDENCE WITHIN THIS SHIP.



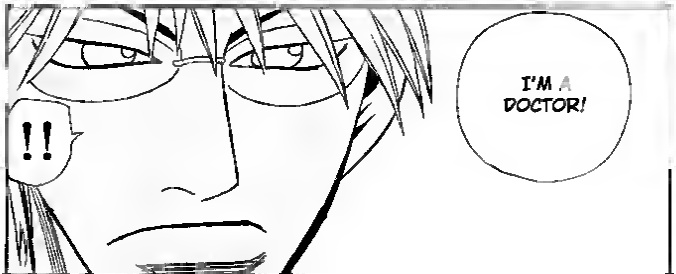
WE BETTER HURRY AND FIND IT!



!
THAT'S OMURA ISN'T IT?
WONDER WHAT'S WRONG WITH HIM
WHAT'S WRONG ?
YEAH I UNDERSTAND THAT BUT .
SOMEHOW HIS CONDITION LOOKS STRANGE. LET'S CHECK HIM OUT FOR A SEC.
YEAH



WE SNEAK IN HERE TO FIND EVIDENCE THAT COULD PROVE THAT THIS BOAT IS DOING SOMETHING ILLEGAL. IF WE GET CAUGHT WE'LL BE IN BIG TROUBLE.
I KNOW THAT!
BUT YOU SEE
DO YOU THINK WE HAVE THE TIME TO SPARE?
WHAT ARE YOU SAYING. WE ARE TRESPASSERS HERE AND SOONER OR LATER, SHIRYOU WILL FIND OUT ABOUT IT.

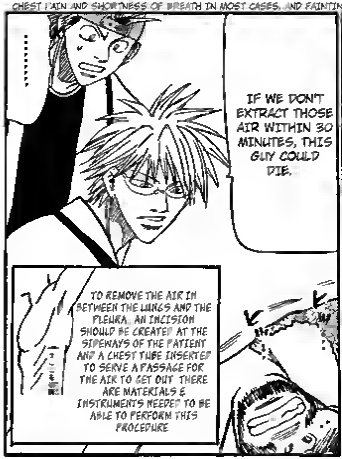


!!
I'M A DOCTOR!

KILLING THEM!!
OF COURSE IT'S NOT LIKE I'M A LICENSED PHYSICIAN FOR HUMANS BUT
WHETHER IT'S HUMAN OR ANIMAL, ABANDONING SOMEONE WHO'S SUFFERING JUST LIKE...

I'LL CHECK HIM SO HELP ME OUT!
ALRIGHT
OKAY!!
REALLY WHAT A GUY

-TN: PNEUMOTHORAX IS A MEDICAL CONDITION AND POTENTIAL EMERGENCY WHEREIN AIR OR GAS IS PRESENT IN THE PLEURAL CAVITY (CHEST). THE SYMPTOMS OF A PNEUMOTHORAX ARE DETERMINED BY THE SIZE OF THE AIR LEAK AND THE SPEED BY WHICH IT OCCURS; THEY MAY INCLUDE CHEST PAIN AND SHORTNESS OF BREATH IN MOST CASES, AND FAINTING AND RARELY CARDIAC ARREST IN SEVERE CASES.-



.....
IF WE DON'T EXTRACT THOSE AIR WITHIN 30 MINUTES, THIS GUY COULD DIE.
TO REMOVE THE AIR IN BETWEEN THE LUNGS AND THE PLEURA, AN INCISION SHOULD BE CREATED AT THE SIDEWAYS OF THE PATIENT AND A CHEST TUBE INSERTED TO SERVE A PASSAGE FOR THE AIR TO GET OUT. THERE ARE MATERIALS & INSTRUMENTS NEEDED TO BE ABLE TO PERFORM THIS PROCEDURE

THAT'S RIGHT
MOST LIKELY HE FRACTURED HIS RIB AND IT STUCK THE LUNGS, THERE'S AIR ACCUMULATED IN BETWEEN HIS LUNG AND PLEURAL
THESE ARE THE SYMPTOMS OF "TRAUMATIC PNEUMO-THORAX".

-TN: THE PLEURA IS A SEROUS MEMBRANE WHICH FOLDS BACK ONTO ITSELF TO FORM A TWO-LAYERED MEMBRANE STRUCTURE. THE THIN SPACE BETWEEN THE TWO PLEURAL LAYERS IS KNOWN AS THE PLEURAL CAVITY WHICH SURROUNDS THE LUNGS.-

I DON'T HAVE THE INSTRUMENT NEEDED TO INSERT A CHEST TUBE TO HIS LUNGS. ALSO EVEN IF WE MANAGE TO IMPROVISE SUCH INSTRUMENT...
HOWEVER... THIS IS SUCH A BAD SITUATION TO MISUSE AS A SHIP DOCTOR. I ONLY BROUGHT THE BASIC TOOLS SUCH AS ANTISEPTICS.

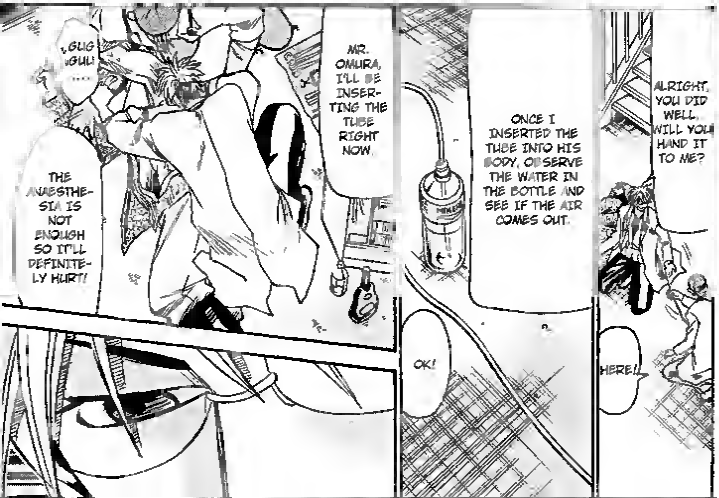
WE DON'T HAVE THE NECESSARY MATERIALS TO PREVENT THE AIR OUTSIDE FROM GOING BACK INSIDE THE CHEST TUBE...
EH... HUH?
WHERE DID TESSHO GO?
RYOTO!

WHAT ARE YOU DOING?
LOOK AT THESE!
OH I FOUND SOMETHING THAT CAN BE OF USE!
A PLASTIC BOTTLE...AND A HANGER!

LOOK, IF WE DO THIS~~~
I FOUND THIS FROM THAT CABIN.
BY PUTTING SOME WATER IN IT, THIS PLASTIC BOTTLE CAN PREVENT THE AIR OUTSIDE FROM GETTING BACK TO HIS PLEURA, AND WE CAN USE THIS HANGER AS A CHEST TUBE RIGHT?
IN YEAR 1995

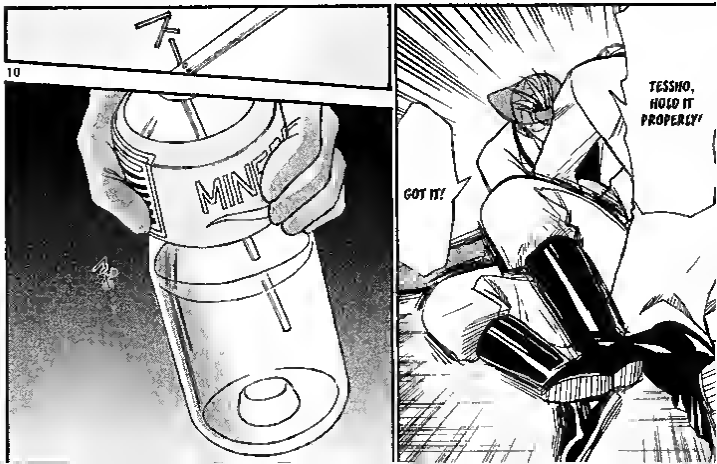
ANGUS FOIRES, A BRITISH DOCTOR, PERFORMED A SURGERY TO A WOMAN WITH PNEUMOTHORAX INSIDE A PLANE...
EVEN THOUGH IT WAS NEVER PUBLISHED IN THIS COUNTRY, RIGHT NOW YOU ARE DOING THE SAME THING AS HE DID: USING A PLASTIC BOTTLE AND HANGER TO PERFORM A SURGERY TO SAVE A LIFE.
FU FU FU

HUH?
BY HAVING SUCH A GREAT PASSION DOCTORS CAN SURE MATURE, DON'T YOU THINK SO TESSHO
WHAT'S THE MATTER RYOTO?
AM I WRONG?
NO, IT'S NOTHING ♡
OH? OK, IT'S READY!



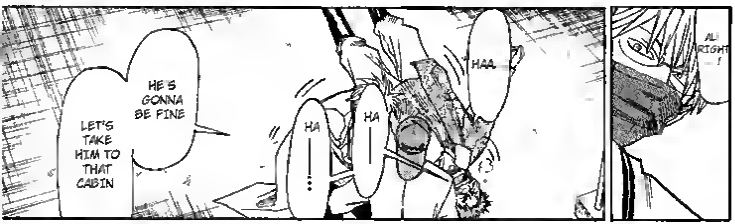
, GLUG GULL
....
THE ANESTHESIA IS NOT ENOUGH SO IT'LL DEFINITELY HURT!
MR. OMURA, I'LL BE INSERTING THE TUBE RIGHT NOW.
ONCE I INSERTED THE TUBE INTO HIS BODY, OBSERVE THE WATER IN THE BOTTLE AND SEE IF THE AIR COMES OUT.
OK!
ALRIGHT, YOU DID WELL. WILL YOU HAND IT TO ME?
HERE!

GUU

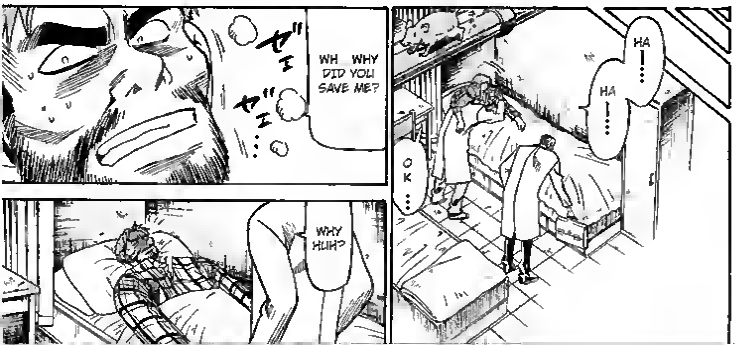


10
MINE
GOT IT!
TESSHO, HOLD IT PROPERLY!

MINE
RYOTO! THE AIR CAME OUT!!



HE'S GONNA BE FINE
LET'S TAKE HIM TO THAT CABIN
HA
HA
HAA
ALRIGHT!



WH WHY DID YOU SAVE ME?
ゼェ ゼェ
WHY HUH?
HA
HA
OK

TO SAVE A LIFE I GUESS!

I'VE BEEN DOING A BUNCH OF BAD THINGS
I ON THE OTHER HAND SINCE I JOINED THIS COMPANY....

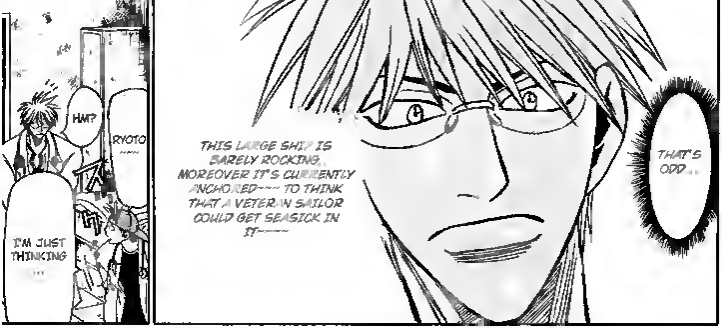
HEHH
YOU RED PEOPLE....
ARE REALLY SOMETHING

.....
THAT IT WOULD DEFINITELY HUNT ME BACK....

REALLY, IT'S NOT FUNNY AT ALL
EVEN JUST NOW, I GOT DIZZY WHILE CLIMBING THE STAIRS.

LATELY, I GET SEASICK WHENEVER I'M ON THE BOAT; THUS IT'S PREVENTING ME FROM RIDING THE BOAT....

...DIZZY... AGAIN...!

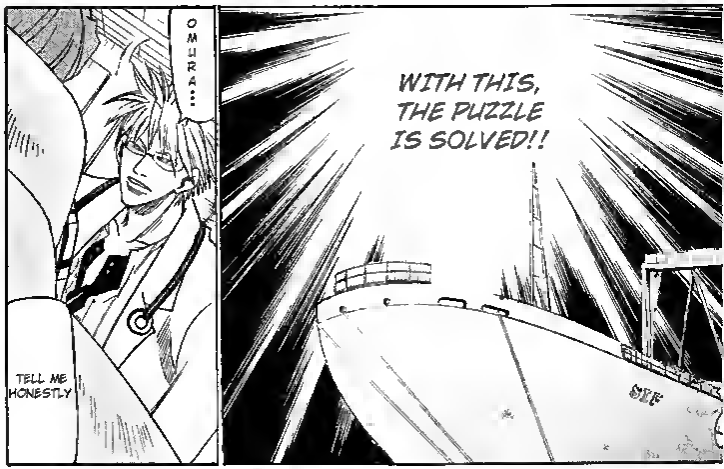


HM?
RYOTO ~~~
I'M JUST THINKING ...
THIS LARGE SHIP IS BARELY ROCKING. MOREOVER IT'S CURRENTLY ANCHORED~~~ TO THINK THAT A VETERAN SAILOR COULD GET SEASICK IN IT~~~~
THAT'S ODD...

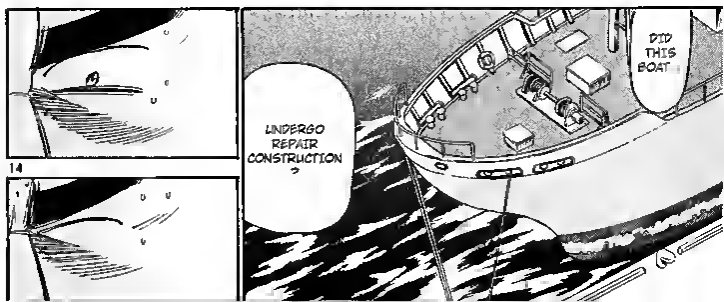
COULD THIS BE DUE TO THE LOW FREQUENCY WAVE POLLUTION THAT YOU'VE MENTIONED BEFORE?
HOWEVER, I'M NOT SAYING THAT LOW FREQUENCY SOUND IS ALWAYS BAD!
INCIDENTS SUCH AS THIS IS CALLED LOW FREQUENCY WAVE POLLUTION
EVEN THOUGH IT'S NOT THE NOISE FROM THE CONSTRUCTION IN THE MIDDLE OF THE NIGHT, IT CAN'T BE HELPED!
IT WAS HORRIBLE, I AM MADE AN ENEMY

EH!?
YOU SEE, HIS SYMPTOMS ARE THE SAME AS WHAT I FELT WHEN I WAS IN THAT BAD CONDITION...
THE GUARD BEFORE ALSO MENTIONED THAT THE NUMBER OF SICK PEOPLE ON BOARD IS INCREASING ....
AND I REMEMBER, MR. OMURA HAD VOMITED YESTERDAY....
.....

NO...
HA HA HA...
SORRY!
I'M NOT A DOCTOR FOR HUMANS SO JUST FORGET WHAT I SAID!
HAHAHA!
YOU'RE REALLY INCREDIBLE TESSHO!
EH!?

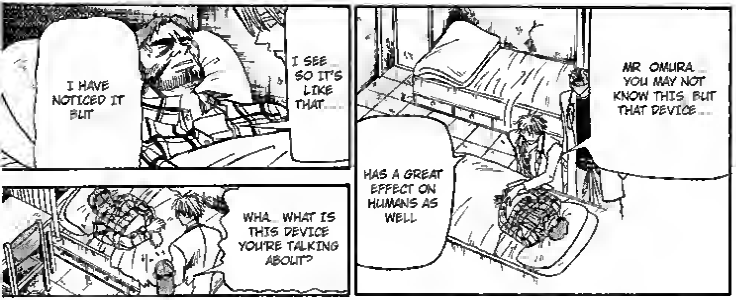


OMURA...
TELL ME HONESTLY
WITH THIS, THE PUZZLE IS SOLVED!!



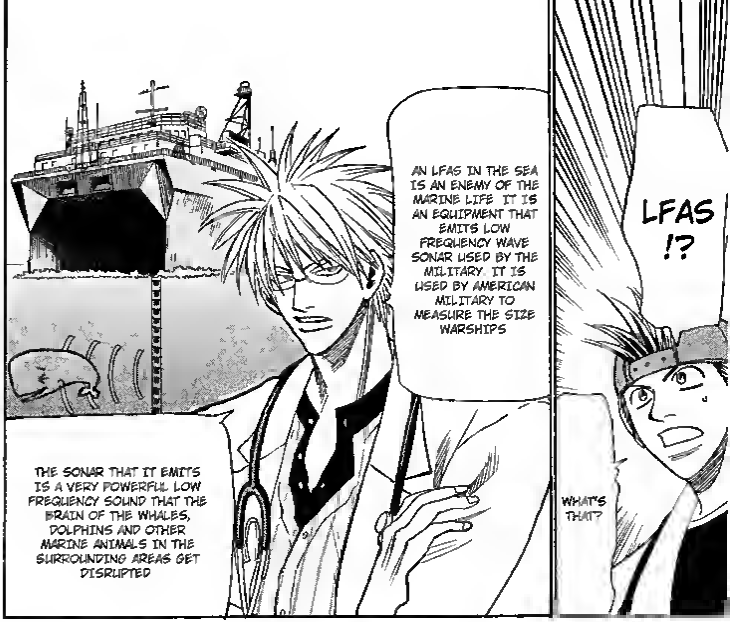
DID THIS BOAT
UNDERGO REPAIR CONSTRUCTION ?

TECH !
AS I'VE THOUGHT ...
MR. SHIRYOU ORDERED A DEVICE TO BE INSTALLED TO CREATE THE ASHORE WHALE INCIDENTS....
YES...



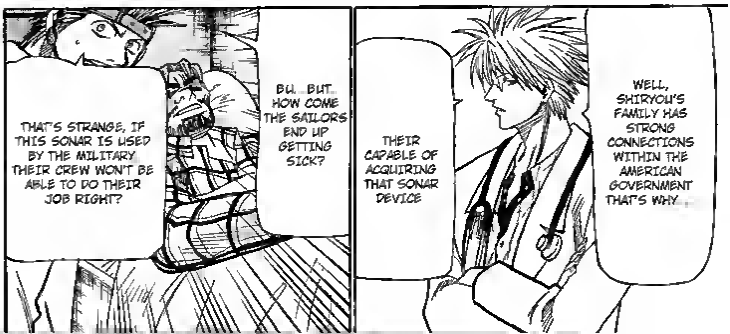
I HAVE NOTICED IT BUT
I SEE SO IT'S LIKE THAT....
MR. OMURA... YOU MAY NOT KNOW THIS BUT THAT DEVICE....
HAS A GREAT EFFECT ON HUMANS AS WELL
WHA... WHAT IS THIS DEVICE YOU'RE TALKING ABOUT?

IT'S LFAS!



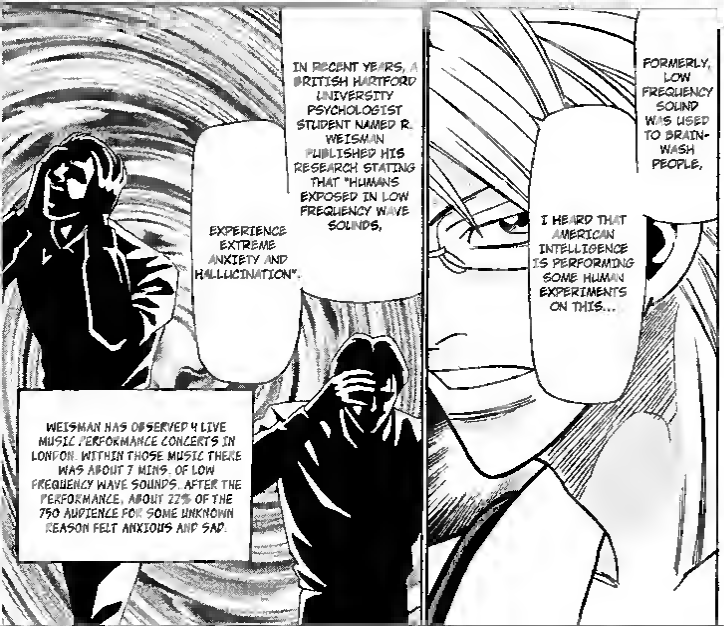
LFAS !?
WHAT'S THAT?
AN LFAS IN THE SEA IS AN ENEMY OF THE MARINE LIFE IT IS AN EQUIPMENT THAT EMITS LOW FREQUENCY WAVE SONAR USED BY THE MILITARY. IT IS USED BY AMERICAN MILITARY TO MEASURE THE SIZE WARSHIPS
THE SONAR THAT IT EMITS IS A VERY POWERFUL LOW FREQUENCY SOUND THAT THE BRAIN OF THE WHALES, DOLPHINS AND OTHER MARINE ANIMALS IN THE SURROUNDING AREAS GET DISRUPTED

SO ...YOU MEAN... SHIRYOU IS USING THAT DEVICE TO DISRUPT THE BRAINS OF THE WHALES AND CREATE THE ASHORE WHALE INCIDENTS!!
MOST LIKE-LY
WHAT A RASCAL..



WELL, SHIRYOU'S FAMILY HAS STRONG CONNECTIONS WITHIN THE AMERICAN GOVERNMENT THAT'S WHY...
THEIR CAPABLE OF ACQUIRING THAT SONAR DEVICE
BU...BUT.. HOW COME THE SAILORS END UP GETTING SICK?
THAT'S STRANGE, IF THIS SONAR IS USED BY THE MILITARY, THEIR CREW WON'T BE ABLE TO DO THEIR JOB RIGHT?

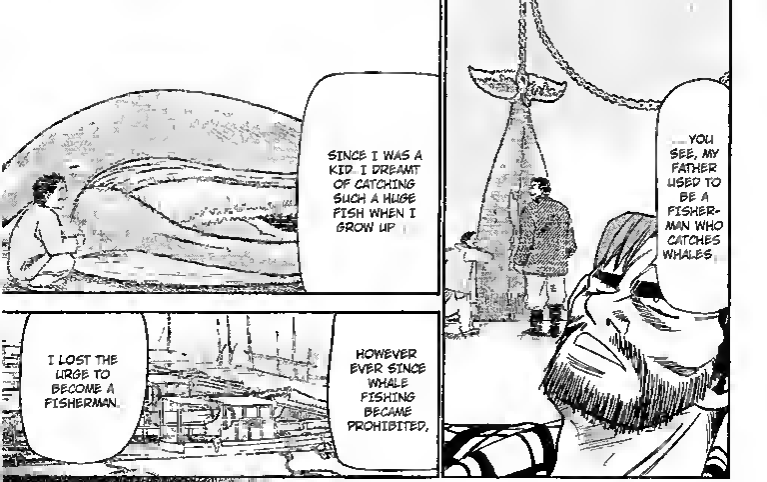
IT WAS DONE ON PURPOSE!
!
WHAT!?
PRO-BABLY
SO IT DOESN'T HAVE THE DEVICE THAT COUNTERACTS THE LOW FREQUENCY, OR PROBABLY
HOWEVER, THIS SHIP IS JUST A MERE FREIGHTER
OF COURSE IF IT'S A WARSHIP, THE CREW WILL BE FINE



IN RECENT YEARS, A BRITISH HARTFORD UNIVERSITY PSYCHOLOGIST STUDENT NAMED R. WEISMAN PUBLISHED HIS RESEARCH STATING THAT "HUMANS EXPOSED IN LOW FREQUENCY WAVE SOUNDS,
EXPERIENCE EXTREME ANXIETY AND HALLUCINATION".
WEISMAN HAS OBSERVED 4 LIVE MUSIC PERFORMANCE CONCERTS IN LONDON. WITHIN THOSE MUSIC THERE WAS ABOUT 7 MINS. OF LOW FREQUENCY WAVE SOUNDS. AFTER THE PERFORMANCE, ABOUT 22% OF THE 750 AUDIENCE FOR SOME UNKNOWN REASON FELT ANXIOUS AND SAD.
FORMERLY, LOW FREQUENCY SOUND WAS USED TO BRAIN-WASH PEOPLE.
I HEARD THAT AMERICAN INTELLIGENCE IS PERFORMING SOME HUMAN EXPERIMENTS ON THIS...

NO MATTER WHAT, THAT'S JUST...
NO!!
HEY RYO-TO
IN SHIRYOU'S CASE I DON'T THINK HE ONLY MADE HIS ROOM SOUNDPROOFED FOR THE SAKE OF CATCHING WHALES
THAT CONCLU-SION IS HIGHLY POSSIBLE ..!
IT'S MOST LIKELY THAT HE WANTS TO SEE WHAT WILL BE THE CHANGES IN THE CREWS ONBOARD

TO THINK THAT THEY WERE USING US A HUMAN SUBJECTS FOR THEIR EXPERIMENTS
LOOK AT THIS CRAPPY ROOM! THE SHIP IS OF FULL OF THESE!!
TAKING THE CREW INTO CONSIDERATION, THIS UNHYGIENIC PLACE IS UNACCEPTABLE!!
...!

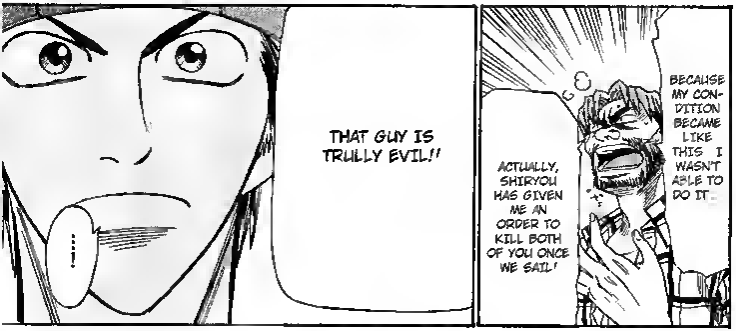


SINCE I WAS A KID I DREAMT OF CATCHING SUCH A HUGE FISH WHEN I GROW UP
...YOU SEE, MY FATHER USED TO BE A FISHERMAN WHO CATCHES WHALES.
I LOST THE URGE TO BECOME A FISHERMAN.
HOWEVER EVER SINCE WHALE FISHING BECAME PROHIBITED,

AND THEN~~~~
MIGHT AS WELL JOIN A COMPANY THAT GIVES HIGH SALARY, TO LIVE IN COMFORT I CHOOSE TO JOIN SIF.
SO MR. OMURA..

REALLY?
WELL YEAH..
YOUR FATHER WAS GOOD AT CAPTURING WHALES ISN'T IT
THEN, I'LL EXPECT THAT YOU'LL TELL ME EVERYTHING ABOUT IT
OF COURSE YOU'LL BE COMPENSATED WELL FOR YOUR EFFORT
YE YES
OF COURSE IF YOU REFUSE, YOU'LL BE FIRED,
FOR YOUR MOTHER'S SAKE THERE IS NO ROOM FOR YOU TO HESITATE...
YOU'RE TAKING CARE OF YOUR OLD MOTHER NOW AND IN NEED OF MONEY RIGHT?
DON'T YOU THINK THIS IS FOR YOUR OWN BENEFITS~~~
SHI SHI SHI SHI SHI SHI
.....
THAT'S HOW I END UP ACCEPTING SHIRYOU'S PROPOSAL

YOU SEE, THAT MAN, WHETHER HUMANS OR COMPANIES, HE'S CAPABLE TO TAKING ADVANTAGE OF THEIR WEAKNESSES...



THAT GUY IS TRULLY EVIL!!
...!
ACTUALLY, SHIRYOU HAS GIVEN ME AN ORDER TO KILL BOTH OF YOU ONCE WE SAIL!
BECAUSE MY CONDITION BECAME LIKE THIS I WASN'T ABLE TO DO IT...

H... HEY WAIT...
TOGETHER, LET'S ESCAPE FROM THIS SHIP
THIS SHIP IS STILL DOCKED AT THE PORT SO WE'LL STILL MAKE IT!
HEY YOU TWO DON'T SAY ANYTHING BAD,

JUST WAIT A MINUTE!
YOU, WHAT DO PLAN ON DOING...
A COMPANION OUTSIDE! ESCAPE FROM THIS SHIP RIGHT NOW AND ASK FOR HER HELP TO GET A CAR AND GO TO THE HOSPITAL!
GOT IT!?

ISN'T IT OBVIOUS!
WE'LL GO TO CRUSH SHIRYOU!!

NO.

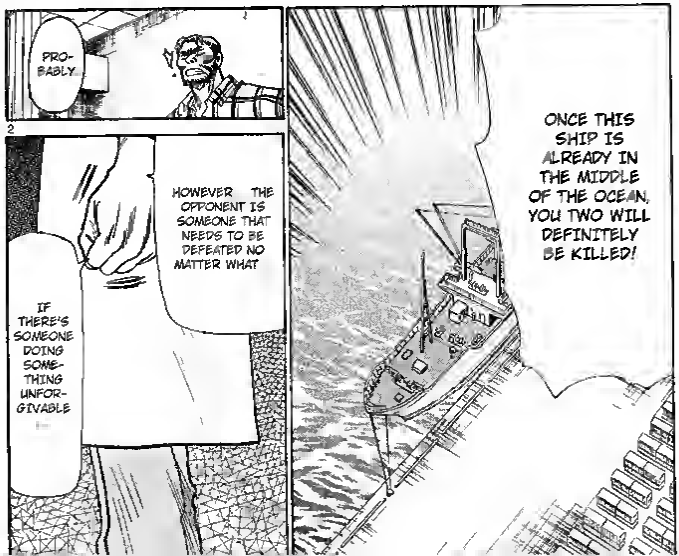
CHAPTER 52:
"MEANINGLESS KILLING"

I HAVE JUST TOLD YOU THAT SHIRYOU IS A NOTORIOUS GUY!!
CRU... YOU'LL CRUSH HIM...
EVEN IF I WON'T BE BOTHERING YOU TWO ANYMORE THE PROBLEM IS THAT THIS BOAT IS GONNA SAIL ANYTIME SOON
WE DON'T HAVE A CHOICE BUT TO ESCAPE NOW!

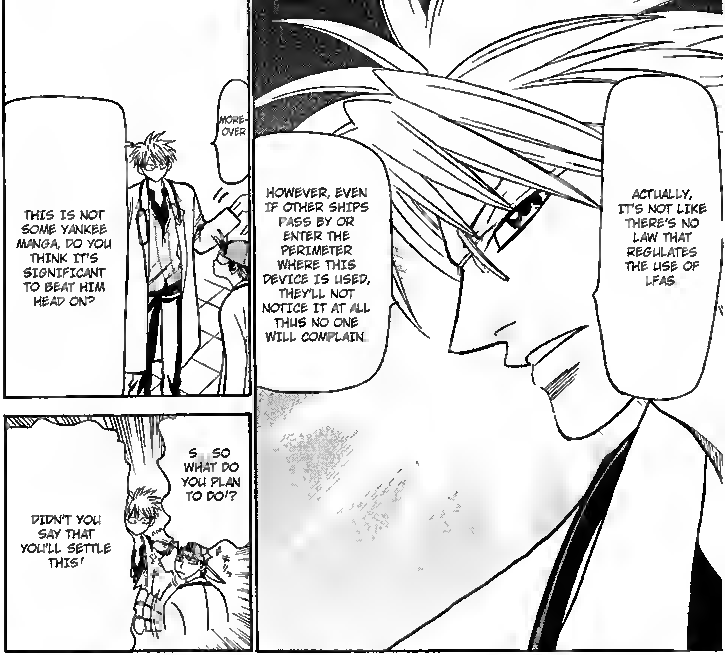


PRO-BABLY...
2
HOWEVER THE OPPONENT IS SOMEONE THAT NEEDS TO BE DEFEATED NO MATTER WHAT
IF THERE'S SOMEONE DOING SOME-THING UNFOR-GIVABLE
ONCE THIS SHIP IS ALREADY IN THE MIDDLE OF THE OCEAN, YOU TWO WILL DEFINITELY BE KILLED!

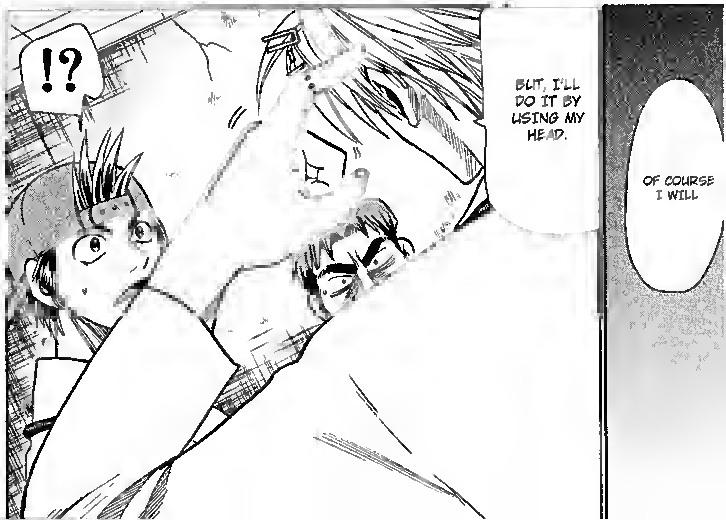
EVEN IF IT WOULD COST US OUR LIVES, WE'LL STAND AGAINST HIM!!
!!
THESE GUYS ARE!!

I WON'T DIE FOR SOME-THING LIKE THAT
RIGHT RYOTO!
EH?

EVEN IF WE BEAT SHIRYOU IT'S MEANINGLESS IF WE'RE KILLED...
WELL, YOU SEE
HUH? WHY!

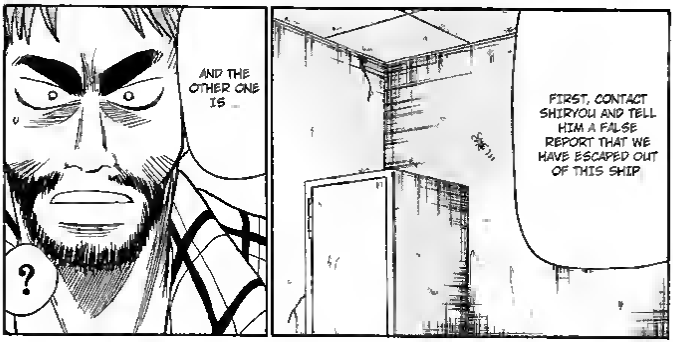


ACTUALLY, IT'S NOT LIKE THERE'S NO LAW THAT REGULATES THE USE OF LFAS
HOWEVER, EVEN IF OTHER SHIPS PASS BY OR ENTER THE PERIMETER WHERE THIS DEVICE IS USED, THEY'LL NOT NOTICE IT AT ALL THUS NO ONE WILL COMPLAIN.
MORE-OVER
THIS IS NOT SOME YANKEE MANGA, DO YOU THINK IT'S SIGNIFICANT TO BEAT HIM HEAD ON?
S...SO WHAT DO YOU PLAN TO DO!?
DIDN'T YOU SAY THAT YOU'LL SETTLE THIS!

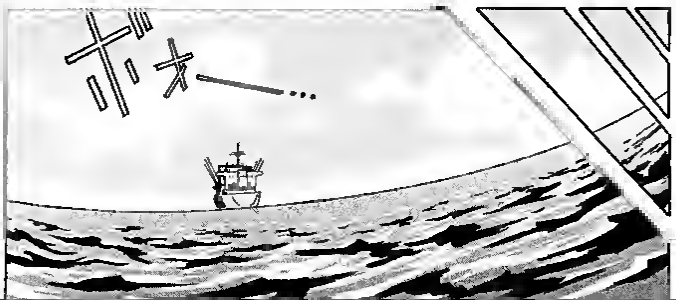


OF COURSE I WILL
BUT, I'LL DO IT BY USING MY HEAD.
!?

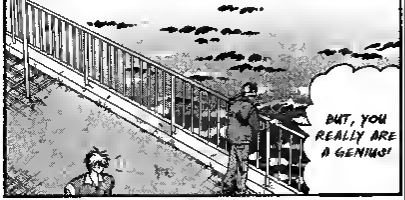
FROM THIS POINT, NOTIFY OUR COLLEAGUE OUTSIDE AND TOGETHER GO TO THE HOSPITAL
MR. OMURA
BUT BEFORE THAT, I HAVE 2 FAVORS TO ASK YOU
WHAT IS IT?



FIRST, CONTACT SHIRYOU AND TELL HIM A FALSE REPORT THAT WE HAVE ESCAPED OUT OF THIS SHIP
AND THE OTHER ONE IS...
?



ボォー...

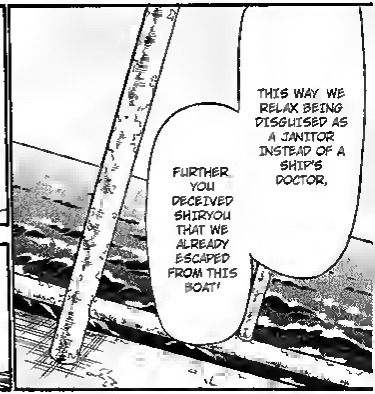


BUT, YOU REALLY ARE A GENIUS!

AHH. IT'S HOT ON THIS SHIP...
YEAH

TO BORROW SOME JANITOR'S UNIFORM FROM MR OMURA!
YOU REALLY THOUGHT OF A VERY GOOD IDEA!

THIS TIME, WE'LL BEAT SHIRYOU RIGHT?
NOPE. WE'RE NOT GONNA BEAT HIM
LIKE I SAID, WE'LL BE NOT YANKEES



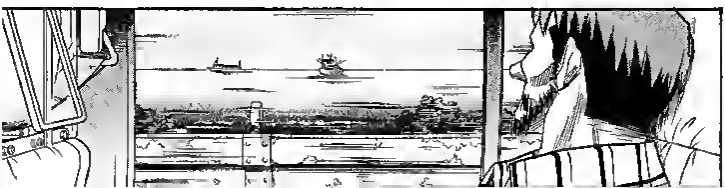
THIS WAY WE RELAX BEING DISGUISED AS A JANITOR INSTEAD OF A SHIP'S DOCTOR.
FURTHER YOU DECEIVED SHIRYOU THAT WE ALREADY ESCAPED FROM THIS BOAT!

EHH... S...SO WHAT DO YOU PLAN TO DO!?
HOW MANY TIME ARE YOU GONNA SAY THE SAME LINES

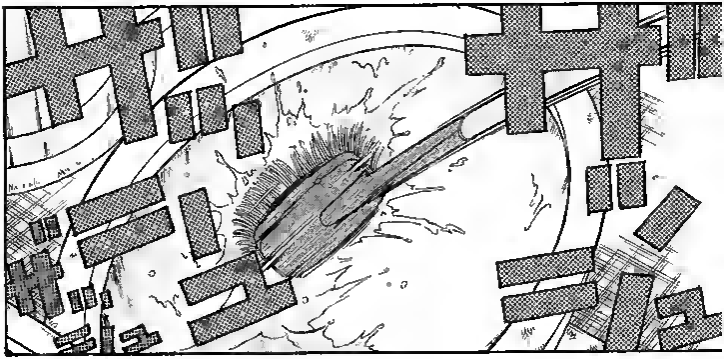
IT'S ALREADY BEEN DECIDED, WE'LL BE DOING A THOROUGH CLEANING OF THIS PLACE!
CLEANER

FOR THE PURPOSE OF DEFEATING SHIRYOU.
SOAP!?
SORRY FOR TROUBLING YOU, YOUNG LADY
DOING THIS FOR MY SAKE...

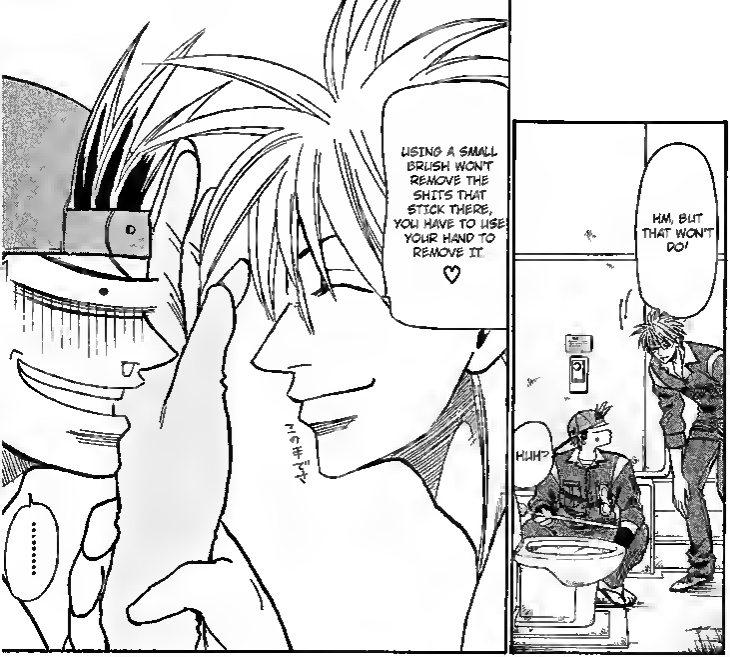
IT'S FINE, IF THERE'S SOMEONE SUFFERING, I CAN'T JUST LEAVE WITHOUT DOING ANYTHING.
!
ANYWAYS ARE YOU IN PAIN SIR?
MR. DRIVER HOW LONG WILL IT TAKE BEFORE WE REACH THE HOSPITAL
UHMM, ABOUT 10 TO 15 MINUTES
FUU
THESE GUYS ARE REALLY SOMETHING...



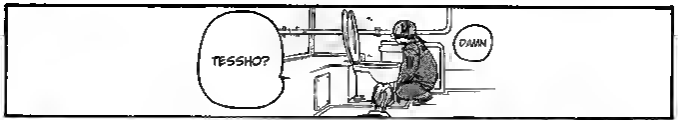
I TOO WILL MAKE A FRESH START



I LOOK AT THE OTHER ROOMS AND HERE YOU ARE DILIGENTLY CLEANING THIS PLACE ♡
……
WELL WELL~~~ YOU'RE WORKING HARD TESSHO
8
THE OTHER SAILORS WILL REALLY BE THANKFUL TOWARDS YOU
……



USING A SMALL BRUSH WON'T REMOVE THE SHITS THAT STICK THERE, YOU HAVE TO USE YOUR HAND TO REMOVE IT ♡
マジデ
……
HM, BUT THAT WON'T DO!
HUH?



TESSHO?
DAMN

MOREOVER, YOUR NOT EVEN HELPING ME,
IS THERE EVEN A PURPOSE FOR DOING THIS!!
I CAN'T TAKE THIS ANYMORE!! WHY DO I HAVE TO CLEAN THE SHITS IN THE TOILETS OF THIS SHIP!?
DAMN IT!!

はあはあはあはあ
"BREATHING HEAVILY"
ORIGINALLY WE CAME HERE TO FIND SOME EVIDENCE THAT SHIRYOU IS USING THE LFAS DEVICE TO CREATE THE ASHORE WHALE INCIDENTS RIGHT!?
HAVE YOU REALLY BEEN THINKING ABOUT THIS!?
HAVE YOU CALMED DOWN?
A LITTLE
SLEEK

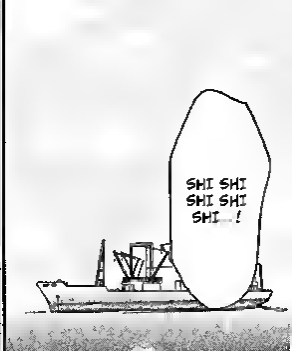
ジロー
IT'S ALRIGHT, I HAVE TAUGHT OF A REALLY GOOD PLAN
WELL THEN, NEXT, CLEAN THE DINING HALL

YOU HAVE TO BE PATIENT AND WORK HARD TESSHO!
I KNOW IT'S HARD BUT YOU HAVE TO PERSEVERE
ALRIGHT

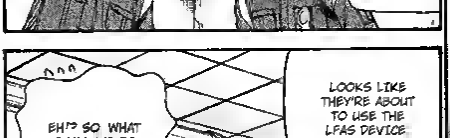
WE'VE REACHED THE TARGET LOCATION!
SEVERAL DAYS LATER
SHI SHI SHI...
MR. SHERYOU!!

WHALES!!
FROM THIS POINT ON, THE FUN-FILLED HUNT WILL BEGIN! WHETHER IT'S ONE OR MANY,
WE'LL MAKE THEM SUFFER 'TILL DEATH!

.....
HEY LOOKS LIKE THIS SHIP HAS STOPPED



SHI SHI SHI SHI...!



LOOKS LIKE THEY'RE ABOUT TO USE THE LFAS DEVICE
EH!? SO WHAT SHALL WE DO RYOTO!

WE WON'T DO ANYTHING.

NO-THING
スタ・スタ・スタ・

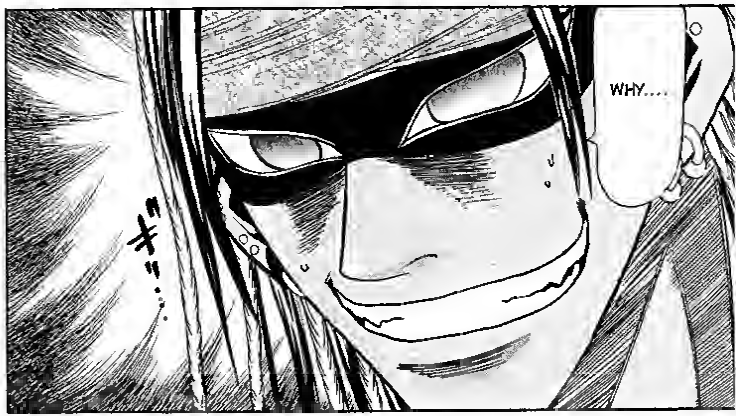
12

LIKE I SAID.
WE'LL JUST LEAVE IT BE.
HUH!?
WHAT ARE YOU SAYING RYOTO!?

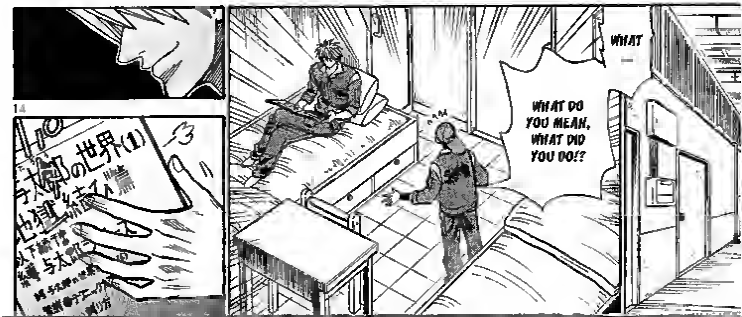
WAIT!
YOU'LL STAY HERE
NEVER MIND! EVEN IF YOU THINK IT'S USELESS, I'LL GO AND STOP THAT MAN BY MYSELF—
H!!
I'VE MIS-JUDGED YOU RYOTO!
EVEN IF WE DON'T DO ANYTHING NOW—
RELAX TESSHO
SHUT UP! AT THIS RATE, BECAUSE OF SHIRYOU...

SHIRYOU WON'T BE ABLE TO USE THAT LFAS!
EH....!?

HURRY AND FIND WHAT'S CAUSING THIS!
WHAT'S THIS, HOW COME THE DEVICE IS MALFUNC-TIONING....
ドドドド
77

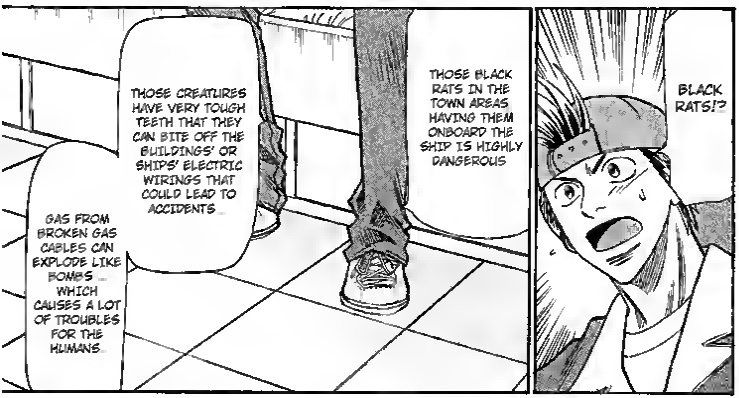


WHY....
キッ...

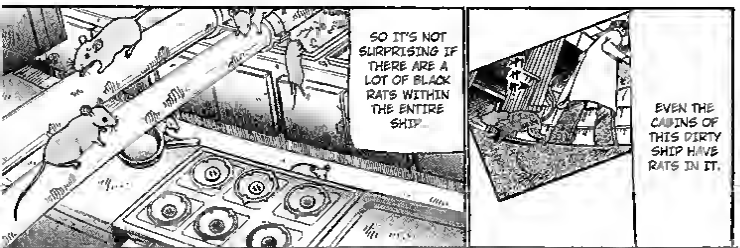


WHAT
WHAT DO YOU MEAN, WHAT DID YOU DO!?
14

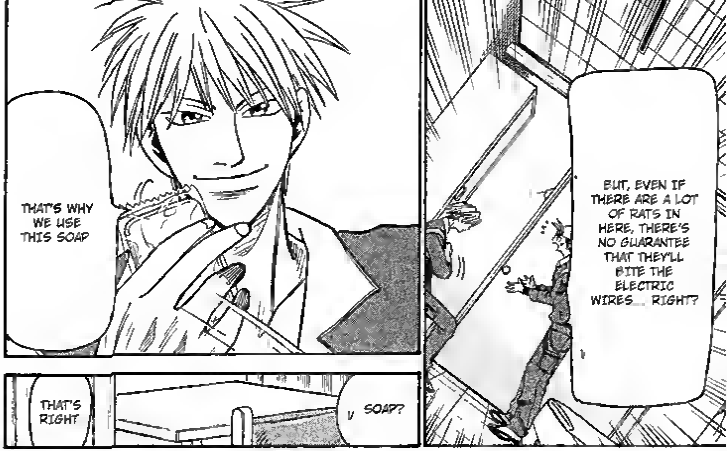
THE ELECTRIC WIRINGS HAVE BEEN BITTEN OFF
BY THE BLACK RATS!



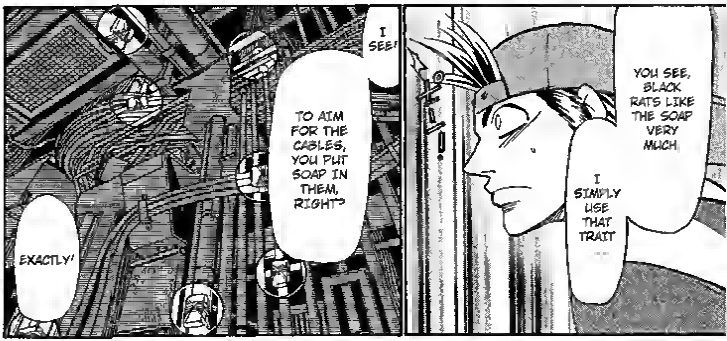
BLACK RATS!?
THOSE BLACK RATS IN THE TOWN AREAS HAVING THEM ONBOARD THE SHIP IS HIGHLY DANGEROUS
THOSE CREATURES HAVE VERY TOUGH TEETH THAT THEY CAN BITE OFF THE BUILDINGS' OR SHIPS' ELECTRIC WIRINGS THAT COULD LEAD TO ACCIDENTS
GAS FROM BROKEN GAS CABLES CAN EXPLODE LIKE BOMBS WHICH CAUSES A LOT OF TROUBLES FOR THE HUMANS



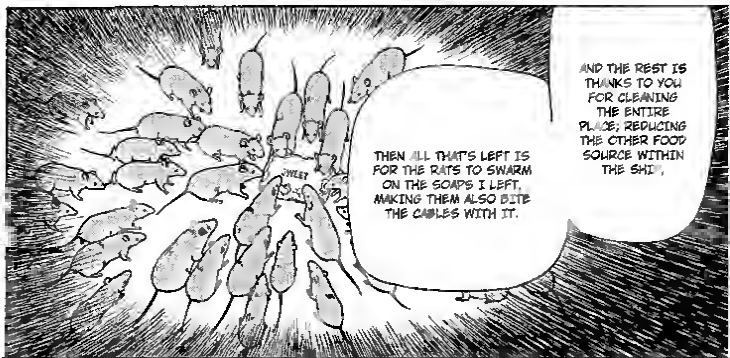
SO IT'S NOT SURPRISING IF THERE ARE A LOT OF BLACK RATS WITHIN THE ENTIRE SHIP
EVEN THE CABINS OF THIS DIRTY SHIP HAVE RATS IN IT.



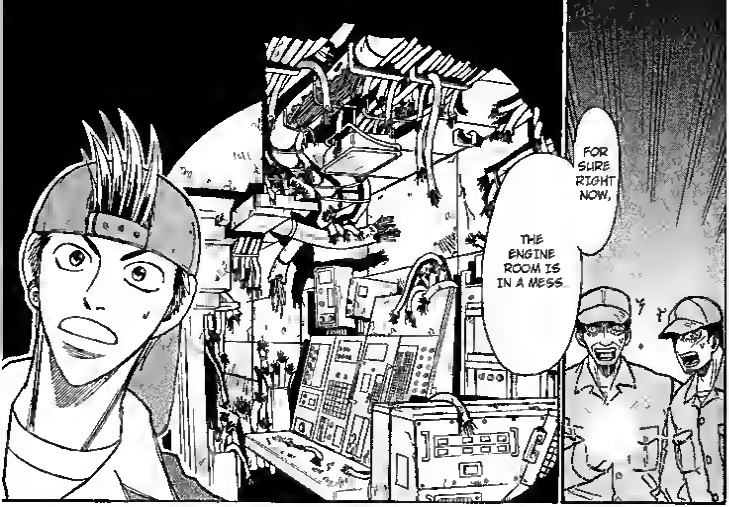
THAT'S WHY WE USE THIS SOAP
BUT, EVEN IF THERE ARE A LOT OF RATS IN HERE, THERE'S NO GUARANTEE THAT THEY'LL BITE THE ELECTRIC WIRES... RIGHT?
THAT'S RIGHT
SOAP?



I SEE!
TO AIM FOR THE CABLES, YOU PUT SOAP IN THEM, RIGHT?
EXACTLY!
YOU SEE, BLACK RATS LIKE THE SOAP VERY MUCH.
I SIMPLY USE THAT TRAIT



AND THE REST IS THANKS TO YOU FOR CLEANING THE ENTIRE PLACE; REDUCING THE OTHER FOOD SOURCE WITHIN THE SHIP.
THEN ALL THAT'S LEFT IS FOR THE RATS TO SWARM ON THE SOAPS I LEFT, MAKING THEM ALSO BITE THE CABLES WITH IT.
CHEEK

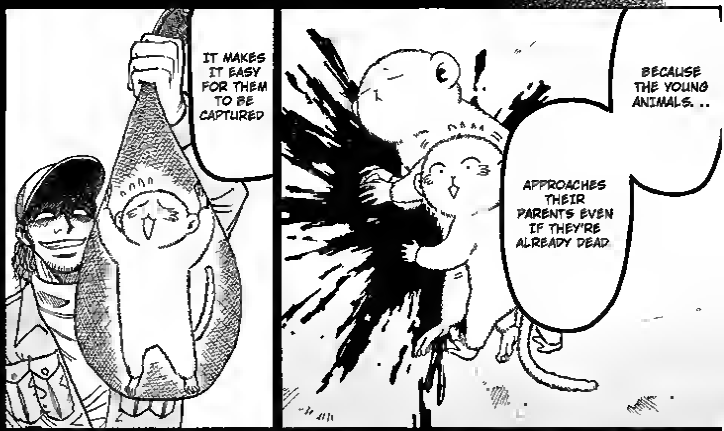


FOR SURE RIGHT NOW,
THE ENGINE ROOM IS IN A MESS

FINALLY, I WAS ABLE TO HIT HIM HARD THIS TIME ....
EVEN IF IT'S SHIRYOU, I DON'T THINK HE'S CAN PURCHASE MILITARY SONAR FOR SEVERAL TIMES------
WOW! THAT'S AWESOME RYOTO, SUCH PERFECT PLANNING!!
WELL THANKS

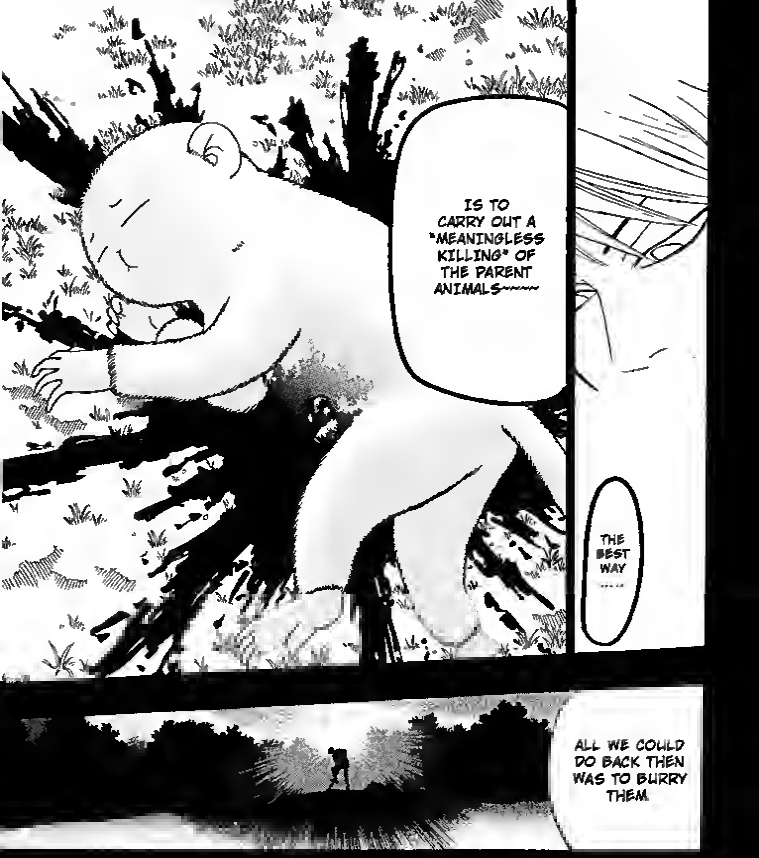
IT'S VERY SIMPLE ACTUALLY....
HUH... NOPE ....?
DO YOU KNOW WHAT'S THE MOST EFFICIENT POACHING METHOD USED TO CATCH ANIMALS THAT ARE SOLD AS PETS?
HEY TES-SHO ....
HM?

SEVERAL YEARS AGO, I WAS PART OF THE NATIONAL ANIMAL SMUGGLING CONTROL ASSOCIATION.
SO... YOU WERE TARGETED AGAIN...
KILL THE TARGETS' PARENTS.
!



IT MAKES IT EASY FOR THEM TO BE CAPTURED
BECAUSE THE YOUNG ANIMALS...
APPROACHES THEIR PARENTS EVEN IF THEY'RE ALREADY DEAD.

.....
AND THEN SOLD THEM TO JAPAN AND OTHER ADVANCE COUNTRIES AS PETS
SO FOR THE POACHERS TO EASILY CAPTURE THE SCARED YOUNG ANIMALS,

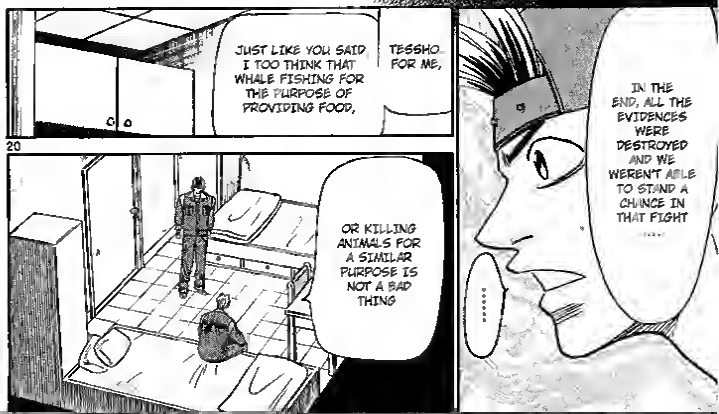


IS TO CARRY OUT A "MEANINGLESS KILLING" OF THE PARENT ANIMALS~~~~
THE BEST WAY ....
ALL WE COULD DO BACK THEN WAS TO BURRY THEM.

BUT ...
AND I FOUND OUT THAT THE CAPTURED ANIMALS ARE BEING TAKEN TO THE SHIPPING COMPANY "SIF" AND ARE SMUGGLED AND SOLD TO THE ADVANCE COUNTRIES SUCH AS JAPAN
SO I DID EVERYTHING I COULD TO FIND OUT WHERE THE CAPTURED ANIMALS ARE TAKEN.
....BUT I COULDN'T TOLERATE SUCH ACTS.

DO YOU HAVE ANY TANGIBLE EVIDENCE?
DR. RYOTO!

THAT'S JUST HOW IT IS——

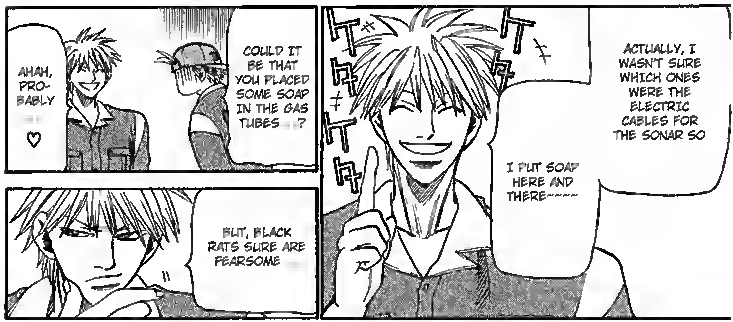


IN THE END, ALL THE EVIDENCES WERE DESTROYED AND WE WEREN'T ABLE TO STAND A CHANCE IN THAT FIGHT
.....
.....
TESSHO FOR ME, JUST LIKE YOU SAID, I TOO THINK THAT WHALE FISHING FOR THE PURPOSE OF PROVIDING FOOD,
OR KILLING ANIMALS FOR A SIMILAR PURPOSE IS NOT A BAD THING

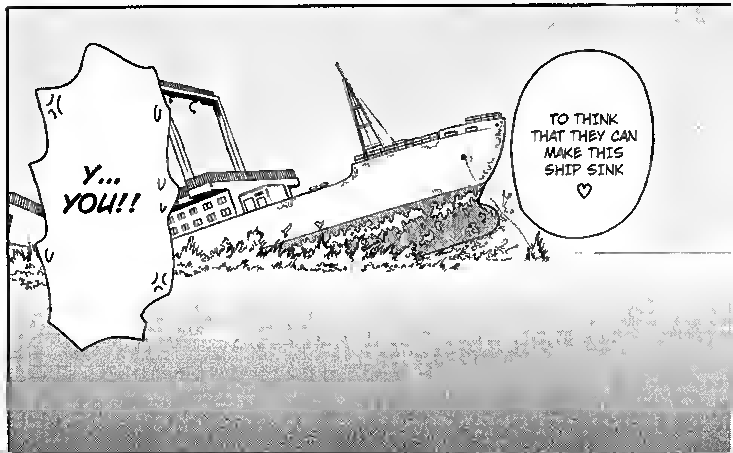
BUT, I DEFINITELY CANNOT AGREE TO "MEANINGLESS KILLING"!
IT'S NOT JUST SHIRYOU, THE AMERICA WHO'S AGAINST THE WHALE FISHING HERE IN JAPAN IS CURRENTLY USING LFAS,
THAT DOESN'T DISCRIMINATE WHETHER ITS WHALE OR DOLPHIN, IT WILL MESS UP THEIR BRAINS AND MAKE THEM SUFFER

THAT'S HOW IT IS TESSHO
THOSE ARE THE THINGS I CANNOT FORGIVE
FROM NOW ON WILL YOU FIGHT THESE THINGS TOGETHER WITH ME?
.....
SURE!
COUNT ME IN..

ズズズ...
EH...!? WHAT... WHAT WAS THAT!?
ズズン...
THIS IS AN EMERGENCY~~~~ THERE WAS A GAS EXPLOSION WITHIN THE SHIP!
I REPEAT THERE WAS A GAS EXPLOSION WITHIN THE SHIP!
OH. NO



ACTUALLY, I WASN'T SURE WHICH ONES WERE THE ELECTRIC CABLES FOR THE SONAR SO
I PUT SOAP HERE AND THERE~~~~
COULD IT BE THAT YOU PLACED SOME SOAP IN THE GAS TUBES...!?
AHAH, PROBABLY ♡
BUT, BLACK RATS SURE ARE FEARSOME



TO THINK THAT THEY CAN MAKE THIS SHIP SINK ♡
Y... YOU!!

NO.

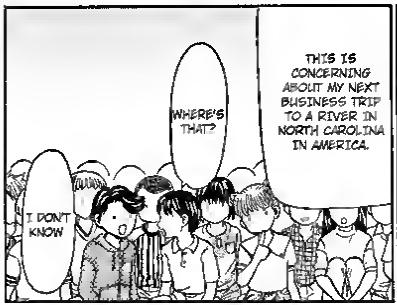
コンテスト!
ALRIGHT, I'LL GIVE MY BEST SHOT!
OK EVERYONE, I'M THE 28TH PARTICIPANT, HISATAKA KURACHI

SHOULD I TELL A STORY ABOUT IRAQ... I HAD A LOT OF PAINFUL MEMORIES THERE...
BUT I GUESS, I SHOULD JUST TELL SOMETHING ABOUT MY NEXT JOB...

OHH, IT'S KURACHI!
YOU'VE BUILD UP YOUR BODY QUITE WELL!!



THIS IS CONCERNING ABOUT MY NEXT BUSINESS TRIP TO A RIVER IN NORTH CAROLINA IN AMERICA.
WHERE'S THAT?
I DON'T KNOW

YEAH------ WELL
ACTUALLY, I'M FEELING REALLY SCARED RIGHT NOW...

NORTH CAROLINA RIVERS
ACTUALLY, THERE IS FEARSOME MICROBE THAT EXISTS IN THERE...
YOU MAY NOT KNOW ABOUT THIS BUT...

TN: PFIESTERIA PISCICIDA IS A DINOFLAGELLATE SPECIES OF THE GENUS PFIESTERIA THAT SOME RESEARCHERS CLAIM IS RESPONSIBLE FOR MANY HARMFUL ALGAL BLOOMS IN THE 1980S AND 1990S ON THE COAST OF NORTH CAROLINA AND MARYLAND. THE SPECIES NAME

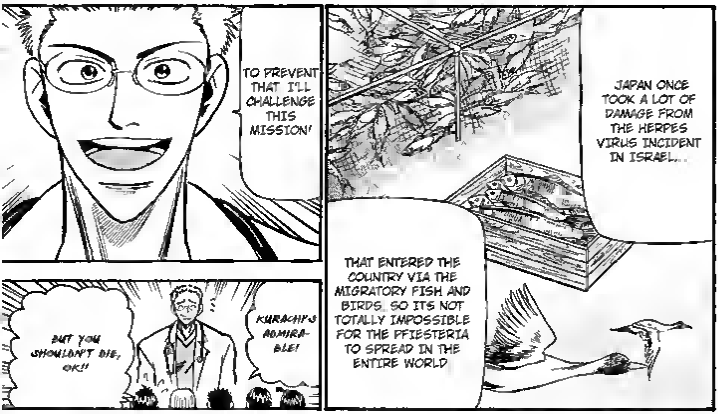
THAT CONTAMINATES OCEANS AND RIVERS
WELL, IT'S A LITTLE BIT DIFFICULT, BUT THIS CREATURE IS BOTANICAL PLANKTON ALSO KNOWN AS PHYTOFLAGELLATES THAT RELEASES TOXIN...
WHAT A WEIRD NAME ~~
PFIE-PFIE PI..?

BIL-LIONS !
I'LL BE GOING THERE TO INVESTIGATE THE OUTBREAK OF PFIESTERIA IN PAMLICO RIVER
THAT IS CAUSING THE DEATH OF BILLIONS OF FISHES

MOREOVER, THIS CREATURE HAS INFECTED THE RESEARCHERS STUDYING IT.
THERE HAVE BEEN ALSO INCIDENTS OF DEATH OF RESEARCHERS AND FISHERMEN IN THAT AREA DUE TO THIS OUTBREAK

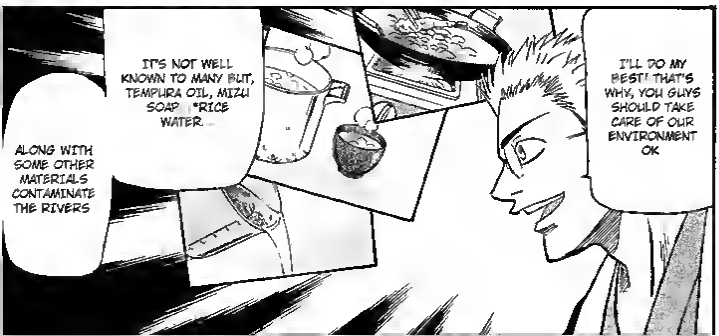
PROBABLY
EHH...
SO KUIRACHI MIGHT DIE THERE?
14
THERE IS YET NO EFFECTIVE TREATMENT TO THE SERIOUS CASES
RIGHT NOW THE MEDICINE "CHOLESTYRAMINE" IS GIVEN TO PATIENTS THAT ARE IN THE EARLY STAGE OF INFECTION BUT...
THIS MICROBE IS AIR-BORNE SO YOU CAN GET INFECTED BY SIMPLY BREATHING THE AIR WITH IT

THAT'S WHY I'M REALLY FEELING SCARED RIGHT NOW
WITHOUT REALIZING IT, I MIGHT INHALE AN INFECTED AIR SO THERE IS NO GUARANTEE THAT I WON'T DIE IN THIS MISSION
BUT... I WON'T ABANDON THIS MISSION!



TO PREVENT THAT I'LL CHALLENGE THIS MISSION!
JAPAN ONCE TOOK A LOT OF DAMAGE FROM THE HERPES VIRUS INCIDENT IN ISRAEL...
THAT ENTERED THE COUNTRY VIA THE MIGRATORY FISH AND BIRDS. SO IT'S NOT TOTALLY IMPOSSIBLE FOR THE PFIESTERIA TO SPREAD IN THE ENTIRE WORLD
BUT YOU SHOULDN'T DIE, OK!!
KURACHI'S ADMIRABLE!

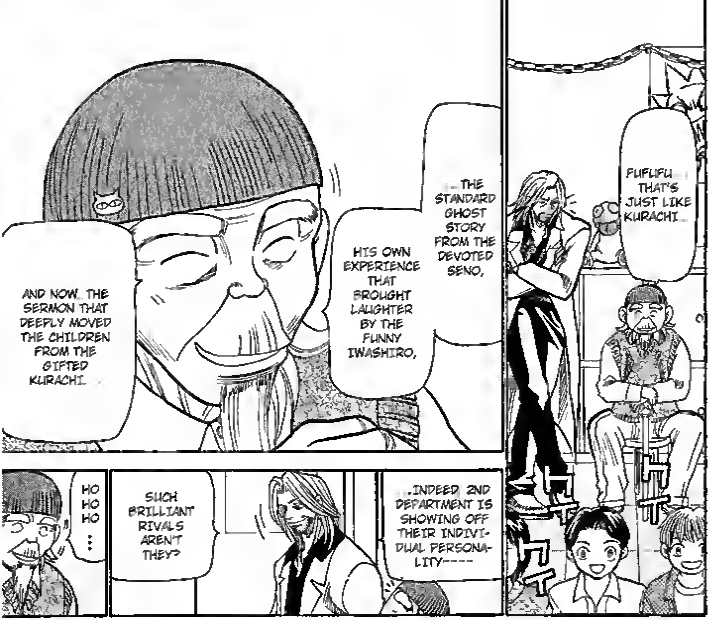
T/N: RICE WATER = WATER USED TO WASH RICE



IT'S NOT WELL KNOWN TO MANY BUT, TEMPURA OIL, MIZU SOAP *RICE WATER...
ALONG WITH SOME OTHER MATERIALS CONTAMINATE THE RIVERS
I'LL DO MY BEST! THAT'S WHY, YOU GUYS SHOULD TAKE CARE OF OUR ENVIRONMENT OK

SO TO PREVENT HAVING OUTBREAKS OF THESE FEARSOME PLANKTONS
EVERY INDIVIDUAL SHOULD AVOID HAVING LEFTOVER FOOD LESSEN THE QUANTITY OF DETERGENTS USED,
AND START THINKING OF PROTECTING OUR ENVIRONMENT!
.....

OKAY! THANK YOU!
THAT'S WHY DON'T DIE KURACHI!!
ME TOO!!
I WON'T LEAVE ANY LEFTOVERS ANYMORE!



AND NOW, THE SERMON THAT DEEPLY MOVED THE CHILDREN FROM THE GIFTED KURACHI...
HIS OWN EXPERIENCE THAT BROUGHT LAUGHTER BY THE FUNNY IWASHIRO,
...THE STANDARD GHOST STORY FROM THE DEVOTED SENO,
FUFUFU... THAT'S JUST LIKE KURACHI...
HO HO HO...
SUCH BRILLIANT RIVALS AREN'T THEY?

HOWEVER

HELLO, SORRY FOR BEING LATE!
MOST PROBABLY...
NO MATTER HOW THE OTHERS DO THEIR BEST... THE WINNER AGAIN THIS YEAR IS MOST LIKELY THAT MAN...

I'M THE 20TH PARTICIPANT RYOTO!
WHAT'S WITH THE SUPERB CLIMAX...

OK, I'LL ONLY SHOW IT ONCE.
IF YOU MISS IT, YOU'RE OUT, ALRIGHT.

LAST MONTH, SHE HAD HER 100TH BIRTHDAY!
LAST YEAR, I SHOWED YOU MY FATHER'S PHOTO.
THIS YEAR, IT WILL BE EVEN MORE AMAZING.

HOWEVER... HE DOESN'T HAVE ANY VACATION LEAVES ANYMORE.

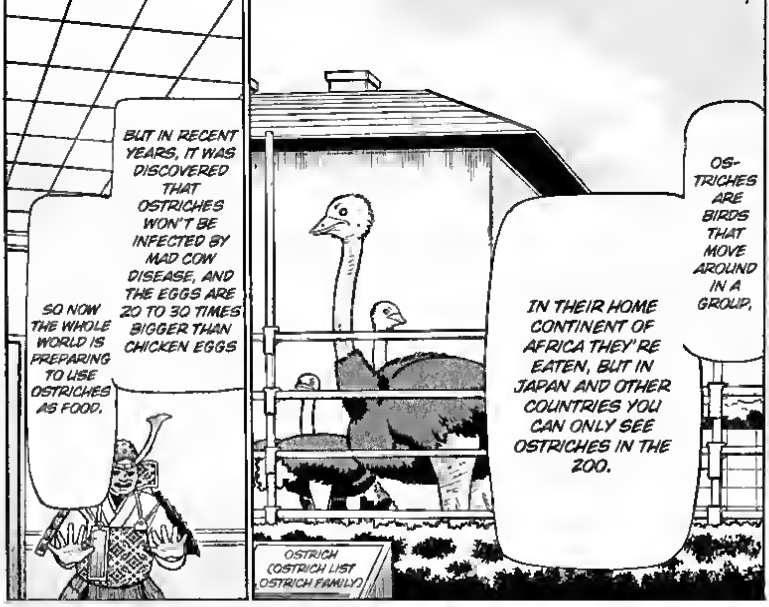
Chapter 54

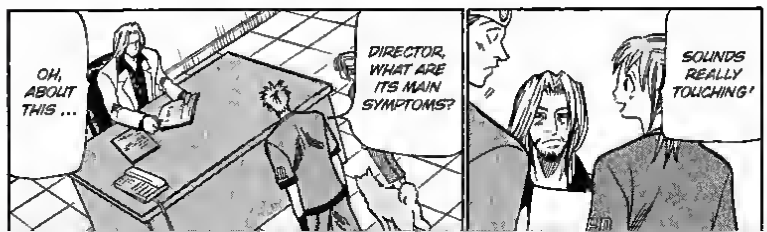
Comrade? Yukie?

YES.
OS-TRICH ?
I UNDER-STAND.
NO...NO PROBLEM, BUT I....
THE CHAIRMAN'S FRIEND RAISED AN OSTRICH AS A PET.
LATELY IT HAS LOST ITS APPETITE, AFFECTING ITS HEALTH.
PLEASE GO OVER TO TREAT IT EARLY TOMORROW MORNING.
YOU WANT TO SAY THAT YOU HAVE NO KNOWLEDGE ABOUT OSTRICHES, RIGHT?
UH... YEAH.



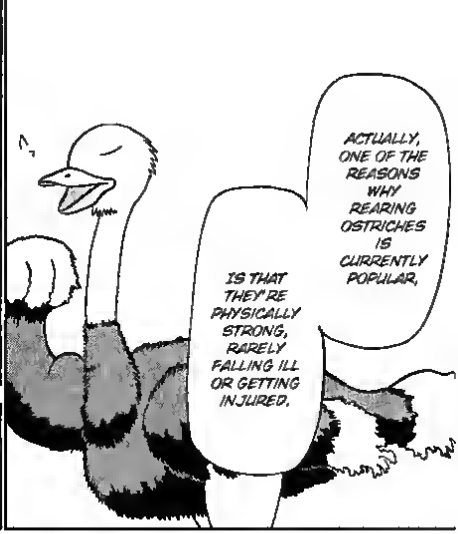
OSTRICHES ARE BIRDS THAT MOVE AROUND IN A GROUP.
IN THEIR HOME CONTINENT OF AFRICA THEY'RE EATEN, BUT IN JAPAN AND OTHER COUNTRIES YOU CAN ONLY SEE OSTRICHES IN THE ZOO.
OSTRICH (OSTRICH LIST OSTRICH FAMILY)
BUT IN RECENT YEARS, IT WAS DISCOVERED THAT OSTRICHES WON'T BE INFECTED BY MAD COW DISEASE, AND THE EGGS ARE 20 TO 30 TIMES BIGGER THAN CHICKEN EGGS
SO NOW THE WHOLE WORLD IS PREPARING TO USE OSTRICHES AS FOOD.

THE CHAIRMAN'S FRIEND IS ALSO ONE OF THEM, I HEARD INITIALLY HE RAISED THEM LIKE CHICKENS,
BUT OSTRICHES ARE CREATURES THAT GET CLOSE TO HUMANS EASILY, SO IN THE END HE DEVELOPED A STRONG AFFECTION FOR THEM
NOT JUST FARMS SELLING OSTRICH MEAT,
BUT ALSO BUYING THE EGGS, MEANING THAT MORE PEOPLE ARE BUYING OSTRICHES TO RAISE THEM INSTEAD OF CHICKENS
OH ....

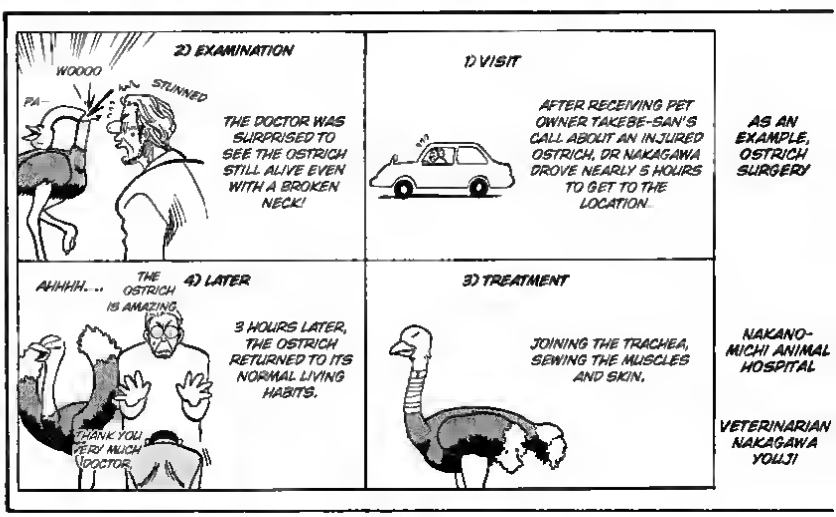


OH, ABOUT THIS ...
DIRECTOR, WHAT ARE ITS MAIN SYMPTOMS?
SOUNDS REALLY TOUCHING!

ONCE THERE WAS A CASE, AN OSTRICH WITH A BROKEN NECK WAS CURED AND SAVED.
BROKEN NECK?

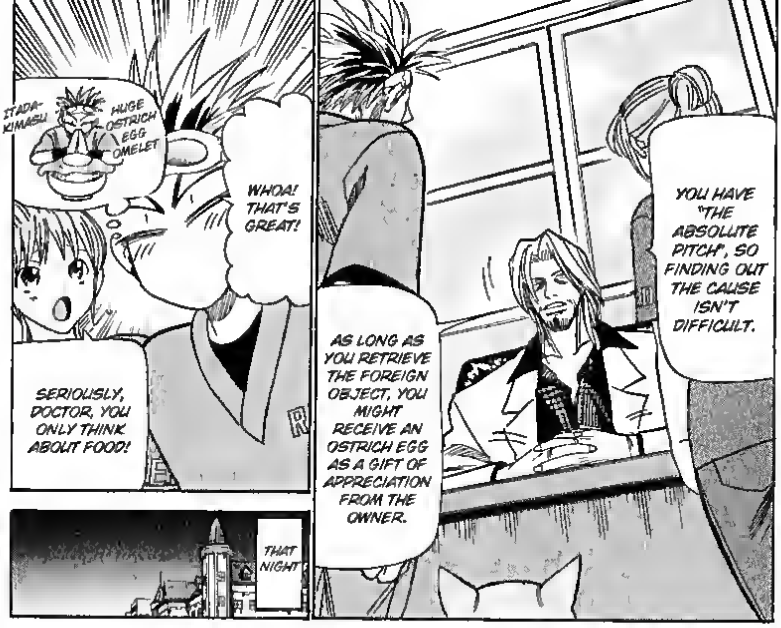


ACTUALLY, ONE OF THE REASONS WHY REARING OSTRICHES IS CURRENTLY POPULAR,
IS THAT THEY'RE PHYSICALLY STRONG, RARELY FALLING ILL OR GETTING INJURED.

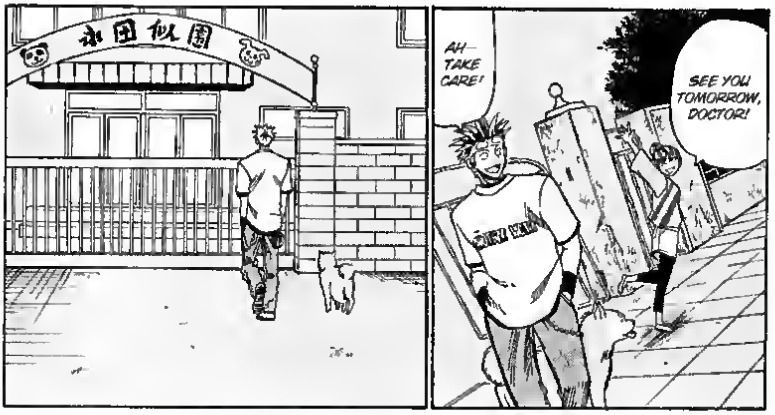


2) EXAMINATION
WOOOO
PA—
STUNNED
THE DOCTOR WAS SURPRISED TO SEE THE OSTRICH STILL ALIVE EVEN WITH A BROKEN NECK!
1) VISIT
AFTER RECEIVING PET OWNER TAKEBE-SAN'S CALL ABOUT AN INJURED OSTRICH, DR NAKAGAWA DROVE NEARLY 5 HOURS TO GET TO THE LOCATION.
AS AN EXAMPLE, OSTRICH SURGERY
AHHHH. ...
THE OSTRICH IS AMAZING.
4) LATER
3 HOURS LATER, THE OSTRICH RETURNED TO ITS NORMAL LIVING HABITS.
THANK YOU VERY MUCH DOCTOR.
3) TREATMENT
JOINING THE TRACHEA, SEWING THE MUSCLES AND SKIN.
NAKANO-MICHI ANIMAL HOSPITAL
VETERINARIAN NAKAGAWA YOUJI

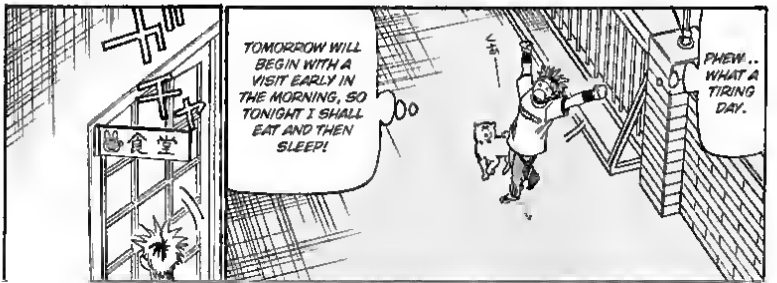
ALTHOUGH IT SEEMS TO BE A LOSS OF APPETITE, I THINK THE OSTRICH MAY HAVE SWALLOWED A FOREIGN OBJECT



YOU HAVE "THE ABSOLUTE PITCH", SO FINDING OUT THE CAUSE ISN'T DIFFICULT.
AS LONG AS YOU RETRIEVE THE FOREIGN OBJECT, YOU MIGHT RECEIVE AN OSTRICH EGG AS A GIFT OF APPRECIATION FROM THE OWNER.
WHOA! THAT'S GREAT!
ITADAKIMASU
HUGE OSTRICH EGG OMELET
SERIOUSLY, DOCTOR, YOU ONLY THINK ABOUT FOOD!
THAT NIGHT



SEE YOU TOMORROW, DOCTOR!
AH— TAKE CARE!



PHEW.. WHAT A TIRING DAY.
TOMORROW WILL BEGIN WITH A VISIT EARLY IN THE MORNING, SO TONIGHT I SHALL EAT AND THEN SLEEP!
食堂

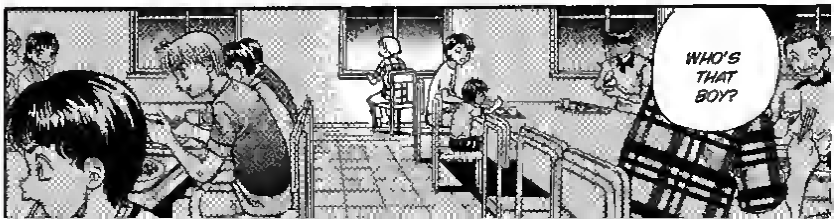
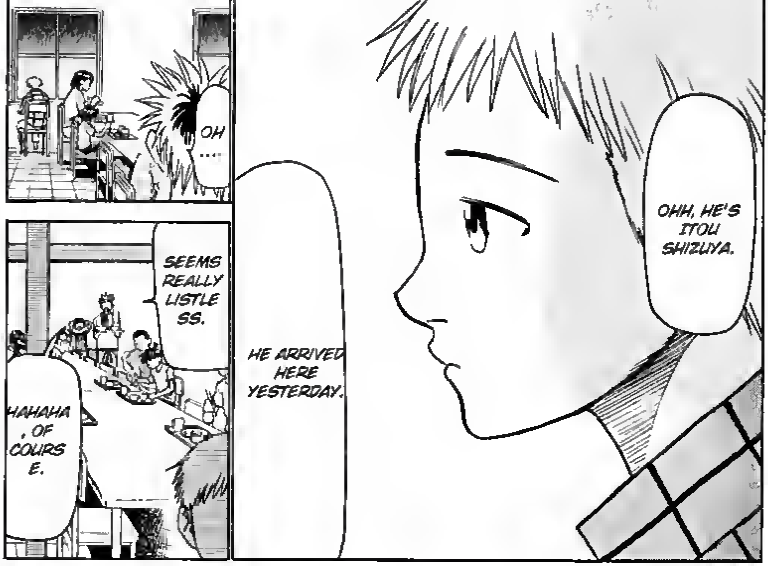
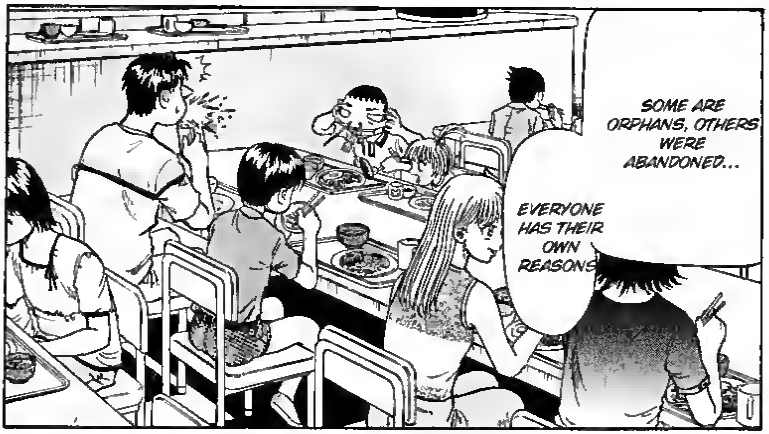
UM?
THANKS FOR THE MEAL
HEY, TAISHI
UM?



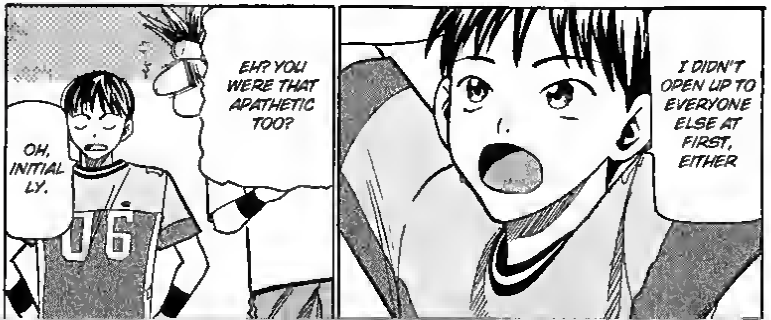
WHO'S THAT BOY?



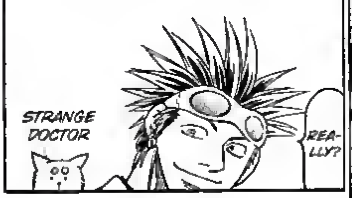
OH....
SEEMS REALLY LISTLESS.
HAHAHA, OF COURSE.
HE ARRIVED HERE YESTERDAY.
OHH, HE'S ITOU SHIZUYA.



SOME ARE ORPHANS, OTHERS WERE ABANDONED...
EVERYONE HAS THEIR OWN REASONS

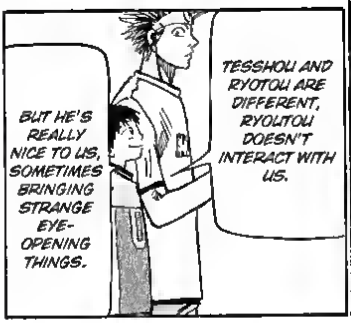


OH, INITIALLY.
EH? YOU WERE THAT APATHETIC TOO?
I DIDN'T OPEN UP TO EVERYONE ELSE AT FIRST, EITHER

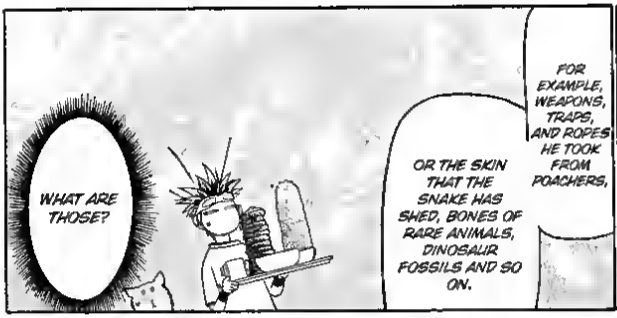


STRANGE DOCTOR
REALLY?

BUT, LATER ON I MADE MANY NEW FRIENDS.
LAUGHED AND PLAYED WITH THE STRANGE DOCTOR, AND BECAME MORE CHEERFUL.



TESSHOU AND RYOTOU ARE DIFFERENT, RYOUTOU DOESN'T INTERACT WITH US.
BUT HE'S REALLY NICE TO US, SOMETIMES BRINGING STRANGE EYE-OPENING THINGS.



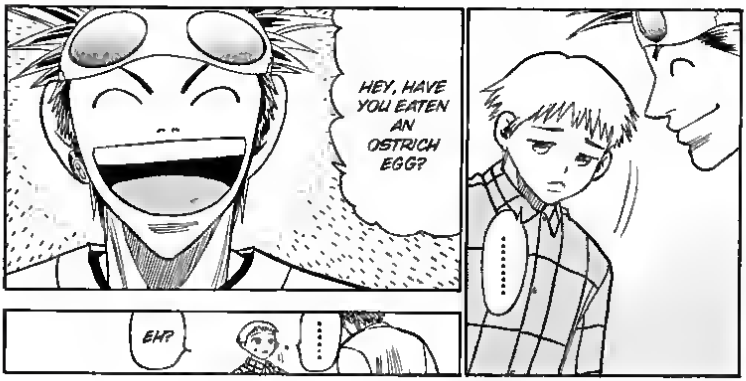
WHAT ARE THOSE?
OR THE SKIN THAT THE SNAKE HAS SHED, BONES OF RARE ANIMALS, DINOSAUR FOSSILS AND SO ON.
FOR EXAMPLE, WEAPONS, TRAPS, AND ROPES HE TOOK FROM POACHERS.
STRANGE THINGS?
YEAH.

TH..THEY ACTUALLY LIKE WEIRD THINGS..
ARE THERE SUCH KIDS?
HA HA HA
LIKE, THE LAST TIME THE BONES OF A JOMON PERSON HE BROUGHT WERE ALSO INTERESTING

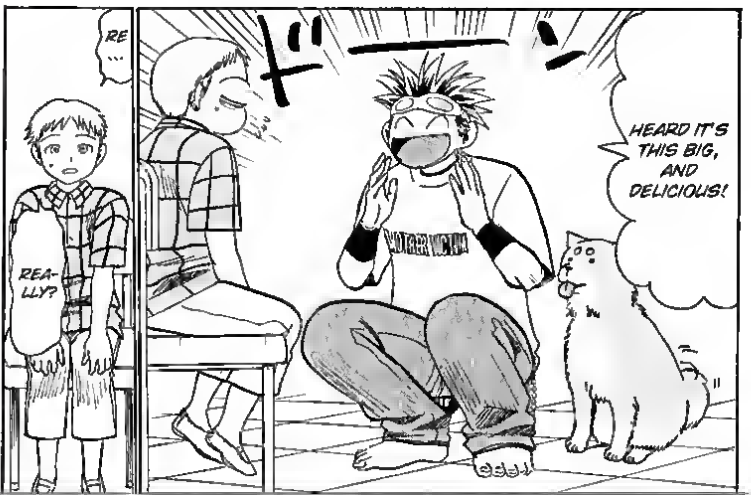
IT'S REALLY INTERESTING!
THOSE ARE THINGS THAT NORMAL PEOPLE WON'T GET TO SEE.
06

OH... YEAH,
AS LONG AS YOU PAY FOR THE FOREIGN OBJECT, YOU MIGHT RECEIVE AN ORTHRON EGG AS A GIFT OF APPRECIATION FROM THE OWNER.

HEY, SHIZUYA!
EH?
ALL RIGHT! I'LL GIVE IT A TRY TOO!
I'M TESSHOU, NICE TO MEET YOU!
YO!



HEY, HAVE YOU EATEN AN OSTRICH EGG?
EH?
.....



RE...
REA-LLY?
HEARD IT'S THIS BIG, AND DELICIOUS!

REALLY!
OK, I'LL BRING ONE FOR YOU NEXT TIME!
Y... YE-AH.
DO YOU WANNA TRY?
YEAH, IT'S A PROMISE!
AC... ACTU-ALLY
EHH HH!

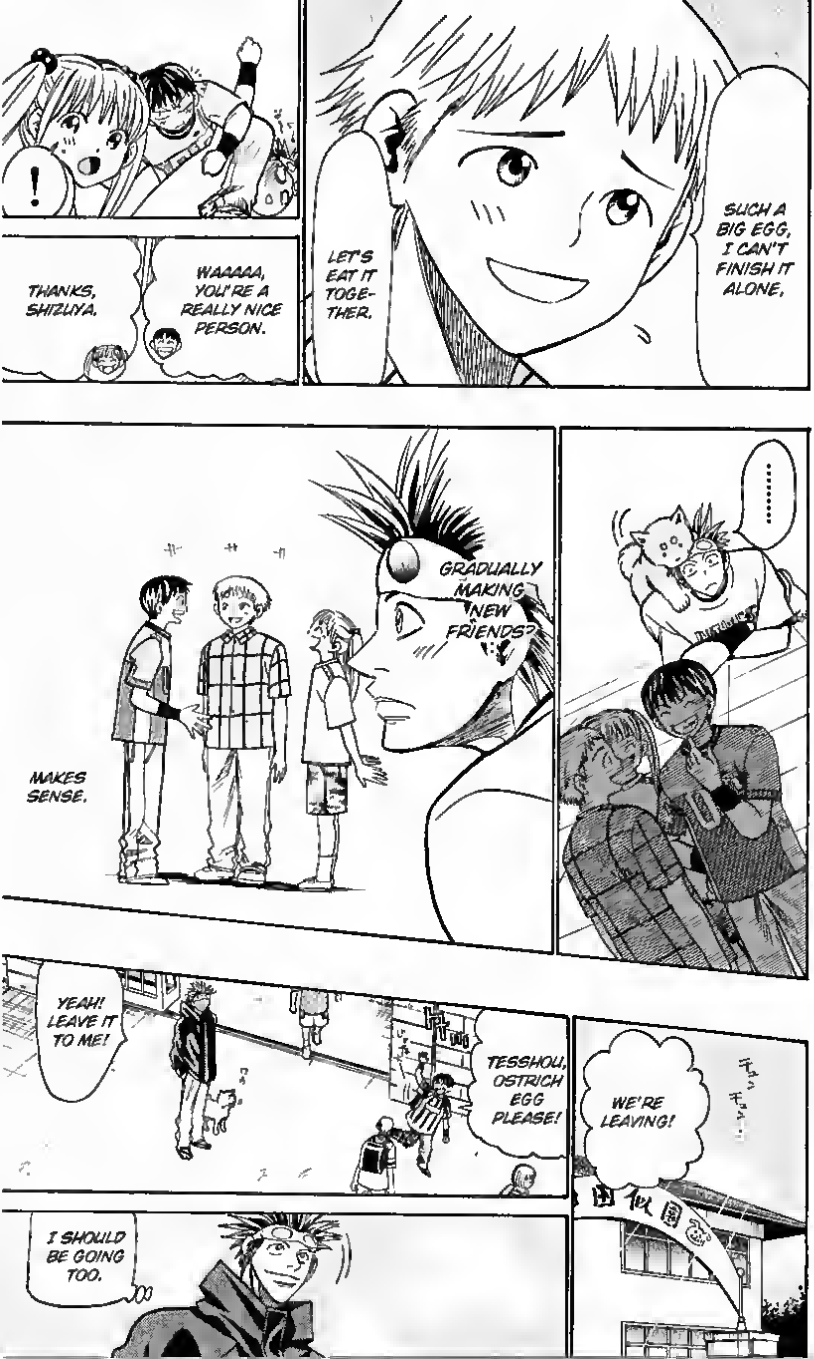
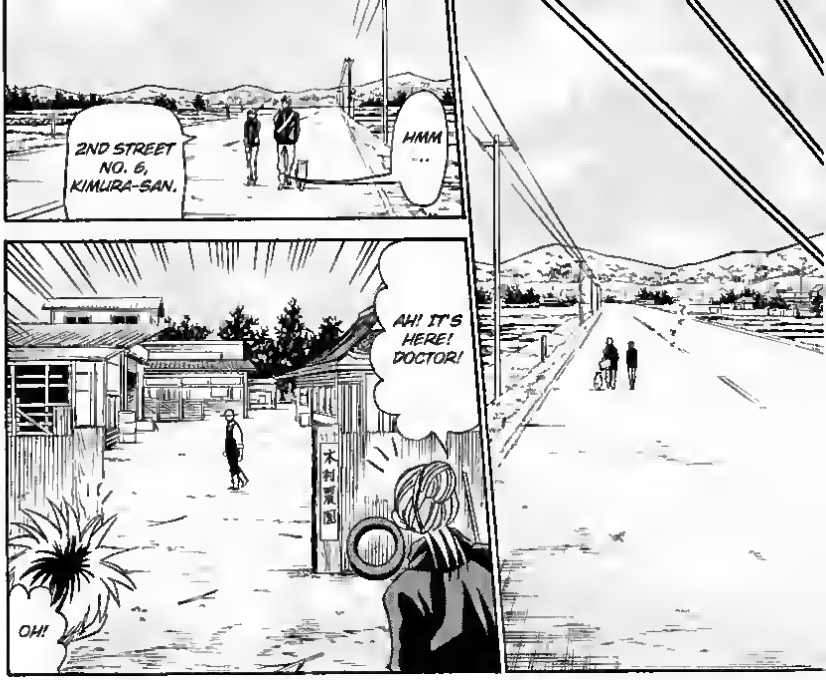
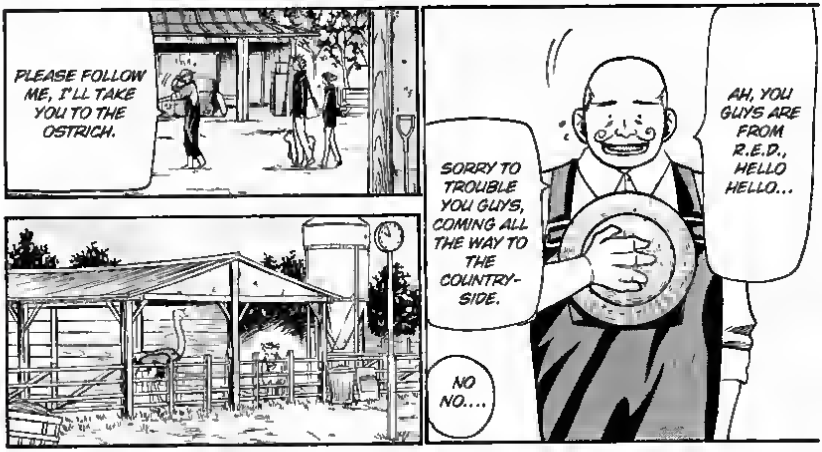
YOU GUYS WANNA EAT, TAKE THE EGG SHELL AND EAT IT!
SO NOI-SY!
ME TOO!
WAA— AMAZING! I WANNA EAT TOO! TESSHOU!



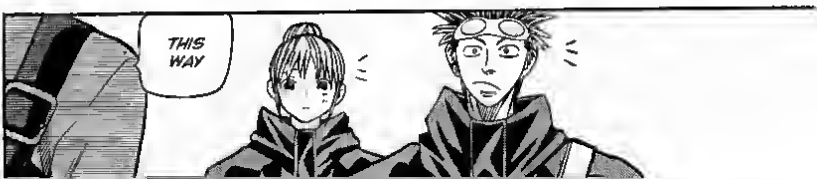
!
THANKS, SHIZUYA.
WAAAAA, YOU'RE A REALLY NICE PERSON.
LET'S EAT IT TOGE-THER.
SUCH A BIG EGG, I CAN'T FINISH IT ALONE.
MAKES SENSE.
GRADUALLY MAKING NEW FRIENDS?
.....
YEAH! LEAVE IT TO ME!
TESSHOU, OSTRICH EGG PLEASE!
WE'RE LEAVING!
I SHOULD BE GOING TOO.



2ND STREET NO. 6, KIMURA-SAN.
HMM ...
AH! IT'S HERE! DOCTOR!
木村農園
OH!



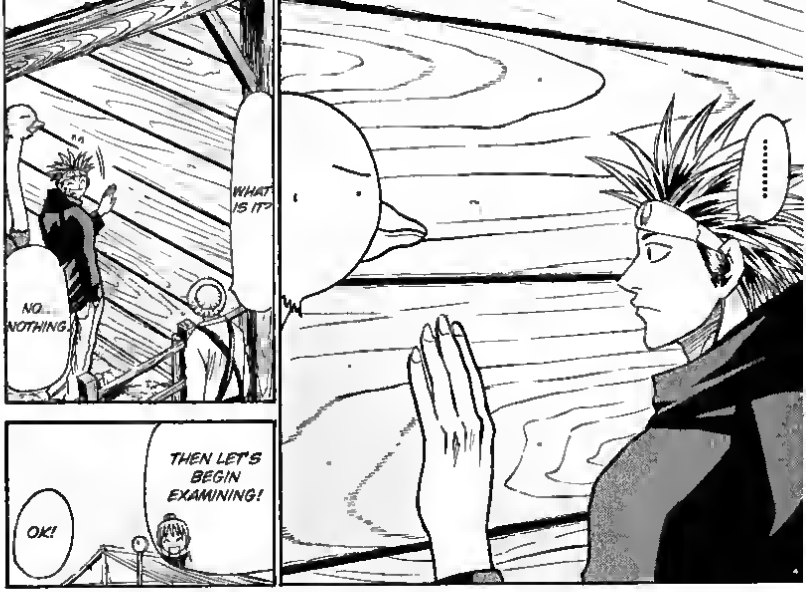
PLEASE FOLLOW ME, I'LL TAKE YOU TO THE OSTRICH.
AH, YOU GUYS ARE FROM R.E.D., HELLO HELLO...
SORRY TO TROUBLE YOU GUYS, COMING ALL THE WAY TO THE COUNTRY-SIDE.
NO NO....



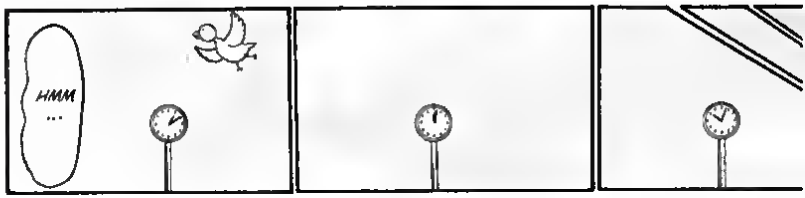
THIS WAY

EH?
REA-LLY?
YOU RAISE HOR-SES TOO?
AH, THAT'S RIGHT, WE'RE OLD FRIENDS.
IT'S FROM A LONG TIME AGO, BEFORE THE OSTRICH.
RECENTLY, IT REFUSES TO EAT WHAT IT'S FED
THIS IS THE OSTRICH THAT HAS LOST ITS APPETITE,

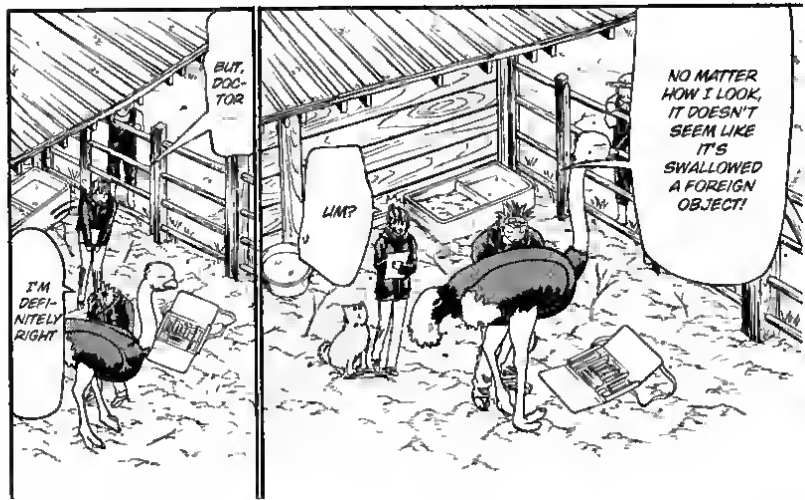
I SEE
HMM... SO, THIS WALL LOOKS NEW.
AH, YEAH
BUT I FELT THAT IT WASN'T THAT GOOD TO PUT THEM TOGETHER, SO I SEPARATED THEM.
IN THE BEGI-NNING I PUT THEM IN THE SAME LODGE,



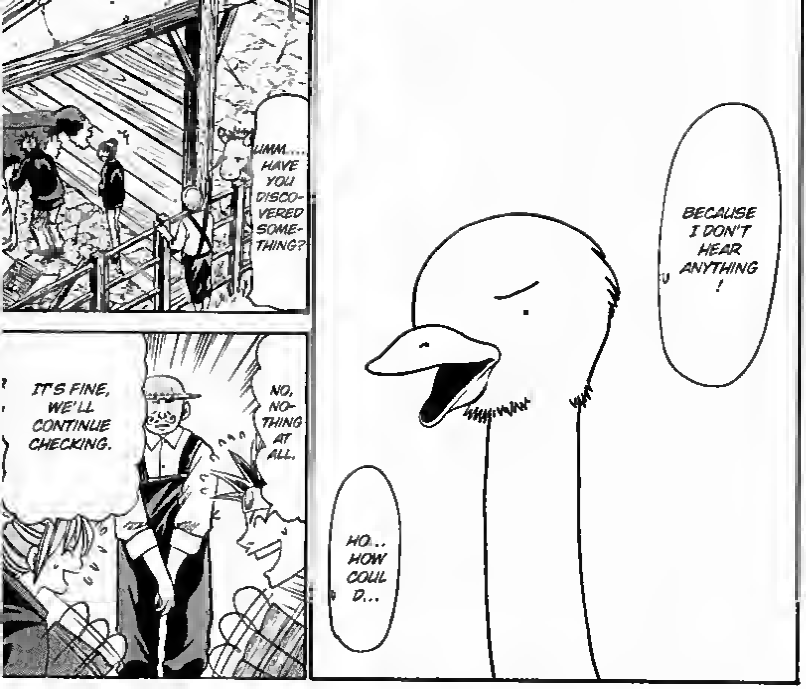
WHAT IS IT?
NO... NOTHING.
.....
THEN LET'S BEGIN EXAMINING!
OK!



HMM ...



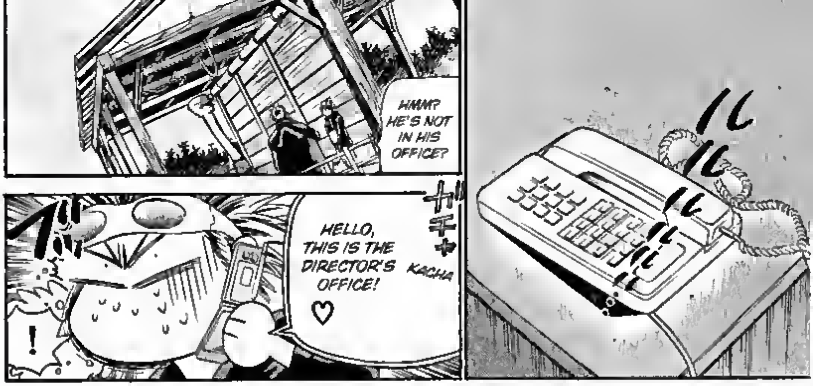
BUT, DOC-TOR
I'M DEFI-NITELY RIGHT
UM?
NO MATTER HOW I LOOK, IT DOESN'T SEEM LIKE IT'S SWALLOWED A FOREIGN OBJECT!



UMM... HAVE YOU DISCOVERED SOMETHING?
NO, NOTHING AT ALL.
IT'S FINE, WE'LL CONTINUE CHECKING.
BECAUSE I DON'T HEAR ANYTHING!
HO.. HOW COULD...

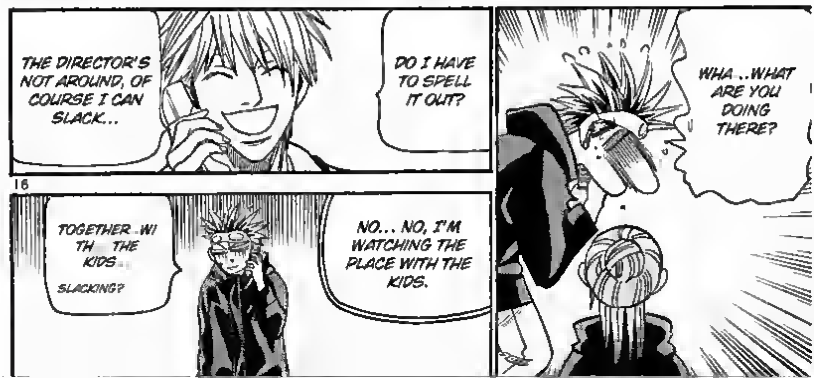
WELL... WHAT SHALL WE DO, DOCTOR?
WE DON'T HAVE A CHOICE, LET'S CALL UP THE DIRECTOR.
AH, YEAH, NO PROBLEM.
REALLY? THEN, I STILL HAVE THINGS TO DO, I'LL LEAVE THINGS HERE TO YOU, OK?

FRIEDRICH



HMM? HE'S NOT IN HIS OFFICE?
HELLO, THIS IS THE DIRECTOR'S OFFICE!
KACHA

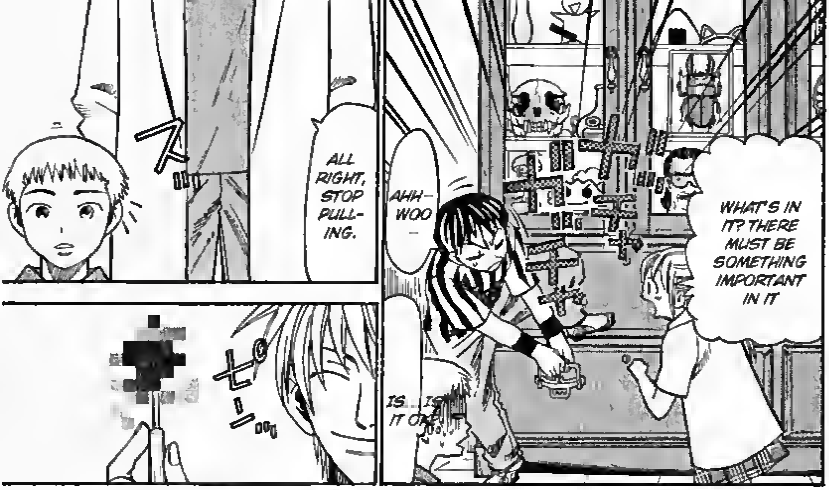
AH! AS EXPECTED OF "THE ABSOLUTE PITCH", YOU FIGURED IT OUT RIGHT AWAY.
IT HAS NOTHING TO DO WITH HAVING ABSOLUTE PITCH!!
YOU..YOU'RE ... THIS VOICE IS RYOTOU?



THE DIRECTOR'S NOT AROUND, OF COURSE I CAN SLACK...
DO I HAVE TO SPELL IT OUT?
WHA ..WHAT ARE YOU DOING THERE?
TOGETHER ..WI TH THE KIDS..
SLACKING?
NO... NO, I'M WATCHING THE PLACE WITH THE KIDS.

RIGHT, THERE'S A NEW KID CALLED SHIZUYA.
THERE ARE LOTS OF STRANGE ARMORS AND RARE THINGS IN THE DIRECTOR'S OFFICE, SO I THOUGHT I'D LET HIM TAKE A LOOK, BROUGHT HIM HERE.
YOU ..GUYS .. ENTERING THE DIRECTOR'S OFFICE WHEN HE ISN'T AROUND, AREN'T YOU SCARED?
IT'S FINE, IT'S FINE. ♡
WHO KNEW, TAISHI AND THE REST CAME ALONG.
I'LL JUST TELL THE DIRECTOR THAT IT'S FOR THE CHILDREN'S SAKE, HE'LL PROBABLY LET ME OFF THE HOOK.
HMM ARE THERE FUN THINGS IN HERE?
SHIZUYA'S REALLY ENJOYING HIMSELF! FRIENDS ARE ALWAYS IMPORTANT. ♡

FRIENDS...?
FRIENDS
BUT OF COURSE!
!!
?
HEY, RYOUTOU, THIS DRAWER'S LOCKED, I CAN'T OPEN IT!
HM, FORGET IT.
WHAT'S THE MATTER?



ALL RIGHT, STOP PULLING.
AHH— WOO —
WHAT'S IN IT? THERE MUST BE SOMETHING IMPORTANT IN IT
IS... IS IT OK...?

AS EXPECTED OF RYOUTOU!
YEAH!
WITH THIS SECRET WEAPON, IT WILL SOON BE OPENED.
WHA... WHAT IS HE?

IT'LL BE FINE!
EH? THEN WHAT ARE WE TO DO?
NO ....
HE'S OUT.
DOCTOR, DID YOU GET THE DIRECTOR?

I KNOW THE REASON FOR ITS LOSS OF APPETITE!

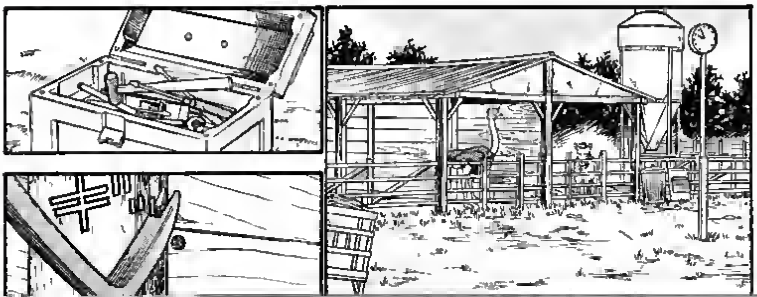
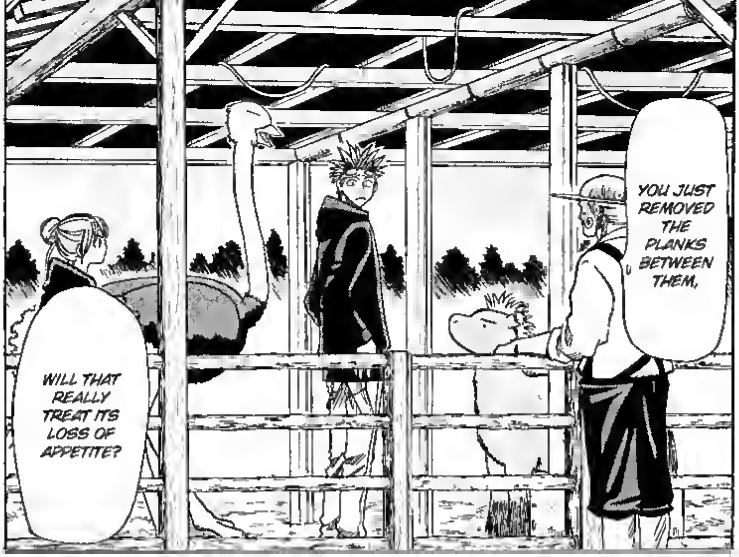
CHAPTER 55 HUMANS AND OSTRICHES ARE ALIKE

!!
RE .. REALLY? DOCTOR.
YEAH!

.....
BUT, TO TREAT IT, I'LL NEED SOME TOOLS.
SENOU-SAN, CAN YOU GET KIMURA-SAN HERE?
YES!



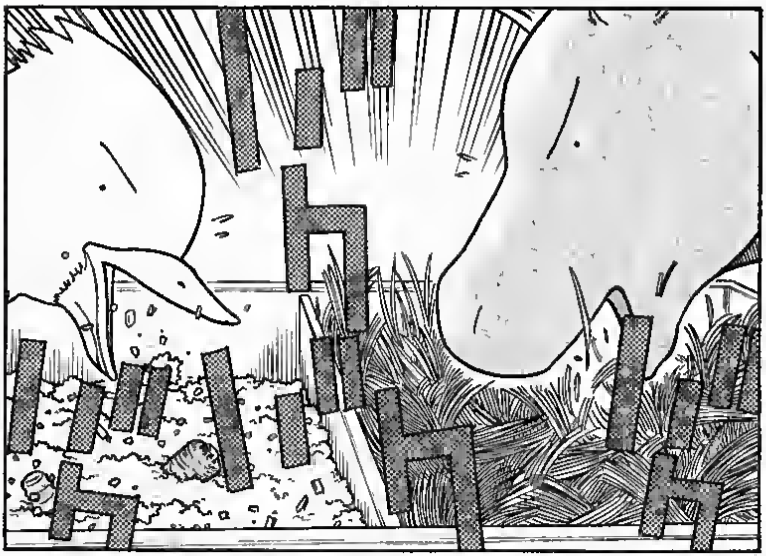
ALL RIGHT!
LAST PIECE!
KIKI...
OK.
KIMURA-SAN, I'M GOING TO PUT THESE PLANKS ASIDE, SO PLEASE WAIT A BIT.
UH OK..
YOSH, WITH THIS THE TREATMENT IS COMPLETE!
.....
UH, UM.. DOCTOR
HMM
I...FROM A LAYMAN'S PERSPECTIVE, IT MIGHT SEEM ...

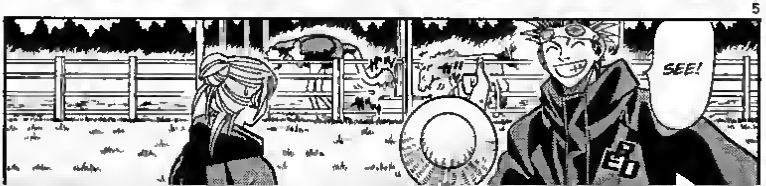


YOU JUST REMOVED THE PLANKS BETWEEN THEM.
WILL THAT REALLY TREAT ITS LOSS OF APPETITE?

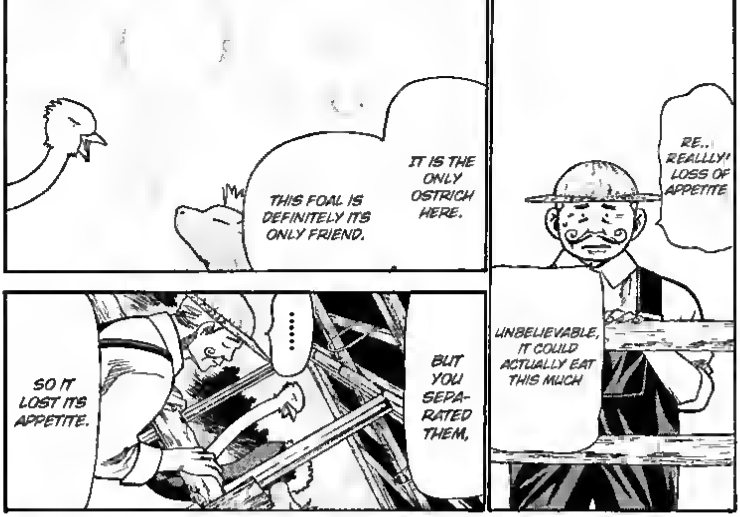
LONELY
DISEASE?
BECAUSE IT IS SUFFERING FROM "LONELY DISEASE".
OF COURSE.
IT'S THE FIRST TIME I'VE HEARD OF IT...

YOU... DOCTOR, YOU MADE IT UP...
.....
HAHAHA, OF COURSE! THERE ISN'T SUCH A DISEASE IN THE WORLD!
I JUST MADE IT UP.
!
RELAX! YOU'LL UNDERSTAND WHEN YOU PUT THE FEED THERE.
.....





SEE!



RE.. REALLY! LOSS OF APPETITE
IT IS THE ONLY OSTRICH HERE.
THIS FOAL IS DEFINITELY ITS ONLY FRIEND.
UNBELIEVABLE, IT COULD ACTUALLY EAT THIS MUCH
BUT YOU SEPA-RATED THEM,
.....
SO IT LOST ITS APPETITE.

HUMANS AND OSTRICHES ARE ALIKE, THEY CAN'T SURVIVE ALONE!
SO IT'S LIKE THAT.

B..BUT, DOCTOR, IN THE FUTURE, CAN I STILL PUT THEM TOGETHER?
THEY ARE COMPLETE-LY DIFFERENT ANIMALS! A BIRD AND A FOAL!
YOU CAN, ANYWAY THEY WON'T EAT EACH OTHER,
OSTRICHES CAN BECOME GOOD FRIENDS WITH ANY ANIMAL!
HAHAHA
WHAT?
AH... REALLY?

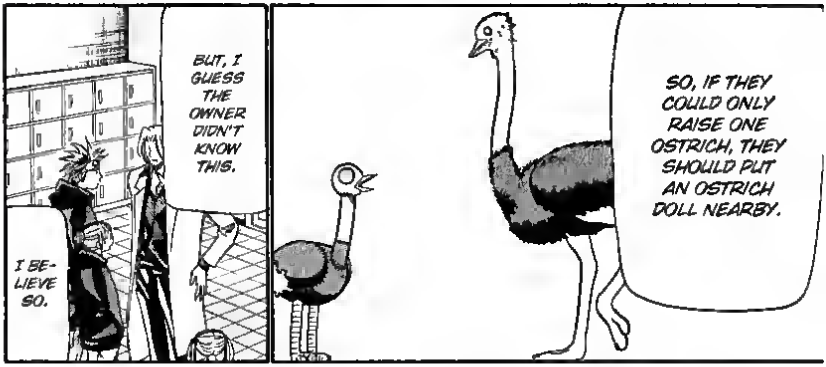
A..ANYWAY, THANK YOU VERY MUCH, DOCTOR!
I WILL REAR THEM WELL!
AH.. AND!
THESE OSTRICH EGGS, TAKE THEM AS A GIFT OF APPRECIATION.
PLEASE SHARE THESE WITH EVERYONE!

WHOA! REALLY? THAT'S GREAT!
THANKS!
WAA!
SO IT GOES

WAA! OSTRICH EGG!
YAY! YAY!
EVERYONE WAIT A LITTLE LONGER, THE OSTRICH EGGS ARE ARRIVING!
WAAA!
YEAH!
HEHEHE .. EVERYONE'S SO HAPPY, THIS IS GREAT! DOCTOR!
IT'S
WHAT IS IT?
BUT, THERE'S SOMETHING I DON'T GET, IT'S TROUBLING —
IN ALL MY LIFE, I'VE NEVER COOKED SUCH A THING,
ALTHOUGH IT'S STILL AN EGG, IT'S AN OSTRICH'S!
HONESTLY, I DON'T KNOW HOW TO COOK IT.
I... INDEED.
EVEN IF WE WERE TO COOK IT AS AN OMELET OR FRY IT, IT'S IMPOSSIBLE NOT TO CHANGE THE FLAVORING!
I'LL CHECK THE INTER-NET.
YEAH, THANKS.
OPEN
AH!

IT'S DIRECTOR AND RYOUTOU.
OH, YOU'RE BACK, IWA-SHIRO.
YEAH, HI!
HOW DID THE TREATMENT GO?
I HEARD THAT YOU CALLED WHILE I WAS AWAY, SO I WAS A LITTLE WORRIED.
EH!
ALL RIGHT, RYOUTOU, I'LL LEAVE THE REST TO YOU, BRING THEM TO THE KITCHEN
OH, NO, ACTUALLY THAT...
HAHAHA... I SEE!

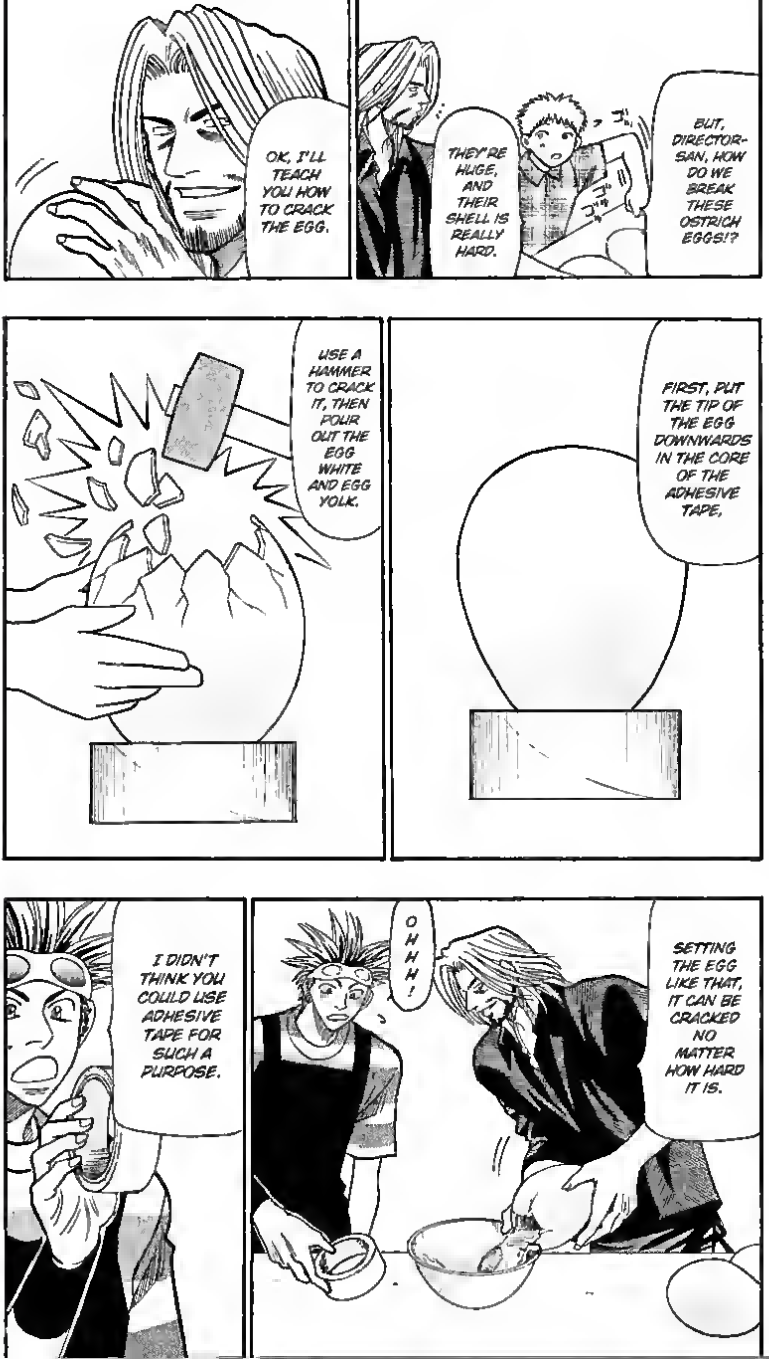
OSTRICHES ARE SOCIAL ANIMALS, SO THEY'RE AFRAID OF LONELINESS.
ACTUALLY, THESE THINGS HAPPEN A LOT.
DIRECTOR, HOW COULD YOU LAUGH,
AT THAT TIME I WAS REALLY TROUBLED
ALMOST GAVE THE OWNER A SCARE!
AH, REALLY?
IT'S LIKE THAT?
YEAH



SO, IF THEY COULD ONLY RAISE ONE OSTRICH, THEY SHOULD PUT AN OSTRICH DOLL NEARBY.
BUT, I GUESS THE OWNER DIDN'T KNOW THIS.
I BELIEVE SO.

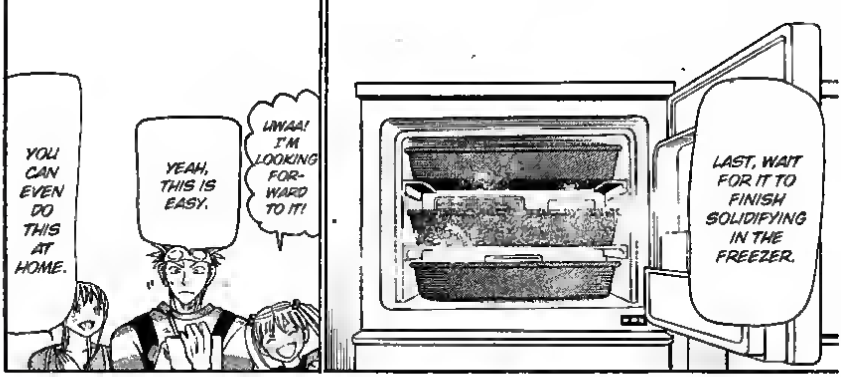
!!
LATER I'LL WHIP UP AN OSTRICH MEAL AS A REWARD.
WELL THEN, THANKS FOR YOUR HARD WORK TODAY.

AHH! I WANNA WATCH, LET US WATCH!
IF YOU'RE INTERESTED, YOU CAN STAND BESIDE ME AND WATCH.
食堂
OH.. AMAZING!
YES.
OSTRICH MEAL...D!.. DIRECTOR, YOU CAN COOK?
YES
WAAA!
THESE ARE.. OSTRICH EGG AND MEAT?
YEAH.
SO THE BOXES DIRECTOR AND DR. RYOUTOU BROUGHT IN, WERE ACTUALLY THESE THINGS!
.....
SO I DRAGGED HIM ALONG TO CARRY THESE IN.
WHEN I CAME BACK TO THE OFFICE, I SAW RYOUTOU READING MANGA BEHIND THE MEDICAL BOOKS,
I BOUGHT THESE ON MY WAY BACK FROM THE VETERINARIAN INSTITUTE TODAY
YESTERDAY AFTER EXPLAINING ABOUT OSTRICHES, I THOUGHT IF I LET THE CHILDREN HAVE A TASTE, THEY'LL BE REALLY HAPPY.

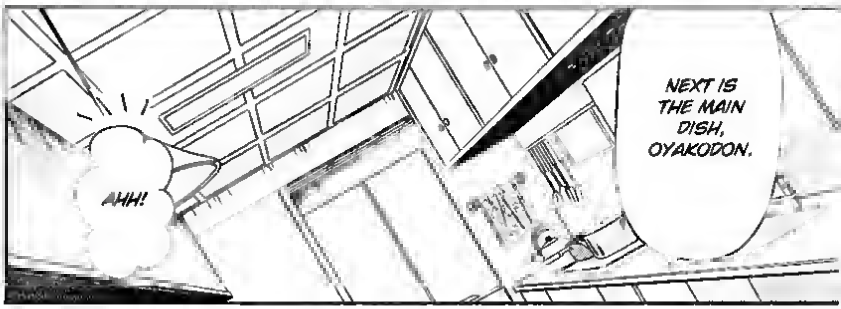


OK, I'LL TEACH YOU HOW TO CRACK THE EGG.
THEY'RE HUGE, AND THEIR SHELL IS REALLY HARD.
BUT, DIRECTOR-SAN, HOW DO WE BREAK THESE OSTRICH EGGS!?
USE A HAMMER TO CRACK IT, THEN POUR OUT THE EGG WHITE AND EGG YOLK.
FIRST, PUT THE TIP OF THE EGG DOWNWARDS IN THE CORE OF THE ADHESIVE TAPE,
I DIDN'T THINK YOU COULD USE ADHESIVE TAPE FOR SUCH A PURPOSE.
OHHH!
SETTING THE EGG LIKE THAT, IT CAN BE CRACKED NO MATTER HOW HARD IT IS.

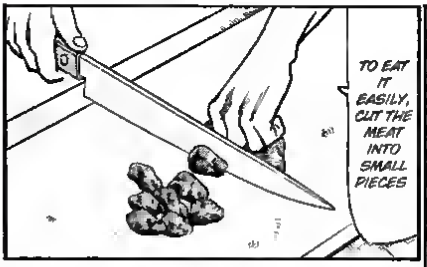
OK, FOR DESSERT, BEGIN MAKING THE ICE CREAM.
BECAUSE IT NEEDS TIME TO FREEZE
FIRSTLY, PREPARE THE INGREDIENTS.
INGREDIENTS (FOR ONE PERSON) 7G OF OSTRICH EGG YOLK, 200ML OF FRESH MILK, 70ML OF FRESH CREAM, 25G OF CONDENSED MILK, 35G OF SUGAR FOR TWO PERSONS, MULTIPLY THE INGREDIENTS BY TWO; FOR THREE PERSONS, MULTIPLY BY THREE. IT'S EASIER TO ACQUIRE THE INGREDIENTS IF YOU PREPARE AT LEAST TWO SERVINGS
FIRST, SET THE HEAT AT ABOUT 40 DEGREES TO COOK THE FRESH MILK.
THEN ADD THE EGG YOLK AND CONDENSED MILK (MIX THESE TWO TOGETHER FIRST), THEN ADD SUGAR, THEN...
COOK TO 60 DEGREES BEFORE ADDING THE FRESH CREAM.
THEN COOK TILL 85 DEGREES.
AFTER LETTING IT COOL, PUT THE ENTIRE POT INTO A STAINLESS STEEL BOWL FILLED WITH ICE WATER AT A TEMPERATURE OF 10 DEGREES.
THEN POUR IT INTO A PLASTIC CONTAINER, BEFORE PLACING IT IN THE FREEZER.
TAKE IT OUT AFTER 10 MINUTES, STIR IT FOR A WHILE BEFORE PUTTING IT BACK IN.
REPEAT THIS TWO TO THREE TIMES.



YOU CAN EVEN DO THIS AT HOME.
YEAH, THIS IS EASY.
UWAA! I'M LOOKING FOR-WARD TO IT!
LAST, WAIT FOR IT TO FINISH SOLIDIFYING IN THE FREEZER.

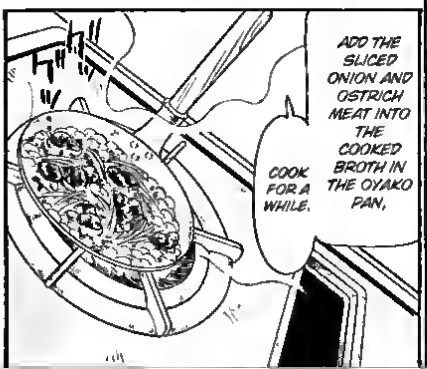


AHH!
NEXT IS THE MAIN DISH, OYAKODON.



TO EAT IT EASILY, CUT THE MEAT INTO SMALL PIECES

FOR ONE PERSON, PREPARE ABOUT 50G OF OSTRICH MEAT.

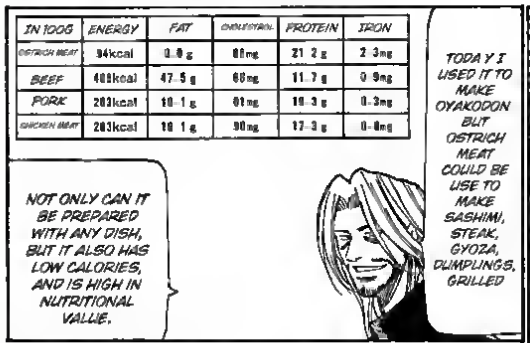


ADD THE SLICED ONION AND OSTRICH MEAT INTO THE COOKED BROTH IN THE OYAKO PAN.
COOK FOR A WHILE.

IT'S BEST TO HALF-COOK OSTRICH MEAT, IF IT'S WELL DONE, THE MEAT WILL BECOME REALLY TOUGH!
METHOD TO CREATE THE BROTH: USE KOMBU ETC TO PREPARE THE SOUP. SAME AS CUP. 2 TABLESPOONS OF SAKE, 3 TABLESPOONS OF SUGAR, ABOUT 5 TABLESPOONS OF SOY SAUCE (FOR 4 PERSONS). BASIC METHOD IS THE SAME AS MAKING A REGULAR OYAKODON IF YOU DON'T KNOW, ASK YOUR MOTHER
THEN ADD THE DISSOLVED OSTRICH EGG, AND COVER THE POT.
IF YOU LIKE, YOU MAY ADD GREEN BEANS.
BEFORE THE EGG IS HALF-COOKED, TURN THE HEAT OFF, POUR THE EGG OVER THE RICE, AND COVER THE BOWL.
THE IMPORTANT POINT IS TO STEAM IT ON THE RICE.
THEN, WAIT FOR A SHORT WHILE.
カチャ
!

THE RATIO CHART BELOW WAS MATERIAL IS PROVIDED BY THE HOME COUNTRY OF OSTRICH MEAT. TAKEN IN THE SCIENTIFIC AND TECHNICAL RESEARCH -1.JAPANESE FOOD COMPOSITION TABLE-. COMPARED WITH OTHER TYPES OF MEAT. THE RESULT

IN 100G	ENERGY	FAT	CHOLESTEROL	PROTEIN	IRON
OSTRICH MEAT	94kcal	0.8 g	88mg	21.2 g	2.3mg
BEEF	488kcal	47.5 g	88mg	11.7 g	0.9mg
PORK	283kcal	19.1 g	81mg	19.3 g	0.3mg
CHICKEN MEAT	283kcal	19.1 g	90mg	17.3 g	0.8mg



TODAY I USED IT TO MAKE OYAKODON BUT OSTRICH MEAT COULD BE USE TO MAKE SASHIMI, STEAK, GYOZA, DUMPLINGS, GRILLED
NOT ONLY CAN IT BE PREPARED WITH ANY DISH, BUT IT ALSO HAS LOW CALORIES, AND IS HIGH IN NUTRITIONAL VALUE.

OK, GATHER EVERYONE FOR DINNER!
YES!
.....

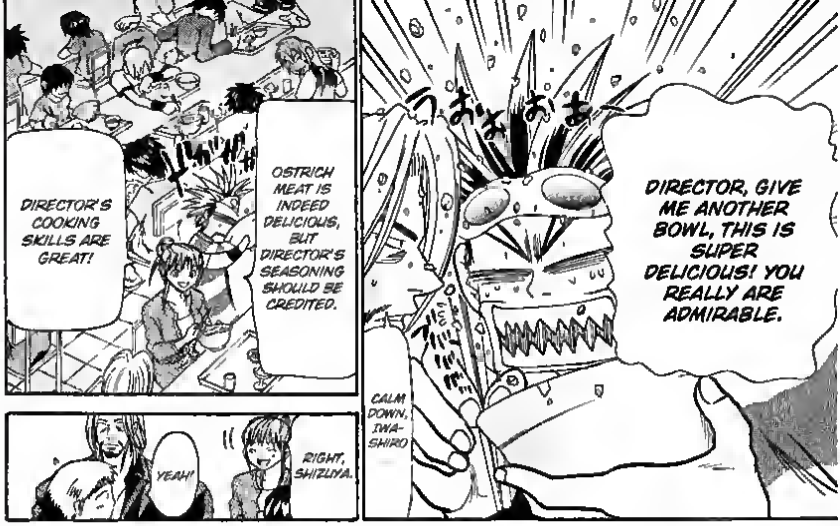
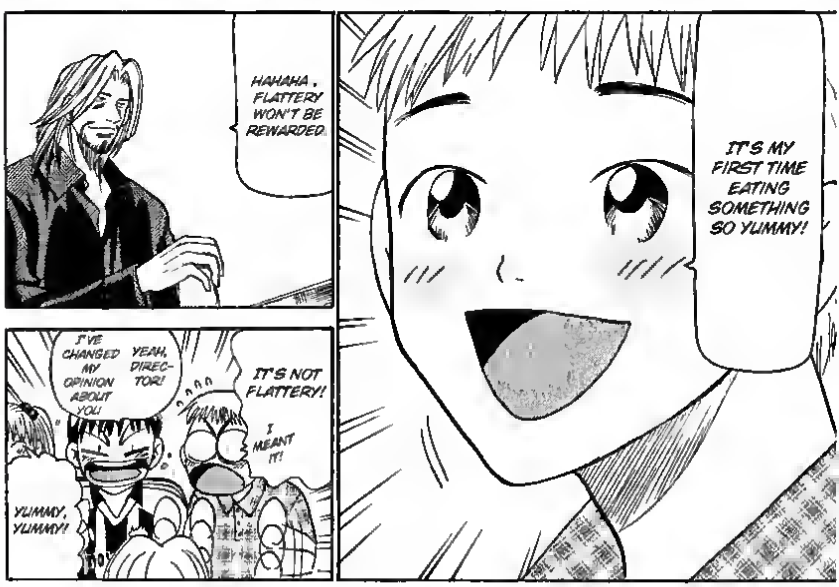
YUMMY!
IT'S REALLY DELIC-IOUS!
IT'S REALLY DELIC-IOUS! DIRECTOR!



DIRECTOR'S COOKING SKILLS ARE GREAT!
OSTRICH MEAT IS INDEED DELICIOUS, BUT DIRECTOR'S SEASONING SHOULD BE CREDITED.
DIRECTOR, GIVE ME ANOTHER BOWL, THIS IS SUPER DELICIOUS! YOU REALLY ARE ADMIRABLE.
CALM DOWN, IWASHIRO
YEAH!
RIGHT, SHIZUYA.



HAHAHA, FLATTERY WON'T BE REWARDED.

THANK HEAVENS FOR THAT.

I DIDN'T EXPECT YOU TO LIKE IT.

HE..HE MEANS THERE'S SOMEONE HERE WHO HAS BEEN LIVING ALONE?
NO, IT WOULD BE BETTER TO SAY THAT THERE'S SOMEONE HERE WHO COULD COMPLETELY DISREGARD THE SURROUNDING, MOVING AROUND AND LIVING FREELY ALONE.

THIS OYAKODON IS DELICIOUS, BUT IT WOULD BE BETTER TO PUT MORE EFFORT INTO IT, SUCH AS THROWING OUT THE CHEAP STUFF AND USING HIGH QUALITY RICE, RIGHT?

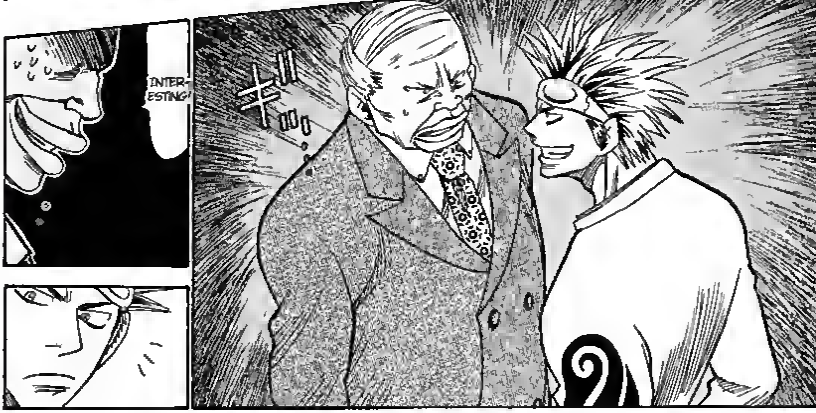
R.E.D -

I DIDN'T EXPECT A CHINPIRA* LIKE YOU TO HAVE JOINED RECENTLY!
BUT IF YOU CAN'T EVEN TELL WHETHER A KEEPER IS GOOD OR BAD, YOU ARE NO BETTER THAN EVEN A "THUG" LIKE ME!
I DON'T KNOW WHAT YOU SPECIALIZE IN-
HA!
(TN: CHINPIRA MEANS PUNK/YOUNG HOOLIGAN/DELINQUENT)



INTER-ESTING!

FO-LLOW ME
SINCE IT'S LIKE THIS, I'LL SHOW YOU HOW BAD THIS KEEPER IS.

LOOK AT IT!
!!
THAT'S RIGHT, JUST AS YOU SEE IT, THE BEAK IS COMPLETELY BROKEN.
THE CAUSE IS PROBABLY FROM A FIGHT WITH A FELLOW MALE.
THE BEAK!?
SUCH A THING IS IMPOSSIBLE TO TREAT.

LYING TO A BUSY MAN LIKE ME, TO GET ME TO COME HERE FOR SUCH A MEANINGLESS TREATMENT,
SO I CALLED HIM TRASH, NATURALLY!
BUT THIS KEEPER SIMPLY SAID, "ONE OF THE PENGUINS HAS INJURED ITS BEAK",
AND ASKED ME, "WORLD'S KATAGANE," TO MAKE A SPECIAL TRIP HERE.
!!
OH, YEAH. YOU'RE A TRASH NISHIZAWA
I SAID NISHIZAKI'S TRASH BECAUSE...
HEY HEY, DON'T MISUNDERSTAND.
HMPH! YOU FINALLY UNDERSTAND?
おおおおおお
WHAT DID YOU SAY! YOU CHINPIRA BRAT!
HE INVITED YOU, THIS "WORLD'S IDIOT," TO EXAMINE IT!
!
THIS PENGUIN'S BEAK
CHINPIRA! IDIOT!
ARE YOU LISTENING! HEY!

IM... IM-POSSIBLE!
IF YOU HAD COME TO ME, I COULD HAVE TREATED SUCH A SMALL MATTER IMMEDIATELY!
SERIOUSLY?
IT'S BROKEN, BUT I'LL JUST NEED TO TREAT IT LIKE A TURTLE. IF I USE RESIN TO REMODEL IT, IT CAN BE TREATED EASILY.
I...I AM THE WORLD'S TOP PENGUIN EXPERT... I, THE "WORLD'S KATAGANE," KNOW EVERYTHING!
IF I SAY IT'S UNTREAT-ABLE, IT'S UNTREAT-ABLE!
I'LL TEACH YOU THAT NO MATTER HOW GOOD YOU THINK YOU ARE, THERE IS ALWAYS SOMEONE OUT THERE BETTER THAN YOU.
AS LONG AS IT'S WILDLIFE, I, "IWASHIROU TESSHOU OF THE SECOND DIVISION," KNOW EVERYTHING!
SO NAIVE, YOU'RE JUST A FROG IN THE STOMACH.
IN THE STO-MACH?
INTEREST-ING...
HMPH!
SAY, HOW MUCH TIME DO YOU NEED TO TREAT IT?
WHAT?
OH... 2 WEEKS SHOULD BE ENOUGH.
OH...

IF YOU'RE REALLY CONFIDENT, YOU SHOULDN'T HAVE ANY OBJECTIONS, RIGHT?
WHAT IF I INVITE REPORTERS OVER IN 2 WEEKS' TIME, AND LET YOU EXPLAIN HOW YOU WENT ABOUT WITH THE TREATMENT?
IF THAT'S THE CASE, I'LL CONTACT THE MEDIA IMMEDIATELY.
HONESTLY, DON'T RUN AWAY.
REALLY? THEN EXCUSE ME.
HEHE ...
THAT'S GREAT! PLEASE DO SO!
OF COURSE!
WHY DON'T YOU COME TO ME, INSTEAD OF ASKING THAT KIND OF PERSON TO EXAMINE IT?
SPEAKING OF WHICH, YOU'RE TOO POLITE!
N..NO ...
OH, OF COURSE!
I...IS IT REALLY ALL RIGHT? YOU'RE SO CERTAIN.
It's my fault.

WHAT?
What did you say?
BE... BECAUSE R.E.D. REJECTED IT, SO I...
IMPO-SSIBLE.
A FEW DAYS AGO, WHEN I CALLED 2ND DIVISION, DR. RYOUTOU ANSWERED
THEY REFUSED TO COME DOWN TO EXAMINE IT, LET ALONE TREAT IT.
AFTER THAT, I CALLED THE OTHER ANIMAL HOSPITALS TO ASK,
WHAT DID YOU SAY?
That bastard
HE REJECTED IT IMMEDIATELY.
OF COURSE I KNOW I SHOULDN'T HAVE LIED...
I DIDN'T HAVE A CHOICE, SO I JUST SIMPLY TOLD THAT WORLD RENOWNED PENGUIN EXPERT THE SYMPTOMS, AND HE AGREED TO EXAMINE IT.
BUT WITH IT LIKE THIS, IT CAN'T EAT ON ITS OWN. AND IF I PUT IT WITH ITS COMPANIONS, IT WILL END UP GETTING BULLIED.
I DIDN'T HAVE A CHOICE BUT RAISE IT SEPARATELY.
BUT IT'S TOO PITIFUL.

I REALLY.... REALLY WANT TO DO SOMETHING FOR IT!
REA-LLY?
HEY, TESSHOU!

DON'T.... DON'T, DR TESSHOU.
HEY, RYOUTOU! WHAT'S THE MEANING OF THIS!
?
I'VE BEEN LOOKING FOR YOU, SO YOU WERE HERE.
BECAUSE IT REALLY IS IMPOSSIBLE.

LISTEN
THE PENGUIN'S BEAK IS DIFFERENT FROM A TURTLE'S SHELL ,WHICH DOES NOT HAVE TO UNDERGO PRESSURE. THE BEAK IS USED TO FIGHT AND EAT.
BUT RESIN'S ROBUSTNESS CAN'T WITHSTAND IT.
WHY? SINCE EVEN A TURTLE'S SHELL CAN BE PATCHED UP, WHY CAN'T A PENGUIN'S BEAK?
WE CAN'T
OF COURSE WE CAN MAKE A NEW BEAK, BUT IT WILL BREAK OFF ANY MOMENT.
IT MAY BE LIFE-THREAT-ENING
WHICH IS MORE DANGER-OUS!
!!

HMPH! R.E.D, HUH?
TO ME, "WORLD'S KATAGANE" PENGUIN EXPERT, AND OTHER VETERINARIANS,
HOW COULD THIS BE?
I DON'T KNOW WHAT CAUSED HIM TO MAKE THAT MISTAKE, BUT IT'S ALMOST DEFINITE THAT THERE IS NO WAY TO TREAT A BROKEN PENGUIN'S BEAK!
BUT, IT ALL ENDS TODAY.
WILDLIFE
THE 2ND DIVISION OF R.E.D. WHICH CAN TREAT ALL WILDLIFE, IS AN EYESORE.
I WANT THE WHOLE WORLD TO KNOW THIS!
HA HA HA HA HA!
THE ONLY ONES WHO CAN TREAT SPECIAL WILD ANIMALS ARE US EXPERTS.

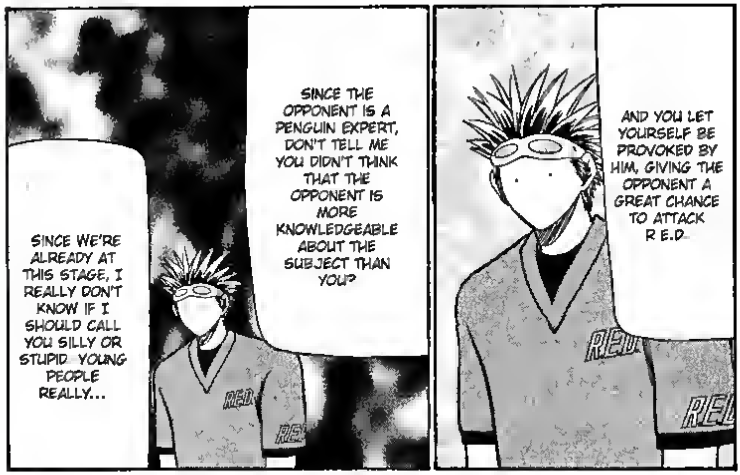
SO, IN TWO WEEKS, YOU WILL HAVE TO MAKE A STATEMENT TO THE MEDIA ABOUT THE RESTORATIVE TREATMENT FOR THE PENGUIN'S BROKEN BEAK.
OH ....
院長室
THAT'S RIGHT.

BUT ONCE HE BECAME KNOWN AS WORLD'S KATAGANE HE STOPPED CARING ABOUT THE LIVES OF THE PENGUINS,
BECAME NOW HE IS SOMEONE WHO ONLY CARES ABOUT WHETHER HE WAS HIGHLY REGARDED BY OTHERS.
DOCTOR KATAGANE, WHO ONCE WAS COMMITTED TO PROTECTING THE ENDANGERED SPECIES OF HUMBOLDT PENGUINS, IS AN OUTSTANDING VET.
RED
WHILE SHOWING THE WORLD THAT HE, THE "WORLD'S KATAGANE," IS BETTER THAN R.E.D.
.....
HIS ONLY REASON FOR INVITING THE MEDIA THIS TIME IS TO PUBLICLY RIDICULE R.E.D.'S FAILURE,

YOU'RE REALLY RECKLESS.
.....
HAA..
TO PEOPLE LIKE DOCTOR KATAGANE, WHO SPECIALIZE IN STUDYING ONLY CERTAIN ANIMALS, R.E.D 'S 2ND DIVISION, WHICH TREATS ALL KINDS OF ANIMALS, IS AN INTRUSION.
AS LONG AS THERE'S A CHANCE, THEY WILL WANT TO DESTROY R E D..



SINCE WE'RE ALREADY AT THIS STAGE, I REALLY DON'T KNOW IF I SHOULD CALL YOU SILLY OR STUPID YOUNG PEOPLE REALLY...
SINCE THE OPPONENT IS A PENGUIN EXPERT, DON'T TELL ME YOU DIDN'T THINK THAT THE OPPONENT IS MORE KNOWLEDGEABLE ABOUT THE SUBJECT THAN YOU?
AND YOU LET YOURSELF BE PROVOKED BY HIM, GIVING THE OPPONENT A GREAT CHANCE TO ATTACK R E D.

I'M REALLY SORRY

THEIR ACTIONS ARE NOBLE, RIGHT?
HE AND THAT KEEPER CALLED NISHIZAWA JUST WANT TO SAVE THE PENGUIN'S LIFE, AND WENT AGAINST KATAGANE.
CHAR-IMAN
ALL RIGHT ALL RIGHT, DON'T BLAME THIS BRAT ANYMORE
OF COURSE, THIS BRAT WAS RECKLESS IN HANDLING THINGS
BUT A WILLINGNESS TO PROTECT THE WEAK!
TO A VET, THE MOST IMPORTANT THING ISN'T KNOWLEDGE ...
RED

BUT THIS YOUNG DOCTOR HAS NOBLE SENTIMENTS, I FEEL REALLY PROUD!
N..NO..
DID I SAY SOMETHING ABSURD?
OH, THIS IS..
HEY.. HEY, WHAT ARE YOU DOING? OLD MAN!
WHAT?
EVEN IF?
EVEN IF IT'S LIKE THIS —
EVEN IF?
That's enough!
You're a talented person, and it's rare to find someone with as much promise as you.
MAYBE I BRAINWASHED HIM TOO MANY TIMES, BUT THE CHAIRMAN'S PERSONALITY'S SLIGHTLY DIFFERENT.

I KNOW PENGUINS USE THEIR BEAKS TO LOOK FOR FOOD AND FIGHT. RESIN ISN'T ROBUST ENOUGH
RIGHT.
THEN WHAT DO YOU DO? TESSHOU?
AS I'VE MENTIONED EARLIER, PENGUIN'S BEAKS ARE DIFFERENT FROM TURTLES, SO RESIN CAN'T BE USED.
RED

CAN WE USE SOME SPECIAL METAL TO CREATE IT?
NO.
IF..IF THAT'S THE CASE,

HAA...IT'S REALLY DIFFICULT!
THERE'S SOMETHING EVEN MORE DIFFICULT
PENGUIN ARE ALSO BIRDS,
SO TO THEM, METALS ARE TOO HEAVY.

EVEN IF WE REALLY CREATE A NEW BEAK FOR IT, IT WILL GRADUALLY ACCUMULATE DIRT IN IT.
SO WE ALSO HAVE TO CONSIDER HOW TO CLEAN IT REGULARLY.
AFTER A TURTLE GROWS UP, THE SHELL STOPS GROWING ...
BUT THE PENGUIN'S BEAK, AFTER IT GROWS UP, WILL STILL SLIGHTLY METABOLIZE.
RE .. // REALLY?
HAA.
TO SUMM-ARIZE WHAT RYOUTOU SAID...
I NEED TO LOOK FOR A MATERIAL THAT'S HARDER THAN RESIN, LIGHTER THAN METAL, AND AT THE SAME TIME EASY TO CLEAN REGULARLY...

I'LL PROBABLY HAVE TO JUST APOLOGIZE TO THE REPORTERS. THAT SHOULD END IT, BUT...
ガリ
IF THERE REALLY WERE SUCH MAGICAL THING, THEN WE WOULDN'T HAVE TO WORK SO HARD.
HAA..
IN THE END I STILL WON'T BE ABLE TO HELP THAT PENGUIN AND NISHIZAWA!
WHY ARE YOU SIGHING NON-STOP! DOCTOR!
I'M WONDERING WHETHER THERE WERE OTHER WAYS..
BECAUSE OF THAT PENGUIN MATTER,
HEHE, OF COURSE I KNOW
SENOU-SAN,

THIS IS DR. RYOTOU'S MESSAGE
HE AND THE DIRECTOR WILL LOOK FOR SUITABLE MATERIAL, TO CREATE THE PENGUIN'S BEAK,
HE WANTS YOU TO GET A MOLD OF THAT PENGUIN'S BEAK.
RYOUTOU AND DIRECTOR?
YES!
THEN I'M NOT AFRAID ANYMORE!
THAT'S RIGHT!
DR RYOUTOU'S COMPLAINING, BUT HE ACTUALLY THINKS LIKE
HE COMPLETELY UNDERSTANDS YOUR FEELINGS.
RYOUTOU

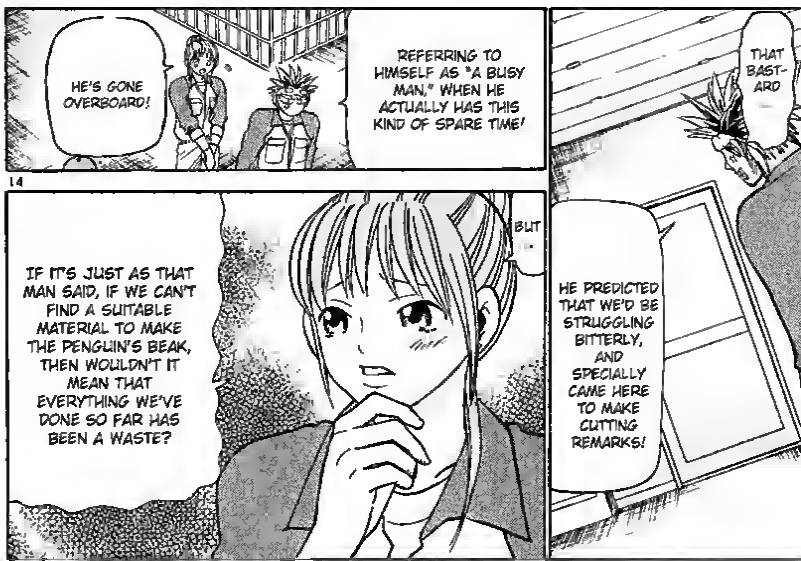
NEW WORLD
OH... YEAH!
ANYWAY, WE DON'T HAVE MUCH TIME, SO LET'S DO WHAT WE CAN FIRST!
Ugyo gyo --
OK, NISHIZAWA, TO SET THE MOLD, I NEED TO LEVEL ITS BEAK, SO HOLD ONTO IT FIRMLY.
GOT IT.
BUT, WE'RE DOING THIS TO HELP YOU, SO BEAR WITH IT A LITTLE LONGER.
SORRY, PENKICHI
ALL RIGHT, IT'S DONE, PENKICHI.
Mga gugu
GOOD!
NEXT I'LL HAVE TO SET A MOLD. THEN WE'LL BE DONE, SO BEAR WITH IT A LITTLE LONGER.

ALL RIGHT!!
YES!
IT'S DONE, NISHI-ZAWA
OH ..
PHEW .. WE'VE FINALLY GOT THE MOLD
!
HA HA HA -
OH, IT PROBABLY GOT STABBED BY THE PENGUIN'S BROKEN BEAK
BANDAGE! BANDAGE!
I APOLOGIZE DOCTOR, IT'S ALL PENKICHI'S FAULT.
DR IWASHIROU, YOUR ARM IS BLEEDING!
AH ..
WAA! REALLY!

HAHAHA, DON'T MIND IT!
ITS BEAK IS BROKEN, ITS BODY IS WEAK, SO I CAN'T ANESTHETIZE IT,
ALSO, IT DIDN'T KNOW WHAT I WAS DOING!
THANKS, SENOU-SAN
DOC-TOR..
CAN'T BE HELPED, IT'S A SMALL MATTER!
HAHAHA! IT REALLY CAN'T BE HELPED!
DOC-TOR KATA-GANE... When did you arrive?
EVEN I, "WORLD'S KATAGANE" PENGUIN DOCTOR, DON'T KNOW WHAT YOU'RE DOING!

TCH!
YOU CAN TELL AT A GLANCE, I'M SETTING A BEAK'S MOLD FOR THE PENGUIN!
HA HA HA!
SETTING A BEAK'S MOLD?
WHAT FOR!?
IT'S JUST SETTING A BEAK'S MOLD, WHICH ANYONE CAN DO,
BUT WHAT'S MORE IMPORTANT IS WHAT MATERIALS ARE USED TO CREATE A BEAK!
HAVE YOU REALLY THOUGHT OF THE MATERIALS YET?
UH... OF COURSE!
OH..! THEN THAT'S GREAT
HMPH! REAL IDIOT!
HE THINKS USING A BLUFF WOULD SCARE
I'LL WAIT TO SEE YOUR ACHIEVEMENT. SO TAKE YOUR TIME TO CREATE THE BEAK!
BUT...

IF YOU'RE TOO RECKLESS, YOU'LL KILL THE PENGUIN!
WAHAH AHA! HOHOH OHO!



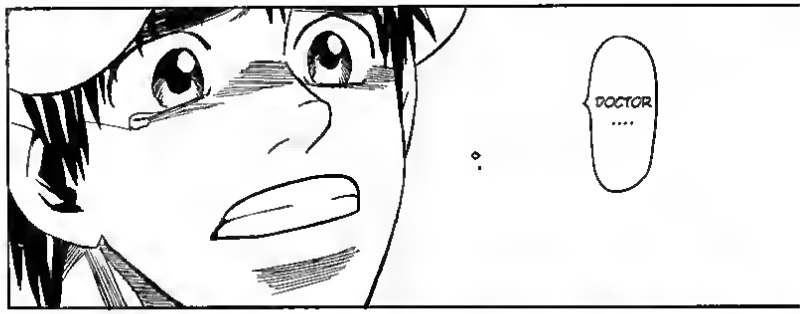
HE'S GONE OVERBOARD!
REFERRING TO HIMSELF AS "A BUSY MAN," WHEN HE ACTUALLY HAS THIS KIND OF SPARE TIME!
THAT BAST-ARD
14
IF IT'S JUST AS THAT MAN SAID, IF WE CAN'T FIND A SUITABLE MATERIAL TO MAKE THE PENGUIN'S BEAK, THEN WOULDN'T IT MEAN THAT EVERYTHING WE'VE DONE SO FAR HAS BEEN A WASTE?
BUT...
HE PREDICTED THAT WE'D BE STRUGGLING BITTERLY, AND SPECIALLY CAME HERE TO MAKE CUTTING REMARKS!

IF IT REALLY IS IMPOSSIBLE, THEN WE DON'T HAVE TO FORCE IT.
DOC-TOR ...
.....
ALTHOUGH THE DIRECTOR AND DR. RYOUTOU ARE DOING THEIR BEST TO HELP,

DOC TOR ....
PENKICHI WILL BE IN BAD SHAPE, BUT AS LONG AS IT'S KEPT SEPARATELY, I BELIEVE IT WILL LIVE A LITTLE LONGER.

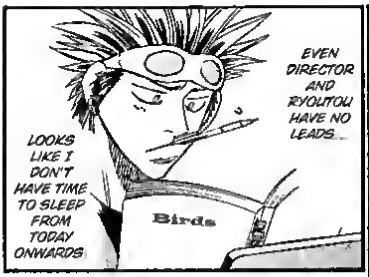
.....
DON'T WORRY!
IF EVEN YOU ADMIT DEFEAT, THEN PENKICHI WILL BE REALLY IN BAD SHAPE!
THIS ISN'T LIKE YOU! NISHIZAWA!

PENKICHI WILL BE FINE!
BECAUSE WE HAVE TWO SKILLED HELPERS IN DIRECTOR AND RYOUTOU



DOCTOR ....

HAVE YOU FOUND ANYTHING?
RYOU-OTOU!
NOPE...
DI.. DI.. RECTOR?
RE...
REALLY?



EVEN DIRECTOR AND RYOUTOU HAVE NO LEADS...
LOOKS LIKE I DON'T HAVE TIME TO SLEEP FROM TODAY ONWARDS
Birds

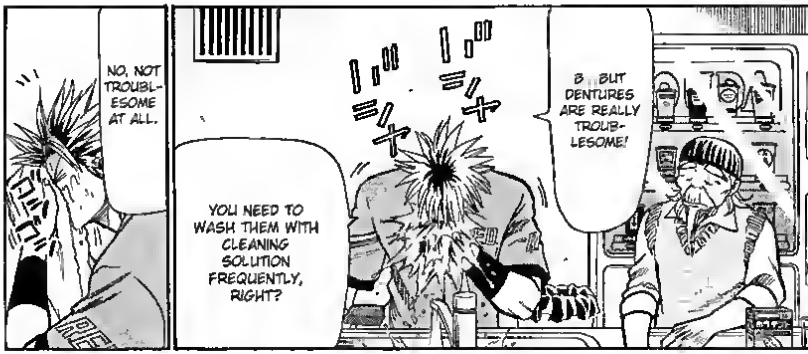
HAA...

HOT-WATER SUPPLY ROOM

AH-GEEZ!
I'M GONNA WASH MY FACE TO FRESHEN UP!

HEY! TESSHOU.
OSSAN..
AH!
YOU'VE LEARNED TO WASH YOUR DENTURES IN THE RESTROOM, HUH?
WHAT ARE YOU TALKING ABOUT?
I'VE NEVER WASHED THEM OUTSIDE THE RESTROOM.
WHAT?
EI- RIGHT... HE'S FORGOTTEN EVERYTHING AFTER BEING BRAINWASHED BY RYOUTOU.

NO... NOTHING.
WHAT'S WRONG?



NO, NOT TROUBLESOME AT ALL.
YOU NEED TO WASH THEM WITH CLEANING SOLUTION FREQUENTLY, RIGHT?
B...BUT DENTURES ARE REALLY TROUBLESOME!

I BRUSH MY TEETH EVERYDAY, SO DIPPING THEM WITH CLEANING SOLUTION ONCE A WEEK IS ENOUGH. FURTHERMORE, SINCE THIS PIECE OF DENTURES IS VERY LIGHT, IT WON'T CAUSE A BURDEN.
BESIDE, THIS CURRENT PIECE IS HARDER THAN THE PREVIOUS ONE, SO IT WON'T BREAK.

OF COURSE IT CAN'T BE COMPARED TO REAL TEETH, BUT IT'S PRETTY COMFORTABLE
OHHH REALLY?
Y..YES! THAT'S IT!
WHAT ?
BRAT, WHAT ARE YOU DOING?
THAT'S GREAT!

THANKS A LOT! OSSAN!
LIKE THIS WE'LL BE ABLE TO CREATE PENKICHI'S BEAK!

WOOF WOOF

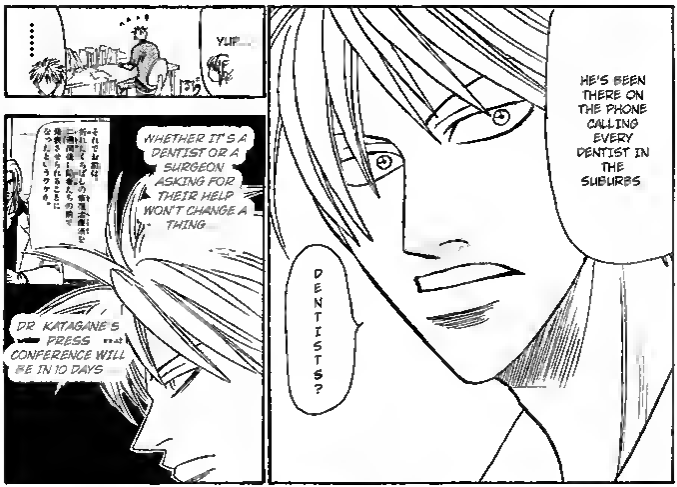
THE TITLE OF THE ARTICLES

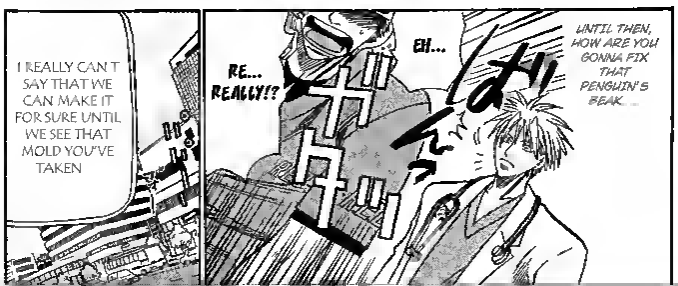
I-IS THAT SO...
BUT IT'S JUST NOT POSSIBLE
NO WE SPECIALIZE IN HUMAN DENTISTRY
YOU'RE REQUEST IS QUITE...
PLEASE CAN'T YOU DO SOMETHING ABOUT IT!!!

JUST WHERE IS HE CALLING TO?
HE'S BEEN DOING THAT SINCE MORNING
ALRIGHT, NEXT!!
MS SENO
YOU SEE
HE WANTS TO GET SOME DENTURES NO MATTER WHAT...



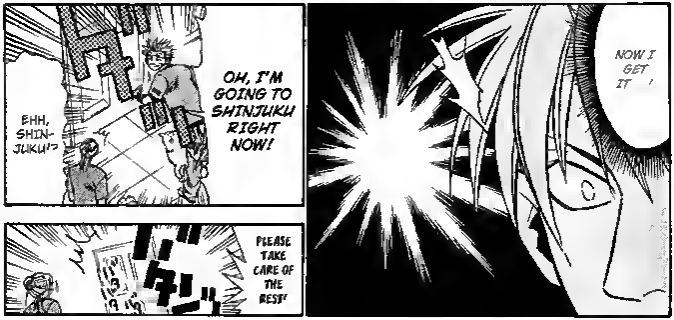
YUP...
WHETHER IT'S A DENTIST OR A SURGEON ASKING FOR THEIR HELP WON'T CHANGE A THING...
DR. KATAGAIRI'S PRESS CONFERENCE WILL BE IN 10 DAYS...
HE'S BEEN THERE ON THE PHONE CALLING EVERY DENTIST IN THE SUBURBS
DENTISTS?

2

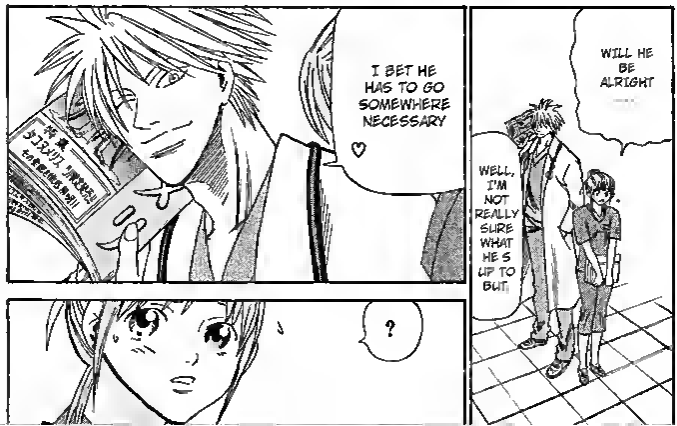


I REALLY CAN'T SAY THAT WE CAN MAKE IT FOR SURE UNTIL WE SEE THAT MOLD YOU'VE TAKEN
RE... REALLY!?
EH...
UNTIL THEN, HOW ARE YOU GONNA FIX THAT PENGUIN'S BEAK...

I'LL BE THERE RIGHT AWAY !!
I'LL GO! I'LL GO!!
ANYWAYS YOU SHOULD COME HERE FIRST
OUR ENTHUSIASTIC DENTAL TECHNICIAN ICHINOE WANTS TO TAKE ON THE CHALLENGE ...
WHO KNOWS, HE MIGHT JUST BE ABLE TO DO IT
HM ? TEETH DENTURE
HEY DR TESSHO WHERE ARE YOU GOING

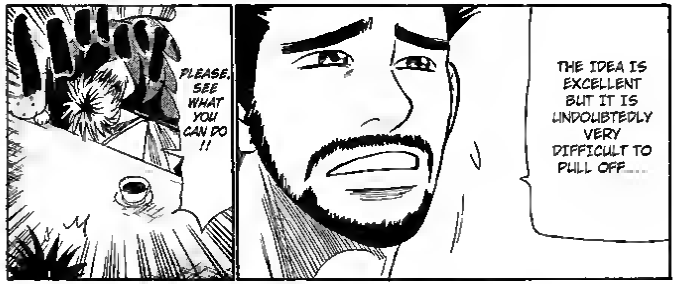


OH, I'M GOING TO SHINJUKU RIGHT NOW!
EHH, SHINJUKU!?
NOW I GET IT
PLEASE TAKE CARE OF THE REST!



I BET HE HAS TO GO SOMEWHERE NECESSARY
WILL HE BE ALRIGHT
WELL, I'M NOT REALLY SURE WHAT HE S UP TO BUT
?

.....
WILL YOU PLEASE HELP ME ON THIS!?
SHINJUKU
GREEN DENTAL CLINIC
THAT'S THE SITUATION...
HMM...
WHAT DO YOU THINK ICHINOE?

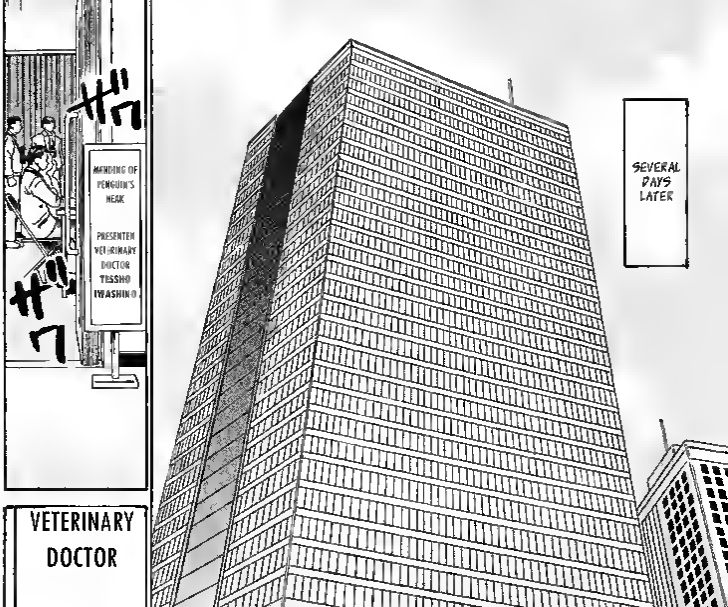


PLEASE, SEE WHAT YOU CAN DO!!
THE IDEA IS EXCELLENT BUT IT IS UNDOUBTEDLY VERY DIFFICULT TO PULL OFF....

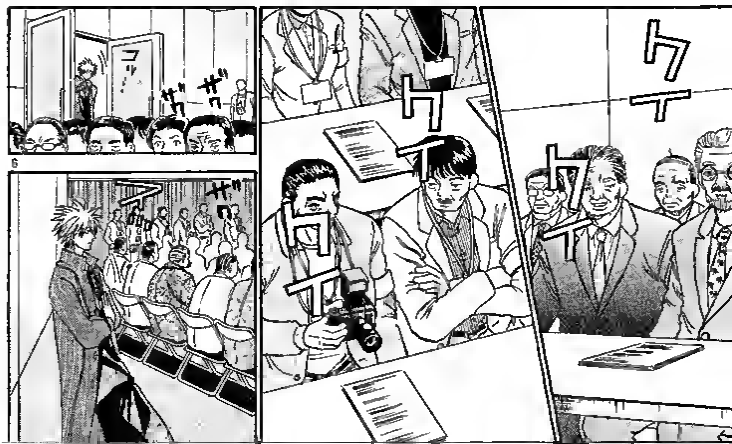
I BET HE'S VEXED BEING UNABLE TO EAT ON HIS OWN!!
SEEING HIM THE OTHER DAY, I THINK HE'S VERY LONELY BEING ISOLATED FROM THE REST OF THE GROUP!

I BELIEVE THAT THE SUFFE-RING OF ANIMALS IS JUST THE SAME AS THE SUFFE-RING OF HUMANS ...!!
.....
SO IF THERE'S EVEN A LITTLE CHANCE TO HELP HIM, I'LL TRY IT!!
IT BREAKS MY HEART JUST THINKING ABOUT IT!

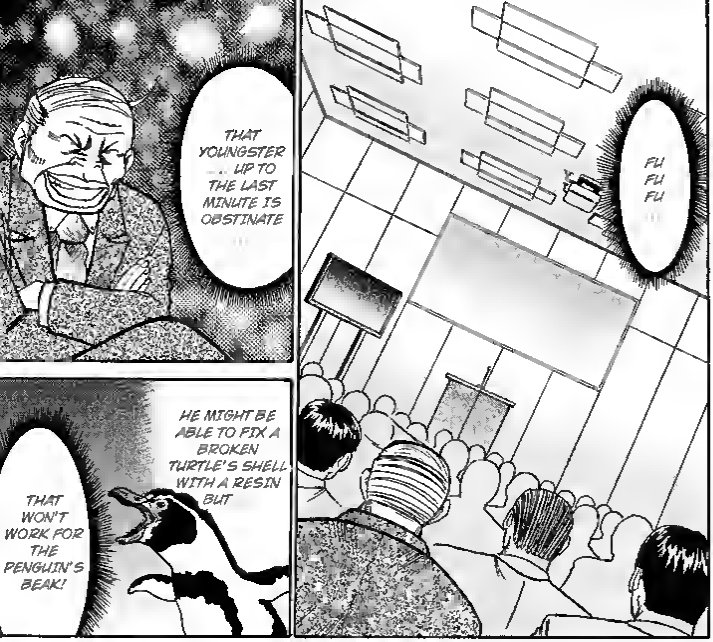
...I UNDERSTAND... PLEASE RAISE YOUR HEAD MR. IWASHIRO.
THA...
THANK YOU VERY MUCH!!
BUT I'LL DO IT TO THE BEST OF MY ABILITIES!!
HONESTLY, I DON'T HAVE THE CONFIDENCE TO DO IT...



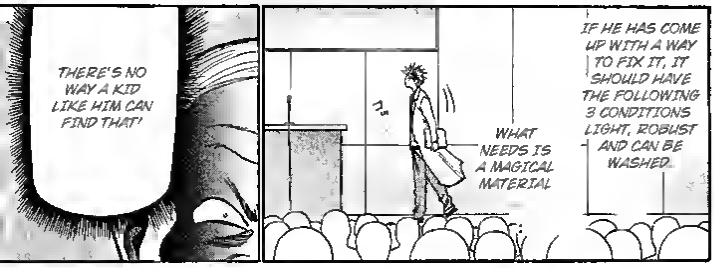
MENDING OF PENGUIN'S BEAK
PRESENTEN VETERINARY DOCTOR TESSHO IWASHIRO
SEVERAL DAYS LATER
VETERINARY DOCTOR
TESSHO IWASHIRO



6



THAT YOUNGSTER ... UP TO THE LAST MINUTE IS OBSTINATE
FU FU FU
HE MIGHT BE ABLE TO FIX A BROKEN TURTLE'S SHELL WITH A RESIN BUT
THAT WON'T WORK FOR THE PENGUIN'S BEAK!

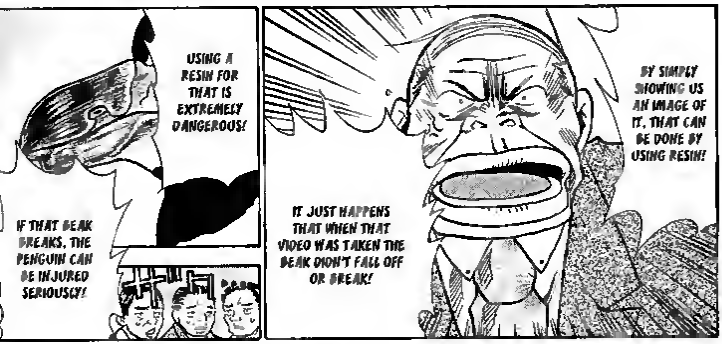


THERE'S NO WAY A KID LIKE HIM CAN FIND THAT!
WHAT NEEDS IS A MAGICAL MATERIAL
IF HE HAS COME UP WITH A WAY TO FIX IT, IT SHOULD HAVE THE FOLLOWING 3 CONDITIONS LIGHT, ROBUST AND CAN BE WASHED.

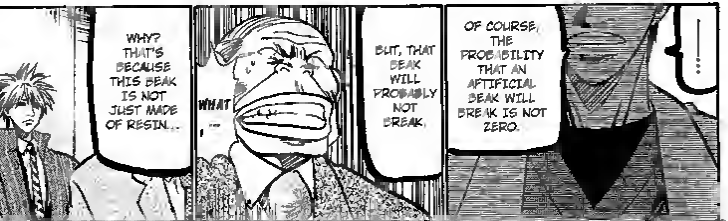
OH YEAH, RIGHT
WELL THEN DR. TESSHO IWASHIRO, PLEASE BEGIN THE ANNOUNCEMENT OF THE METHOD TO FIX THE PENGUINS BEAK
IN FRONT OF THIS PRESS CONFERENCE, I'LL HUMILIATE R E D!!
FU HA HA HA HA
I'LL MAKE YOU BEG FOR FORGIVENESS FROM ME THE "WORLD'S KATAGANE"

FIRST PLEASE WATCH THIS VIDEO THAT WE TOOK YESTERDAY
IT MIGHT NOT BE THAT OBVIOUS BUT.
THAT ONE IN THE MIDDLE IS THE LUCKY PENGUIN THAT RECEIVED THE ARTIFICIAL BEAK!
OHH!!
INCREDIBLE! IT'S HARD TO DIFFERENTIATE IT FROM THE OTHER PENGUINS!!
IM-POSSI-BLE!
AS YOU SEE WITH THE ARTIFICIAL BEAK THIS PENGUIN CAN EAT BY ITSELF AND TO TOP IT ALL ...
IT DOESN'T FALL OFF OR BREAK EVEN IF IT IS ATTACKED BY THE OTHER PENGUINS.

PUHAHA IT'S FIGHTING BACK!
IT'S ADORABLE!
DON'T MESS WITH ME!!
PLUS IT CAN HANDLE A COUNTER-ATTACK!

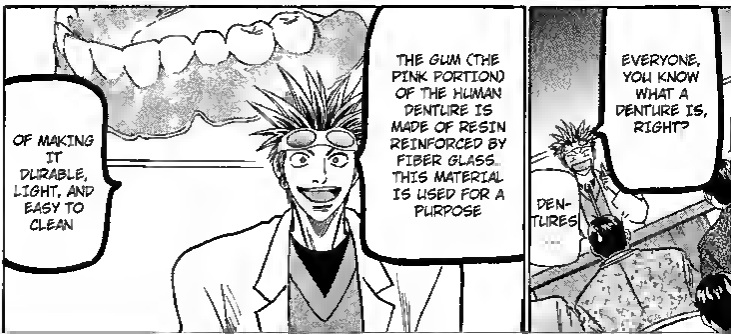


USING A RESIN FOR THAT IS EXTREMELY DANGEROUS!
IF THAT BEAK BREAKS, THE PENGUIN CAN BE INJURED SERIOUSLY!
IT JUST HAPPENS THAT WHEN THAT VIDEO WAS TAKEN THE BEAK DIDN'T FALL OFF OR BREAK!
BY SIMPLY SHOWING US AN IMAGE OF IT, THAT CAN BE DONE BY USING RESIN!

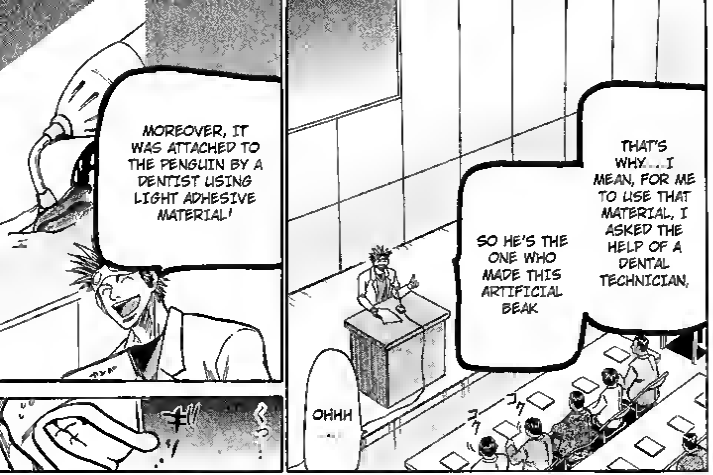


WHY? THAT'S BECAUSE THIS BEAK IS NOT JUST MADE OF RESIN...
WHAT...
BUT, THAT BEAK WILL PROBABLY NOT BREAK.
OF COURSE, THE PROBABILITY THAT AN ARTIFICIAL BEAK WILL BREAK IS NOT ZERO.
!!

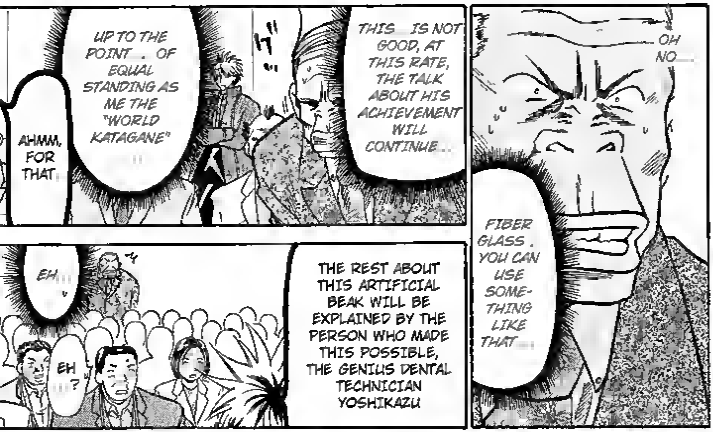
FIBER GLASS!?
WE ALSO USED FIBER GLASS TO MAKE IT!



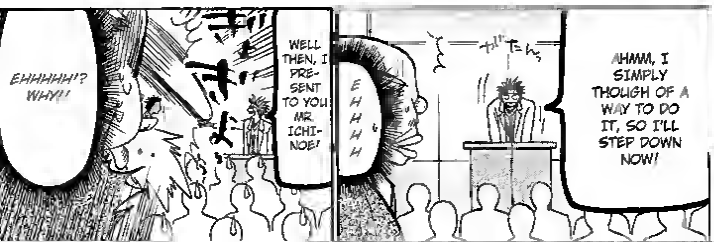
EVERYONE, YOU KNOW WHAT A DENTURE IS, RIGHT?
DEN-TURES
THE GUM (THE PINK PORTION) OF THE HUMAN DENTURE IS MADE OF RESIN REINFORCED BY FIBER GLASS. THIS MATERIAL IS USED FOR A PURPOSE
OF MAKING IT DURABLE, LIGHT, AND EASY TO CLEAN



MOREOVER, IT WAS ATTACHED TO THE PENGUIN BY A DENTIST USING LIGHT ADHESIVE MATERIAL!
OHHH
SO HE'S THE ONE WHO MADE THIS ARTIFICIAL BEAK
THAT'S WHY... I MEAN, FOR ME TO USE THAT MATERIAL, I ASKED THE HELP OF A DENTAL TECHNICIAN,



AHMM, FOR THAT
UP TO THE POINT . OF EQUAL STANDING AS ME THE "WORLD KATAGANE"
THIS IS NOT GOOD, AT THIS RATE, THE TALK ABOUT HIS ACHIEVEMENT WILL CONTINUE..
OH NO...
FIBER GLASS . YOU CAN USE SOME-THING LIKE THAT...
EH
EH ?
THE REST ABOUT THIS ARTIFICIAL BEAK WILL BE EXPLAINED BY THE PERSON WHO MADE THIS POSSIBLE, THE GENIUS DENTAL TECHNICIAN YOSHIKAZU

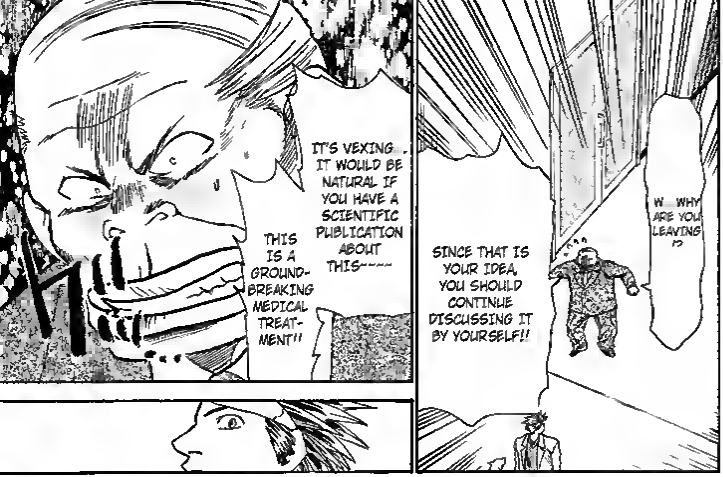


EHHHHH!? WHY!!
WELL THEN, I PRE-SENT TO YOU MR. ICHI-NOE!
EHHHH
AHMM, I SIMPLY THOUGH OF A WAY TO DO IT, SO I'LL STEP DOWN NOW!

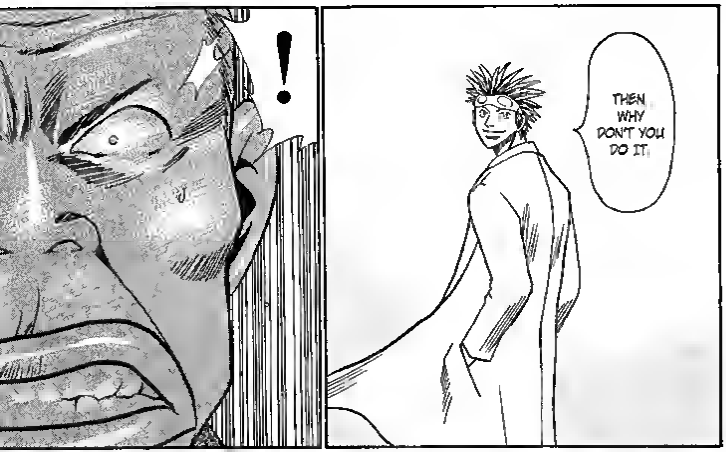
THANKS I'LL INTRODUCE MYSELF, I'M THE DENTAL TECHNICIAN ICHINOE
OHH
HIS HAIR, MOREOVER HIS A BEARDED MAN~~~~
THANK YOU VERY MUCH
NO NEED

EH... THIS TIME, I COMMISSIONED THIS PROJECT UPON THE REQUEST OF VET TESSHO IWASHIRO, AND DUE TO HIS UNYIELDING PASSION
"WHETHER IT'S HUMAN OR ANIMAL, THE WEIGHT OF THEIR LIVES IS THE SAME" THAT'S HOW HE THINKS
BYE OLD MAN
SO I, A DENTAL TECHNICIAN, CAN ONLY SYMPATHIZE WITH HIM

HEY, WAIT!!



IT'S VEXING. IT WOULD BE NATURAL IF YOU HAVE A SCIENTIFIC PUBLICATION ABOUT THIS~~~~
THIS IS A GROUND-BREAKING MEDICAL TREAT-MENT!!
SINCE THAT IS YOUR IDEA, YOU SHOULD CONTINUE DISCUSSING IT BY YOURSELF!!
W... WHY ARE YOU LEAVING!?



!
THEN WHY DON'T YOU DO IT

I DON'T NEED ANYTHING.
IMPOSSI-BLE...! THEN WHAT ARE YOUR ASPIRA-TIONS..
I'M NOT INTERESTED IN BECOMING FAMOUS.
I'M JUST A VET.

JUST THAT WHEN MY PATIENT IS HEALED, IT BRING ME HAPPINESS. MOREOVER, IF MY ACTIONS BRING HAPPINESS TO SOMEONE, IT MAKES ME EVEN HAPPIER..
THAT'S ALL.

MR. ICHINOE ALSO, MADE THIS ARTIFICIAL BEAK FOR FREE!
!
BY THE WAY OLD MAN!
BU.. BUT
.....

BUT, IT SEEMS THAT YOU DON'T GET IT AT ALL....
ACTUALLY, THAT GUY ALSO THINKS THAT THE BOTH THE HUMAN LIFE AND THE ANIMAL LIFE ARE VALUABLE SO HE WASN'T REALLY EXPECTING ANYTHING FROM DOING IT!
WHATEVER! I'LL BE LEAVING THEN!
AH, WAIT HEY...!
.....

.....

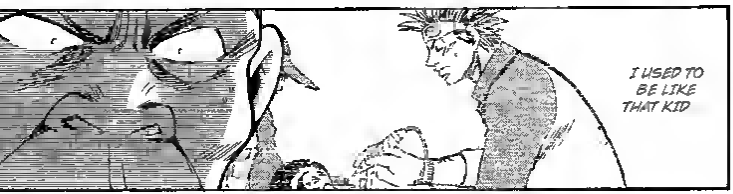
YOU, YOU ARE...
!
...MR. KATAGANE.

PROFESSOR KENI RYOTO'S SON... TSUKASA!
IT'S BEEN A WHILE DOCTOR.
HAS IT BEEN ABOUT 18 YEARS?
YE... YEAH ...
BUT, YOU HAVEN'T CHANGED ...
YOUR FATHER IS THE SAME. NO MATTER HOW MANY YEARS PASS, YOUR FACES ARE AS YOUNG AS ALWAYS...
WELL SAID ♡
MONSTERS !?

BUT DR KATAGANE ...
YOU HAVE CHANGED A LOT IN THE PAST 18 YEARS,

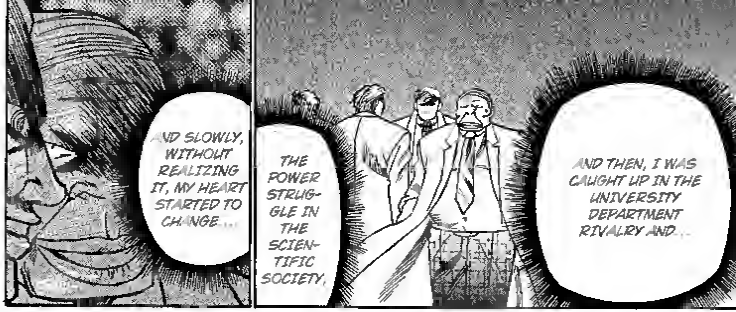
NOT JUST THE APPEARANCE BUT THE ...
HEART!
!
BACK WHEN I MET YOU, YOU WERE SOMEONE WHO PUTS OUT ALL HIS EFFORTS TO PROTECT THE HUMBOLDT PENGUINS THAT WERE IN THE VERGE OF EXTINCTION WITHOUT EXPECTING ANYTHING IN RETURN ...

THAT WAS THE PAST YOU..
I WON'T BE ABLE TO MEET THAT MAN NOW....
THAT RIGHT..
NOW, THE INCREASING NUMBER OF THAT BREED IS YOUR ACHIEVEMENT ...
BUT ~~~~~

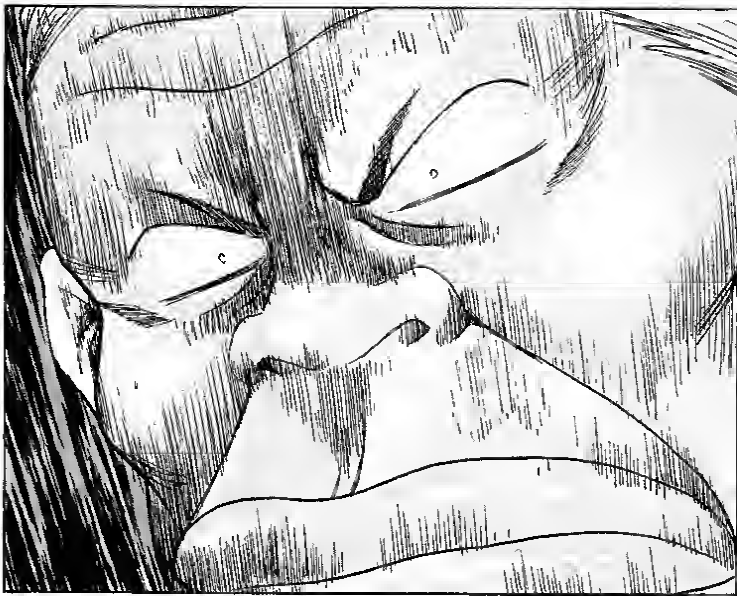


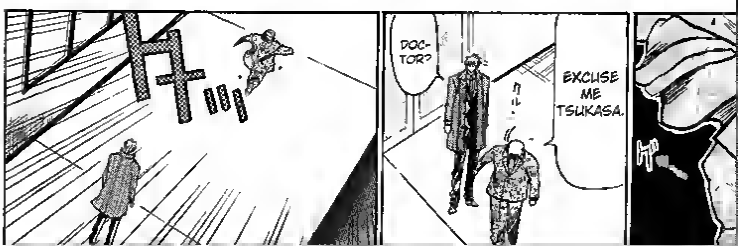
I USED TO BE LIKE THAT KID

ALL I CARE IN THIS WORLD BEFORE WAS TO PROTECT THE LIVES OF THOSE SUFFERING ADORABLE CREATURES
ㅋㅋ...
OOO



ND SLOWLY, WITHOUT REALIZING IT, MY HEART STARTED TO CHANGE...
THE POWER STRUGGLE IN THE SCIENTIFIC SOCIETY,
AND THEN, I WAS CAUGHT UP IN THE UNIVERSITY DEPARTMENT RIVALRY AND...





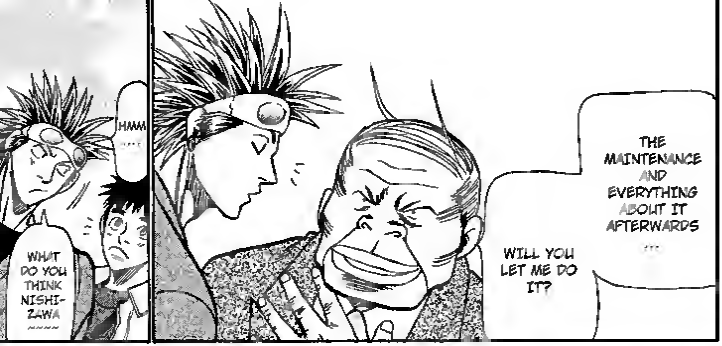
DOC-TOR?
EXCUSE ME TSUKASA.

OH... KID, YOU'RE HERE

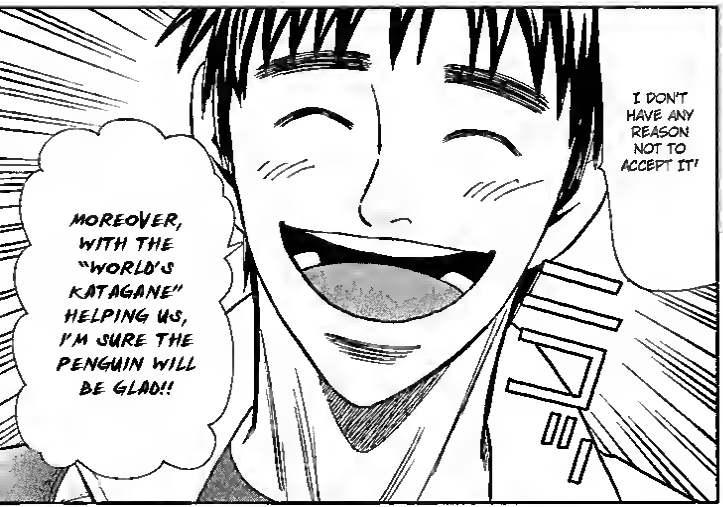
HUH?

?
THAT TALK WE HAD A WHILE AGO...
NO, AHMM..
WHAT'S IT OLD MAN, DO YOU STILL HAVE SOME BUSINESS WITH ME?
HAAA?
LIKE I SAID~~~~ DO WHAT YOU WANT!
NOPE
I REALLY THINK THAT THIS SHOULD BE PUBLISHED IN THE SCIENTIFIC SOCIETY..
THE RESEARCH YOU DID THIS TIME IS SOMETHING THAT CAN BE APPLIED TO OTHER BIRDS AS WELL

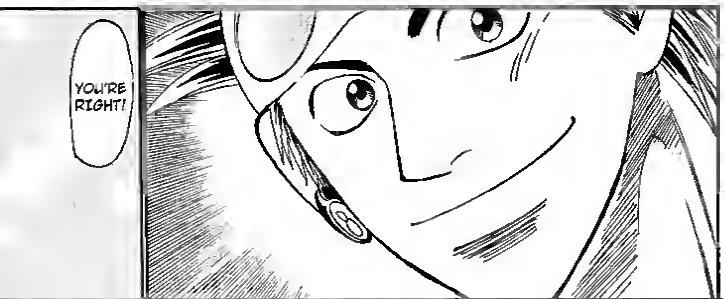
!
THIS SHOULD BE PUBLISHED UNDER YOUR NAME!



HMM.....
WHAT DO YOU THINK NISHI-ZAWA ~~~~
WILL YOU LET ME DO IT?
THE MAINTENANCE AND EVERYTHING ABOUT IT AFTERWARDS ...



I DON'T HAVE ANY REASON NOT TO ACCEPT IT!
MOREOVER, WITH THE "WORLD'S KATAGANE" HELPING US, I'M SURE THE PENGUIN WILL BE GLAD!!



YOU'RE RIGHT!

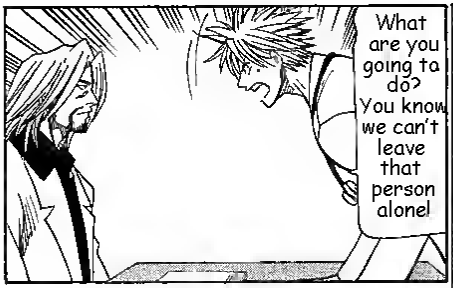
I heard, Rin is coming back from Canada after 2 years
Isn't he?

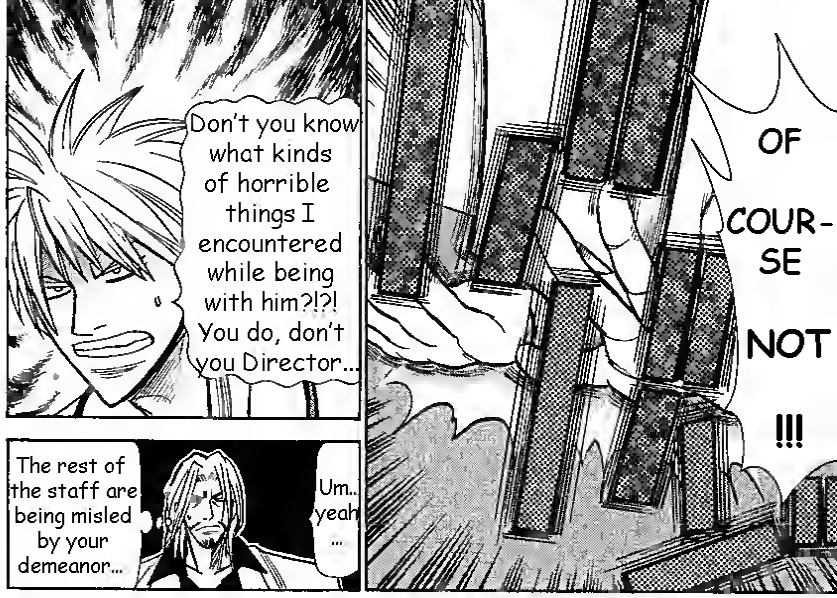


What are you going to do? You know we can't leave that person alone!

Oh, that ...

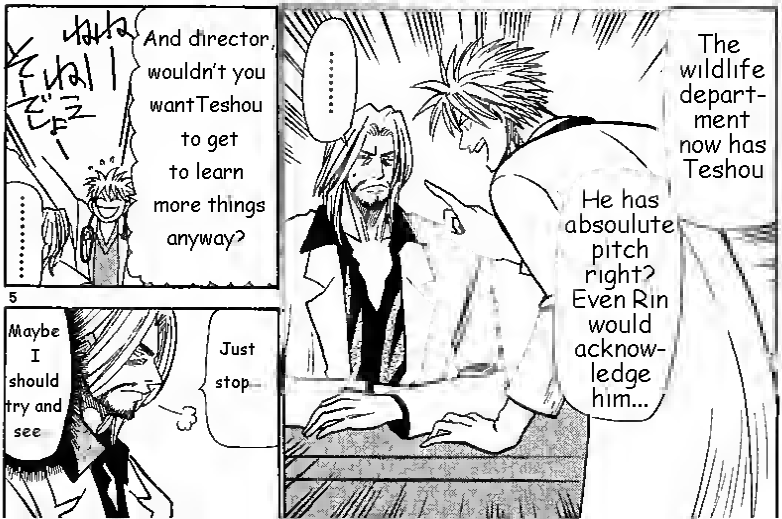
Then you'll just have to see to that, won't you?

What? You don't want to?
I Knew it...



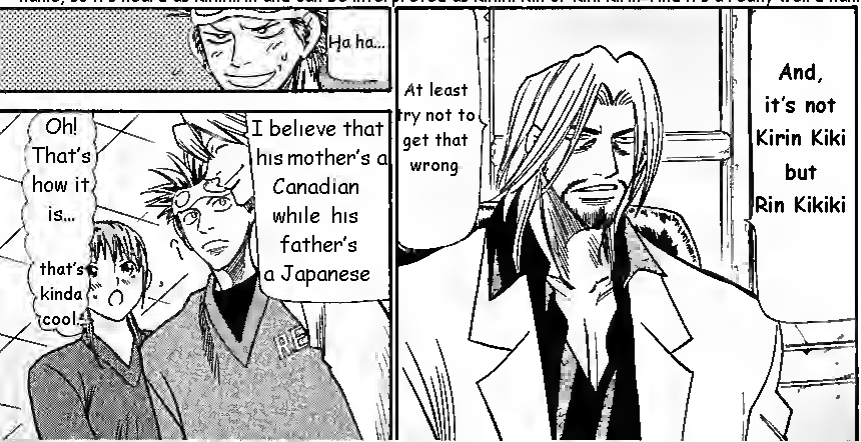
Don't you know what kinds of horrible things I encountered while being with him?!?! You do, don't you Director...
OF COUR-SE NOT !!!
The rest of the staff are being misled by your demeanor...
Um.. yeah ...

That's not entire-ly true...
No ...
But you see, Even so, there is no one else available who is on par with him

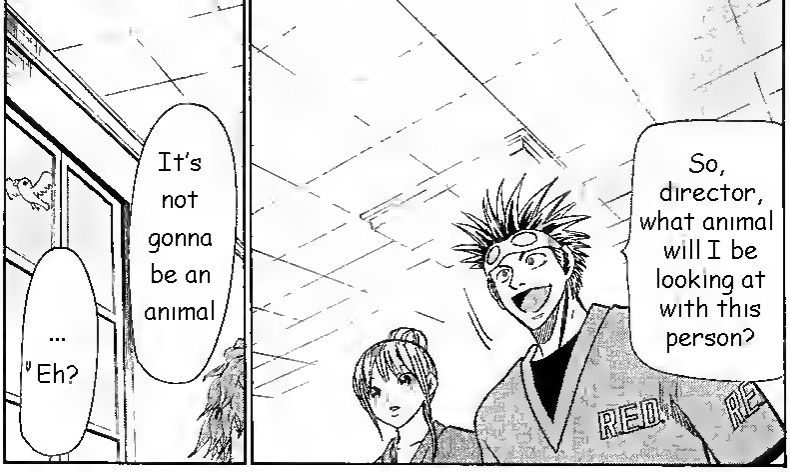


And director, wouldn't you want Teshou to get to learn more things anyway?
.....
The wildlife depart-ment now has Teshou
He has absoulute pitch right? Even Rin would acknow-ledge him...
Just stop...
Maybe I should try and see

For those who don't get how Rin Kikiki can become Kirin Kiki, in Japan, family name is placed before the given name, so it's heard as Kikikirin and can be interpreted as Kikiki Rin or Kiki Kirin. And it's a really weird name

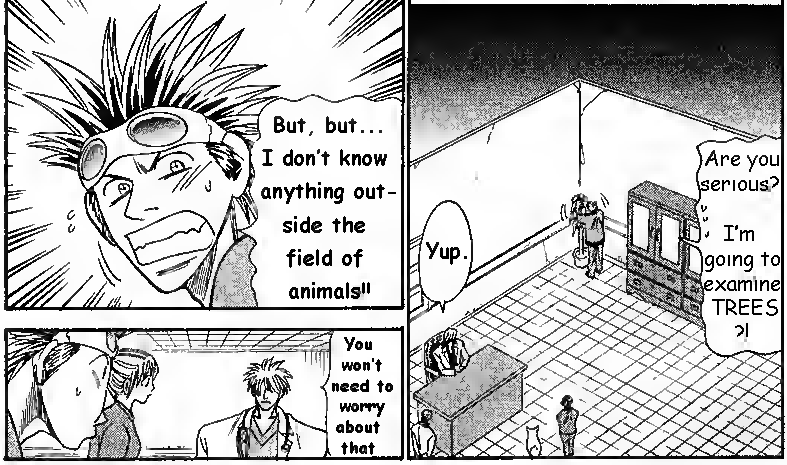


Ha ha...
Oh! That's how it is...
that's kinda cool!
I believe that his mother's a Canadian while his father's a Japanese
At least try not to get that wrong
And, it's not Kirin Kiki but Rin Kikiki



So, director, what animal will I be looking at with this person?
It's not gonna be an animal
...
Eh?

It's gonna be trees and shrubs
TREES and SHRUBS ?!
ギョギョ
This?
That's right and please put that back

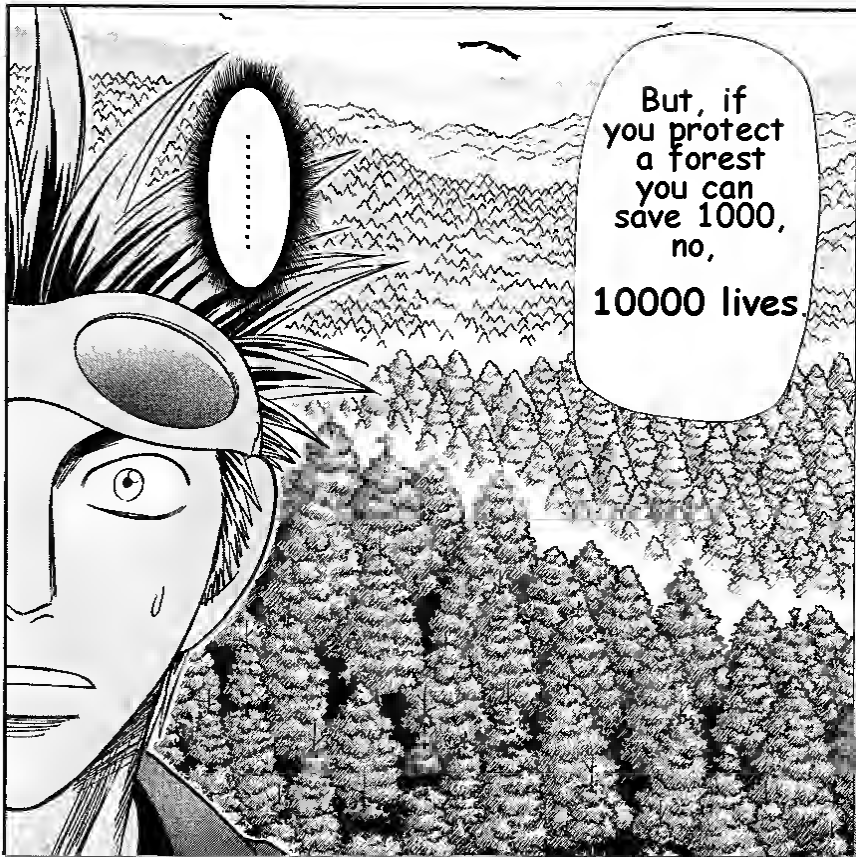


But, but... I don't know anything outside the field of animals!!
You won't need to worry about that
Yup.
Are you serious?
I'm going to examine TREES >I

Rin Kikiki is a vetenarian in our Wildlife department but at the same time...
He is among as the world's 3 only geniusn tree surgeons.
If it's about trees, he'll teach you all about it.

Well, I'm in good hands!
see?
Well, he really is beyond amazing though...
?
That's amazing!! One of the 3 in the world!!!

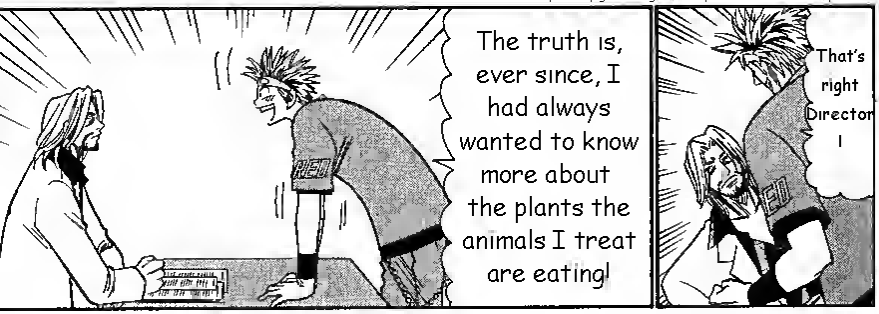
But I'm surprised. We're an animal hospital but we also examine trees!
That's true.
Take for example, even if you are an excellent vet, the most you can save at one time is probably 14.



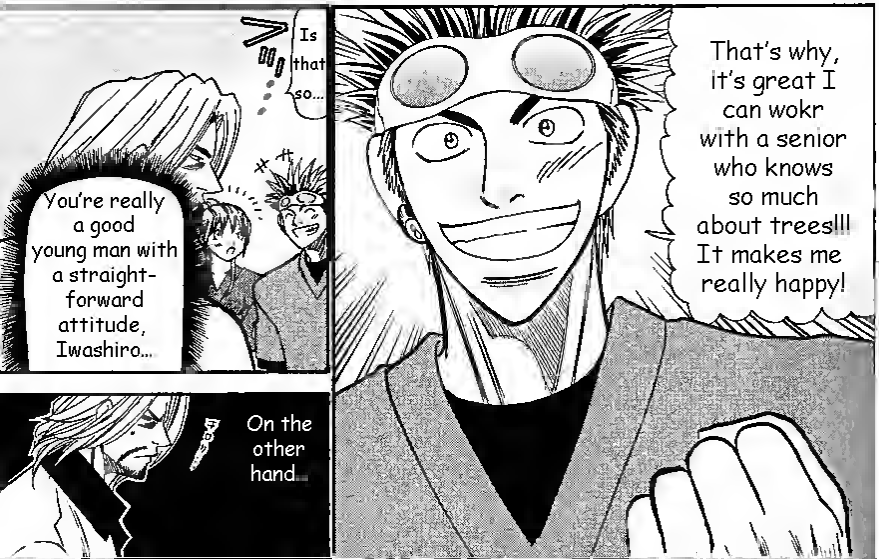
But, if you protect a forest you can save 1000, no,
10000 lives.
.....

Okay! I'll do my best!
For R.E.D that advocates absolute love and protection, it's instead stranger if we didn't examine trees.
Ah, that makes sense!
You're even more energetic than usual
ho ...

Sorry for that lame translation, it's a really vague term but probably gets the gist, if anyone has a better one, plz tell me.

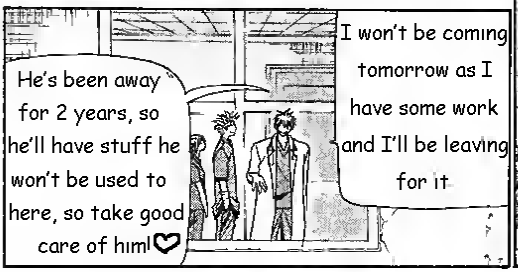


The truth is, ever since, I had always wanted to know more about the plants the animals I treat are eating!
That's right Director !



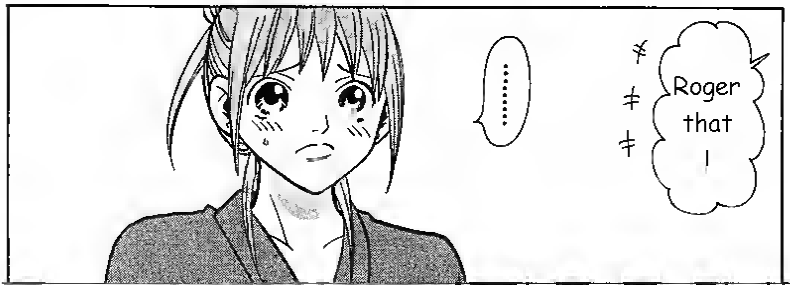
Is that so...
You're really a good young man with a straight-forward attitude, Iwashiro...
That's why, it's great I can wokr with a senior who knows so much about trees!!! It makes me really happy!
On the other hand...

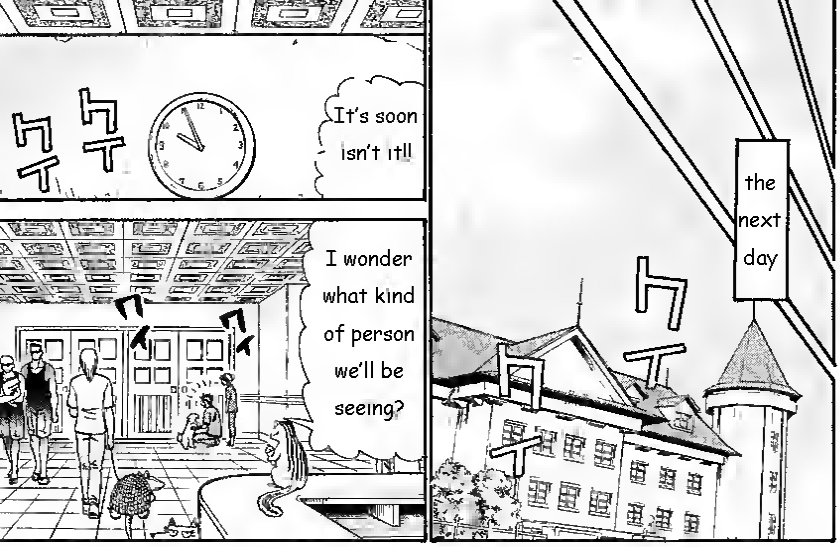
BG goes: I did it! He's stuck, hihihihihi. And it's uber ominous

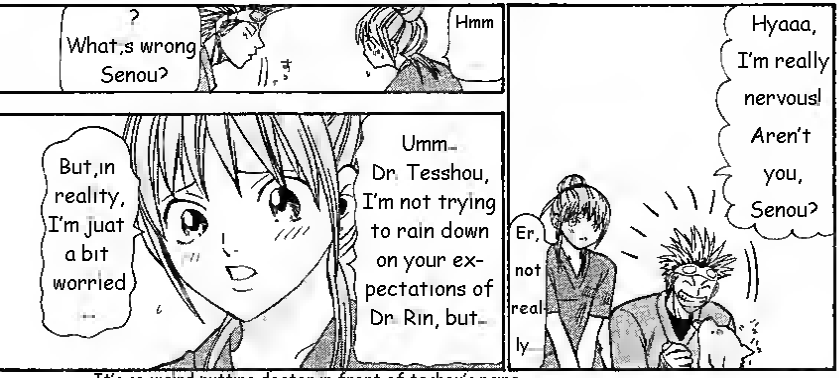


He's been away for 2 years, so he'll have stuff he won't be used to here, so take good care of him!
I won't be coming tomorrow as I have some work and I'll be leaving for it

11

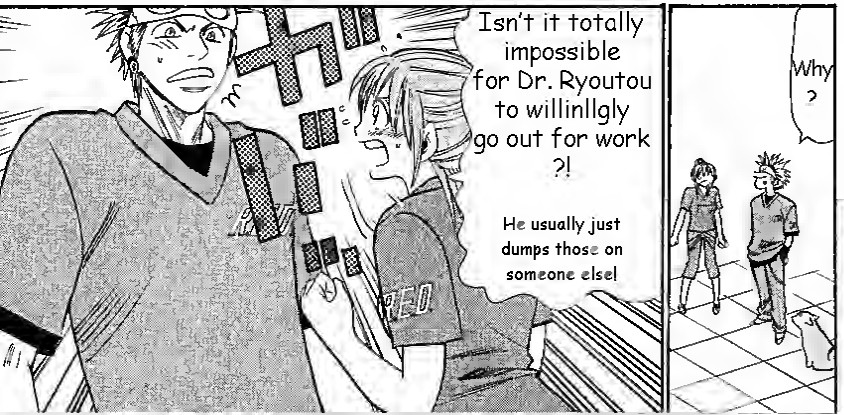


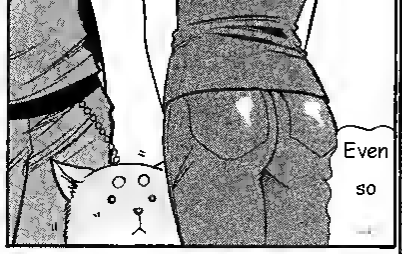




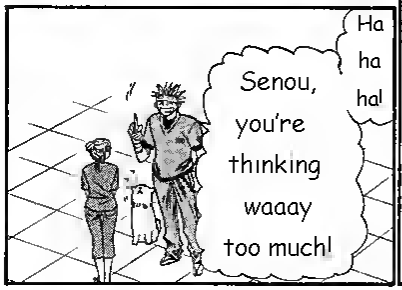
Hmm
What,s wrong Senou?
Hyaaa, I'm really nervous! Aren't you, Senou?
Er, not really
Umm… Dr. Tesshou, I'm not trying to rain down on your expectations of Dr. Rin, but…
But,in reality, I'm juat a bit worried…

It's so weird putting doctor in front of teshou's name





Even so



Ha ha ha!
Senou, you're thinking waaay too much!

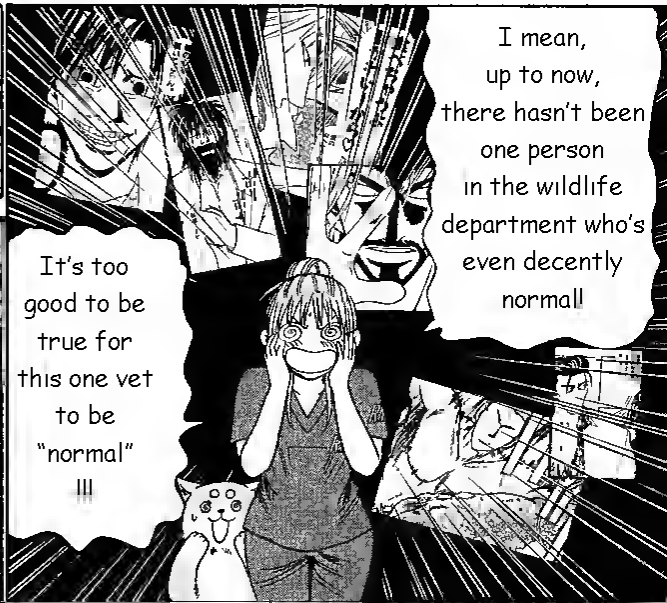
And also, Dr. Rin has been in Canada for 2 years hasn't he?
Normally you would want to see him again, wouldn't you?

Then, what?

No! That's not it !!
Well, our department is terribly shorthanded at the moment, so Ryoutou going off on a working trip isn't so strange

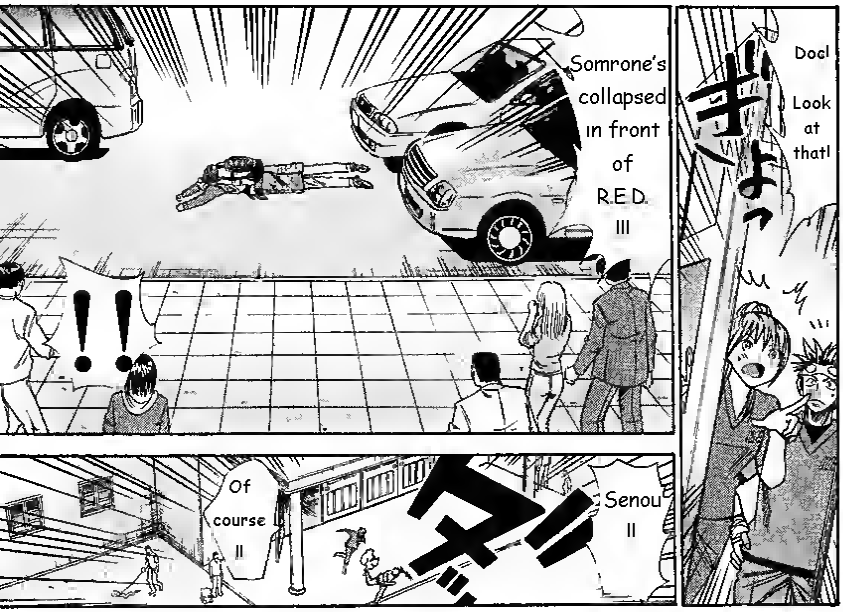
!

Now that you mention it ...

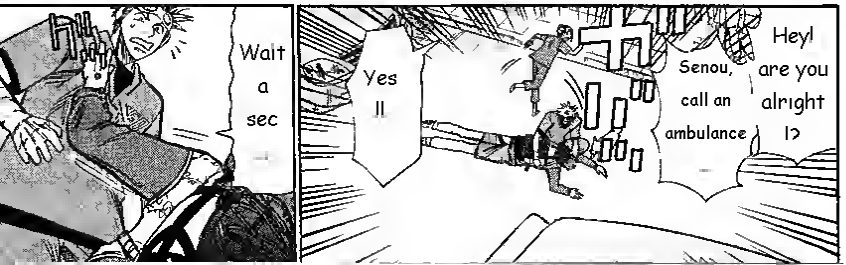


I mean, up to now, there hasn't been one person in the wildlife department who's even decently normal!
It's too good to be true for this one vet to be "normal" !!!

And this is a guy even Ryoutou runs away from...
Don't you agree !?
What's this? It's gotten very noisy around here
Eeeeh!



Somrone's collapsed in front of R.E.D. !!!
Doc! Look at that!
Of course !!
Senou !!



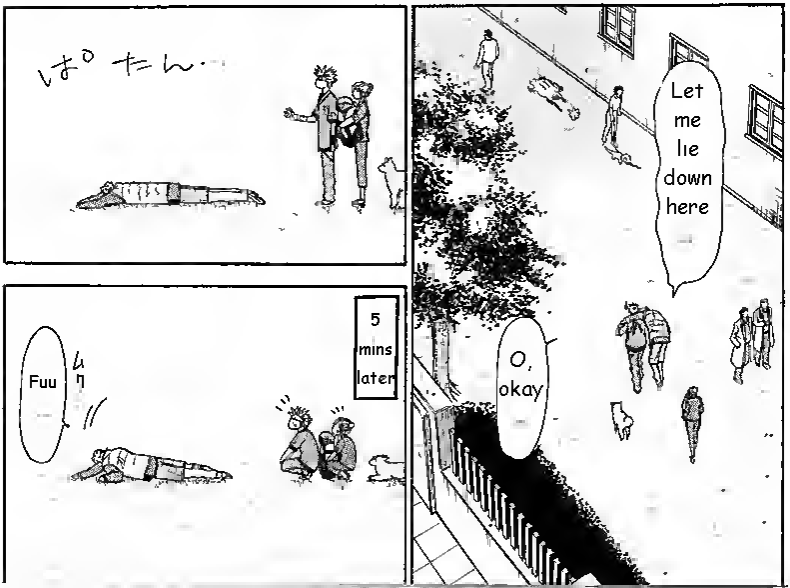
Wait a sec
Yes !!
Senou, call an ambulance
Hey! are you alright !?

I don't need the ambulance ...
so, bring me to a garden quickly ...

A... Garden ?

Ugh ...
But ...
Just do it, really ...
The garden inside the hospital right ?
Yes ...

Okay !
Alright! Help me with him Senou!

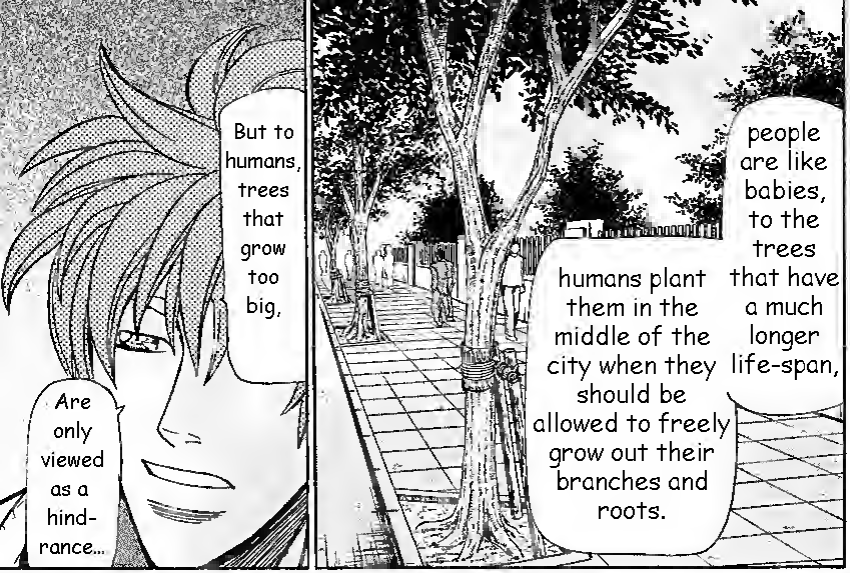


Let me lie down here
O, okay
5 mins later
Fuu ...

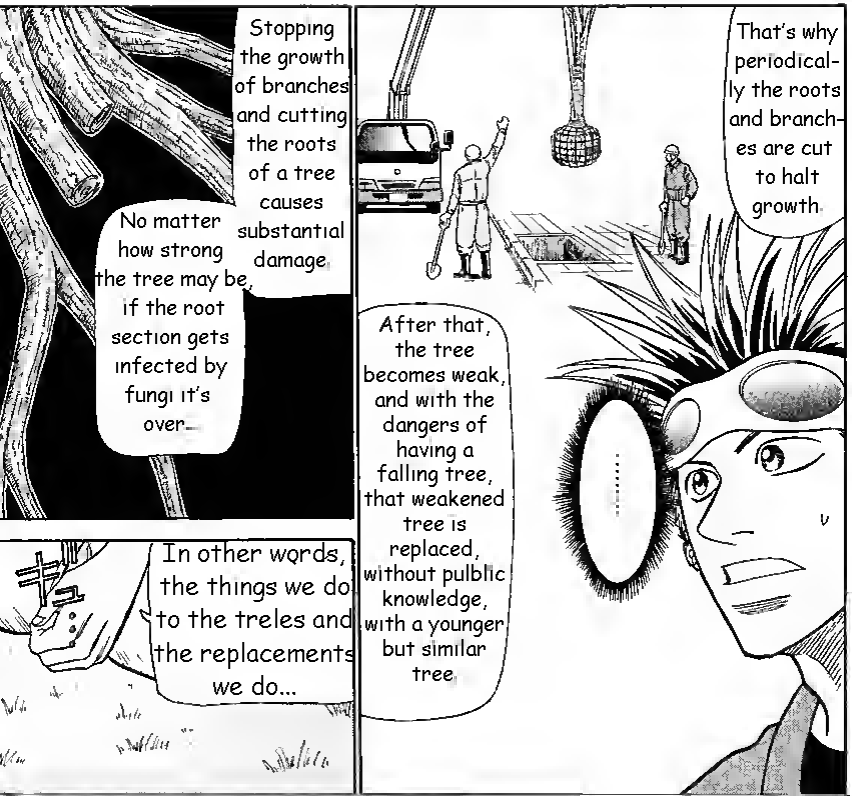
We only brought him to the garden and he's looking much better already ...
What is with this guy ...
Look's like you're feeling a bit better already.
Yes, I'm fine now.
I,ºアア。。。
I'm saved ...

Ha ?
A, abused ?
yes
When I heard the cries of the abused roadside trees,
my brain experi-enced pain so bad, I coll-apsed.

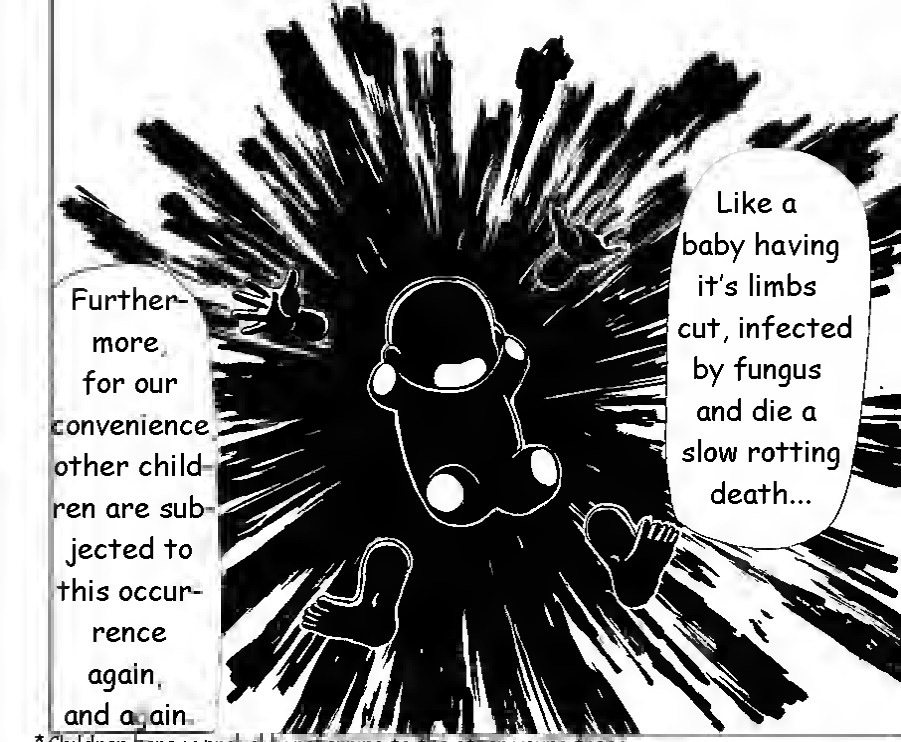
Roadside trees, you see...



But to humans, trees that grow too big,
Are only viewed as a hind-rance...
people are like babies, to the trees that have a much longer life-span,
humans plant them in the middle of the city when they should be allowed to freely grow out their branches and roots.



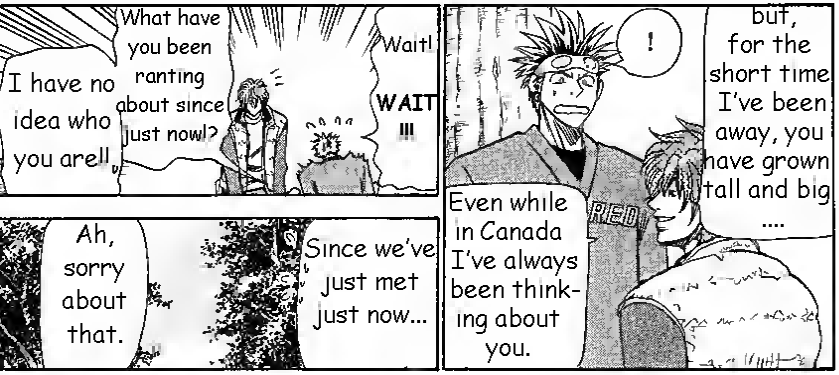
Stopping the growth of branches and cutting the roots of a tree causes substantial damage.
No matter how strong the tree may be, if the root section gets infected by fungi it's over...
That's why periodically the roots and branches are cut to halt growth.
After that, the tree becomes weak, and with the dangers of having a falling tree, that weakened tree is replaced, without pulblic knowledge, with a younger but similar tree.
In other words, the things we do to the treles and the replacements we do...



Furthermore, for our convenience, other children are subjected to this occurrence again, and again.
Like a baby having it's limbs cut, infected by fungus and die a slow rotting death...

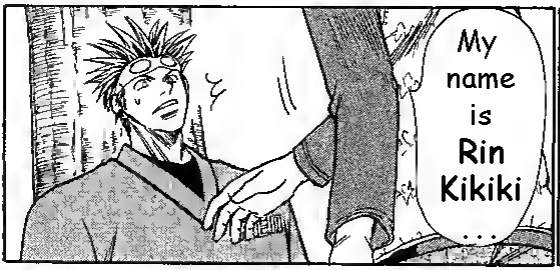
*Children here is probably referring to the other young trees.

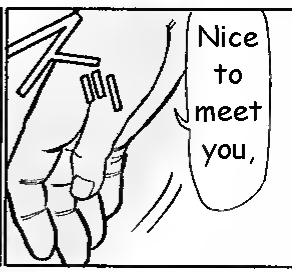
Maybe I should take you there next time.
On that note, Canada is the best, whether it is the Mountland or the Northern jungles, in those large areas of wooded forest Mother Nature still exists.
Eh ?
Ah, as I thought, the city is rather unpleasant
Take, me? To Canada?
? ? ?
? ? ?



I have no idea who you are!!
What have you been ranting about since just now!?
Wait!
WAIT !!!
Ah, sorry about that.
Since we've just met just now...
!
but, for the short time I've been away, you have grown tall and big ....
Even while in Canada I've always been thinking about you.

!
I was talking to that tree.
I was not talking to you just now...





WildLife v7 end... to be continued...

Haa ...
I'll be in your care
I knew it... another weirdo...
and he says he talks to plants...
The only person in Japan who can converse with plants.
R.E.D. wildlife depart-ment vet.

えー、まずは
北海道の大橋照永くん
9歳から。

4巻の33P
〝しごく簡単な仕事だから〟という
陵刀のセリフは〝すごく〟の
間違いではないですか、

という
指摘です。

はい
はい。

大橋くん
これは間違いではありません。

しごく、とは
漢字で〝至極〟と書き
〝この上なく〟とか
〝極めて〟とかいう
意味で使います。

至極

そーですね。

つまりここで陵刀が
言いたかったのは、

安心していいよ、
違うといっても！

（バカでもできるほど）
〝極めて〟簡単な仕事だから♡

それは現場で
おいおい
説明するよ。

ということに
なるワケです。

さあそれでは
次に行ってみましょう。

愛媛県の青柳一絵さん
12歳から。

私は将来、瀬能さんのような
動物の看護師さんになりたいと
思っていますが、
週刊少年サンデーでは
看護士と書いてあったような
気がします。

本当はどちらが
正しいのでしょうか。

コクコク

うんうん。

これはですね
実は途中で変更
したのです。

そうでしたね。

人間の看護師は
国家資格ですので
看護師という名称で
統一されていますが、

動物の看護師は
民間の資格ですので、
資格を与える学校や団体に
よって、名称が違います。

飯

ある団体は看護師
またある団体は看護士
というように
まちまちなんですね。

たとえば、
XYZ動物看護学校では
看護師、
○△×動物看護学校では
看護士、というふうに。

で、連載当初は看護士を
使うところが多かったのですが、
ここ一年の間に
人間と同じ看護師を使おう
という団体が増えたので、
単行本から
看護師に
統一したのです。

そうそう。

でもこれって
よく考えてみると…

自分が申し込む
団体によって、
私、動物の看護師に
なりたい！

って人と、

私、動物の看護士に
なりたい！

って人に
分かれちゃう
ワケで…

ホント、早く
完全統一して
あげて
ほしいよね。

だよなー

とにかく…

みんな
わかったかな？

また疑問があったら、
少年サンデー編集部まで
お便りくださいねー！
